Thank You For Your Concern

Introduction:

These articles were written over a period of time and taken from our Bible Tracts. They were placed in this book for those that would like to study. The knowledge comes from a lifetime of experiences.

When God calls, it's our duty to do as the Lord says. The greatest blessing is also being allowed to reach out in the name of "Jesus Christ"

The Bible Says:

Psalms 68:11 The Lord gave the word: great was the company of those that published it.

All Scriptures verses taken from KJV-1611 Bible

1st John 4:18

There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love.

"He's There To Help"

It is an interesting subject but what we're talking about is being afraid. Some people, because someone has hurt them, they become afraid to trust people anymore. That's called being cautious. In a way they have a right to feel the way they do.

Otherwise, there's no need to be afraid when you know where you stand with Jesus. God knows your heart and He's there to help us overcome fear.

When a person proves that they cannot be trusted then that's another thing. Beware!

If there was just a disagreement or misunderstanding, then you must weigh that out with truth. The best way to get along is to love others in spite of their and your weakness: Hate or anger does not solve anybody's problem - it only makes it worse. Forgiveness is the key.

The love of God is what helps us overcome our fears and doubts. From there, perfect peace takes the place of worry and confusion.

Stop looking around for what makes you afraid and continue living in the light of Jesus Christ.

Truth Over Folly

Some laugh at the thoughts of salvation. Christians often shed tears because lost souls seem to not care about getting saved. There are those that even think being a Christian is for the weak.

Seems to be an endless circle as a result of the many that are trying to make it without Jesus.

If we could make it without Christ there would be no need of a bible, church, or anything else relating to God.

All wars ever fought in some way, shape, or form is being fought to keep back the truth of God. Although a nation must protect its people, the ones causing the trouble will one day experience untimate defeat!

God is our victory and He came to give His life on the cross so we can be saved. Otherwise, the only battle anyone can win is trusting Jesus by faith. The Lord will one day return to get His children. People get ready!

Mark 8:36

Jesus said, *“For what shall it profit a man, if he shall gain the whole world, and lose his own soul?”*

.....

“Without Delay”

Note: Life is not anything to tamper with when it comes to your soul. Things can change so quickly that your mind could not even take it in. Even if you were aware of the unexpected you still cannot handle it without the truth. Eternity is not a joking matter, neither is it anything to put off regardless of what you're dealing with.

To place yourself or anything before God would be the most terrible mistake a person could ever make. Those that do not take this seriously are the ones that will pay the greatest price. Even if we could make it without Jesus Christ, it still would not be worth it knowing the shape our world is in. This even tells us that much more how we need Jesus to save our soul from sin.

The Word of God is just as real as the air we breathe and without the Word we wouldn't have anything to look forward to. God's Word tells us how to deal with the present and how to get ready for that which is to come. If you're not ready to meet Jesus you need to cry out to Him now, without delay and be saved from your sins!

Romans 10:17

So then faith cometh by hearing, and hearing by the word of God.

Urgent Need

Life is so serious that Jesus was willing to come here and die for us all. To ignore this fact is to not have faith. We are not here to just pass the time away. We are here to find out the reason God was willing to give His Son on an old rugged cross.

He didn't just say He loved us; Jesus showed that He does with His own blood! He came because we are in urgent need of
A new spirit!

"For by Grace are we saved:" Ephesians 2:8

This is not just an opinion but eternal truth! It is a matter of getting saved and pressing on in faith! Then comes spiritual growth.

By not having a relationship with Jesus, your soul is in imminent danger!

Call upon Jesus while you can. Sin is no game and eternal destruction is no joke! God is love; so trust Him and live for Jesus daily.

Romans 8:28

And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

"Doing Your Part"

Some people are witnessing less and thinking about their troubles more. As a result their troubles are getting greater, and their faith is becoming weaker.

While getting help for your trouble, we must even use that time for a witness as God heals you. From there, you can learn that God was there all along working things out for your own good. In the process others are learning what it means to put their trust in Jesus as well!

God made us all and He wants the best for each one of us. Do your part, because God is just a care and prayer away! Amen

Romans 4:7

Saying, Blessed are they whose iniquities are forgiven, and whose sins are covered. 8: Blessed is the man to whom the Lord will not impute sin.

.....

Eternal Hope

This is a wonderful scripture telling us that God will forgive us and set us free from the penalty of sin. Only the blood of Jesus has such power! The question is: Do you want this forgiveness, or, do choose to live in selfish pride?

If you mess around long enough, a lost soul will find out that sin has is a hard taskmaster. Remember, payday will come soon for those that refuse this free gift! God's love is perfect and real!

Others have changed because they were serious about trusting Jesus for Salvation. You need to do, likewise, if you are lost! Mean business with God; He is willing to save just once you give all your sins to His Son, Jesus Christ! Do it now and receive eternal hope!

2nd Peter 1:10

Wherefore the rather, brethren, give diligence to make your calling and election sure: for if ye do these things, ye shall never fall: 11 For so an entrance shall be ministered unto you abundantly into the everlasting kingdom of our Lord and Saviour Jesus Christ. 12 Wherefore I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the present truth.

“Pressing On In Jesus”

There are so many things that we could be doing when it comes to serving God. The decision is taking the time to do it without putting it off, or without reservation, or without regret. *Souls weigh in the balance!*

“Lord, please help us to do what we can, while we can.”

Much to do and many to reach! Not a second to waste. If you believe Jesus makes a difference in your life then He can also in the lives of others. Woe to those who think otherwise!!!

So keep trusting and doing, while pressing on!

Being a witness is a way of life, not just a passing thought. We are what we *believe*, and to not practice what we believe goes against your faith! The way you know you are living your belief is you have less time to worry and more time to pray while reaching out. God already knows your heart; it's just up to us to know where we stand in truth. The closer we get to God, the more we praise His name: The more we praise His name, the more we witness His love.

This is not just a matter of opinion but also a matter of truth. NOT only is it a gift to be saved but also it is a blessing to offer the Word of God to the lost and undone. Praise Jesus for those that are doing their part. God is good all the time so live in His light everyday! AMEN

John 3:16

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

Decision Time

John 3:16 is known by so many folks everywhere. The greatest thing about this verse is that, it's true!

God really loves us so much that words cannot fully express it. To show His love, Jesus was willing to give His life for our sins on an old rugged Cross.

Now it is up to us to show our love for Him. The only way we could do this is to give our heart to Him and let Him take away our sins.

If you mean business with God now is the time to make that decision: Don't delay!

Galatians 6:9

And let us not be weary in well doing: for in due season we shall reap, if we faint not. 10: As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.

“The Right Attitude”

Sometimes people pick and choose who they're going to do right and whom they're going to try and hurt. The Bible tells us that we are to:

“Do good unto all men, especially unto them who are of the household of faith.”

Your attitude determines very much as to who you are, and how you treat others.

To not treat everyone with respect is to have the wrong attitude. Treating others right does not mean you go along with their evil ways: It shows that you are doing unto them the way you would expect them to do unto you. It is God's will that everyone come to the saving faith and love of Jesus Christ. The choice is left up to you as an individual. Living for God is a gift and the better you use that gift, the better you can reach out to others.

When a person refuses to do right they end up fighting against their own self. When you give everything back to God, this is how you learn to deny self and follow Jesus. What a blessing it is to not just hear these things, but do them. Serious things can and do happen when you do not follow the right instructions. The instructions that we have been given are in the Word of God.

When you put such ways to practice you cannot help but have joy of heart and peace of mind knowing that you are giving God all the glory. Sometimes we may stumble but God will keep us from failing when we trust in His Son, Jesus Christ.

Romans 10:9

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. 10: For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.11: For the scripture saith Whosoever believeth on him shall not be ashamed.

Grab Hold

The question is not, where have you been..
But where are you going? To not have a plan is to not know where you're headed.

These are not just things that are said, but words that are true.

Destruction is a consuming force when you're not aware of what lies in your path!

The Bible says that we are to call out upon the name of the Lord so that we can be saved! The description is, as if someone was drowning and you need to throw them a rope. Well, the rope has been thrown but you need to grab onto it, now!

Jesus will save your soul if you mean business with Him! Don't delay, call upon the Lord right away, and you'll be glad you did! Keep pressing on in Jesus!

Psalms 2:11

Serve the LORD with fear, and rejoice with trembling. 12: Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him.

"Facts Of Faith"

It is wonderful to know that we have an Almighty, loving God. On the other hand it is so sad for those that do not want to know this wonderful God as their Saviour and Lord!

He is not a strange God, but there are strange people who say they trust Him, but in secret they live a double life.

There are also those who trust more in technology than the One that created life. The technical things that are made by man will fail, but the living God that made man cannot fail.

Anyone who does not depend fully on God is on a losing side. Outside of Jesus Christ there is no victory: However, faith in Jesus is our greatest victory. After that comes serving Jesus.

People will talk on their cell phone for hours, but on the other hand, they will not talk to Jesus for even a minute. The solution: John 3:16

It 's often that reprobates only speak the name of God when they are cursing or swearing! What a pitiful condition that is! So Repent!

These are just direct facts that are being stated here, so the question here, is this: What are you doing about it? Many times people are more offended by the truth than they are when someone misleads them with a lie. You need to know whose side you're on!

The point of all this, is... make sure that you are not taking advantage of God but you are letting Him use you for His Glory and purpose.

To waste one second by not trusting in Jesus will cost your eternal soul. Invest your life with the truth and the truth shall set you free.

Philippians 4:13

I can do all things through Christ which strengtheneth me.

Don't Hold Back

Often people pretend to be satisfied, but are not because they leave God out of everything that goes on in their lives.

When you reject God, there's a void within the soul that only continues to get worse.

Pretending to be happy while being consumed by misery is like trying to survive without air.

Life is no game and to leave here without Jesus would turn your brightest day into the darkness night. Don't hold back!

Mark 8:35

Jesus said: "For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it. 36 For what shall it profit a man, if he shall gain the whole world, and lose his own soul? 37 Or what shall a man give in exchange for his soul?"

"There shall be showers of blessings."

Jesus is there to help us enjoy this life as best we can till we go to be with Him in glory! The most and best we can do is accept what He has already done for us, by faith. Our God is able!

Jesus gives us everything we need for our good. But on the other hand, this world tries to drag us down. Either way, Jesus is still there to help us to carry on, in spite of our trials. The choice is left up to us whether we are going to fully trust Him, or not.

If you don't trust Him, you'll lose your very soul, no matter how much you gain in this world. Without Jesus your life is completely lost and undone.

"This old world is not our home we're just passing through!"

To just do things your way is to live for nothing. To give it all up for Jesus is to gain everything in return. It is my prayer that you will get this message and heed it. Victory is not just in what we do, but our victory is Jesus. The war has been won although the battle is raging!

Stay on course, continue in truth, and keep pressing on Jesus.

Psalms 5:1

Give ear to my words, O LORD, consider my meditation. 2: Harken unto the voice of my cry, my King, and my God: for unto thee will I pray. 3: My voice shalt thou hear in the morning, O LORD; in the morning will I direct my prayer unto thee, and will look up: 4: For thou art not a God that hath pleasure in wickedness: neither shall evil dwell with thee. iniquity.

Teaching The Truth

These verses are saying God loves truth, however, on the other hand, He hates evil.

Trusting God and seeking His will is acceptable to Him. It would be dangerous to wake up one day to find out your time is up, and payday has arrived.

All the evil pleasures in this world are not worth losing your soul over. This could be your last opportunity to repent of sin. Don't wait another second: Get right now!!!

Those who are trusting Jesus can go on telling others the good news of our God and Saviour.

However, to put off the good news, then "Through the terrors of God, we persuade men" The Bible says.

Thank you for your time, now keep giving your all to Jesus, who gave His all so we can have everlasting life and peace.

Mark 4:39

And he (Jesus) arose, and rebuked the wind, and said unto the sea, Peace, be still. And the wind ceased, and there was a great calm.

"Jesus Is There"

The Lord is very aware and understands your every situation. Sometimes it seems like no one really knows what you're going through, but God does. We all face various trials from time to time, however, God's grace is there to see you through.

Everything that we experience, God cares about.

No matter how small or great the battle, God is able to calm the raging storm. Just remember that Jesus is there in the boat and peace shall prevail. Anyone that does not have this comfort needs to get it right away. It's not something you can buy, or earn: It's a gift. Just believe that Jesus is there to hear your prayer if you call out to Him in faith. No matter how great the pressure, God knows how to speak to your heart in time of need. Just look to Him, not the circumstances and He will calm your spirit.

People often will put more on you than you can bear, but not Jesus. Just remember, God knows your heart and He's able to back you up and give you hope in a hopeless situation. The ways of this world will try to put you down, but the Word of God will keep you strong. Those that would try to hurt you could care less about what you're going through. Just keep love in your heart regardless and God will deal with your circumstances.

Everyone needs Jesus, even those that are holding back. Our time is short and there's not a second to waste. Eternity is just a breath away, but today is what we are to use prayerfully until God brings us home. Every day with Jesus is sweeter than the day before. Amen to that!

We Can Do Right

Someone once told a fellow worker, “you can’t do nothing right!”

The truth here is that, a wrong attitude is far worse than not doing everything the way others think it should be done.

When you do your best and know it... that is an achievement within itself. Constructive criticism can also help when the person giving it is doing so with a caring attitude.

Whether on the job, or elsewhere, we should always do our best in all that we do. From there, God does get the glory when it’s done in the name of Jesus.

No matter what anyone says, we can do right once we involve ourselves in faith and prayer. Such ways do show that you do have the right attitude, regardless of what others may say or think.

With a Christian attitude, we can stay at our best while learning to do even better in spite of our shortcomings!

2nd Peter 1:5 And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge; :6 And to knowledge temperance; and to temperance patience; and to patience godliness; :7 And to godliness brotherly kindness; and to brotherly kindness charity. :8 For if these things be in you, and abound, they make you that ye shall neither be barren nor unfruitful in the knowledge of our Lord Jesus Christ.

God Teaches Us How

It's a beautiful day to be thankful for what God has done. On the other hand, it's wonderful everyday because of what God is doing. We have been given so many blessings, but the blessing of loved ones that really care, can't be explained, but only enjoyed. God gave them and Jesus saves them, by faith!

The word, “Family” can mean whatever you want it to: It can mean as little as nothing, or it can say more than anything. To be point blank, it’s necessary to tell you this. The world does not care what God teaches us about family. They may pretend to care, but they really don't when they refuse to honor their parents according to God’s Word. Living for Jesus is the only way to show true honor to your parents. Jesus said, “Without Him you can do nothing.” So without truth there is no real honor. Someone cannot honor his or her Father by living a lie. They may care about someone in their own way but not God's way. There is no honor unless someone greater gives it to you.

God is greater than us all; therefore, He allows us to show honor by His love and Grace. Without love there is no truth, without truth there is no honor. There is a thing as just human love apart from truth. That’s when it all ends at the grave. Then a soul that dies without Christ goes into eternal destruction. To honor your parents is to live a Christ-centered life, while giving Jesus glory for what He has done. Then, when we leave this earth to enter heaven, we will be rejoined with our loved ones that are already there, forever more.

Scripture

“Exodus 20:12 Honour thy father and thy mother: that thy days may be long upon the land which the LORD thy God giveth thee.”

Respect Is Real

This is not just a saying but also a truth. With truth comes a reality. We are either following the truth or sidestepping. To sidestep is to put off what needs to be done now.

For your life to be complete we must practice what is spoken in God’s Word daily. This is what it means to “walk in the spirit.”

God allows us to have a clear conscience by obeying Jesus, which keeps anything from standing in our way of pleasing Him.

To honor your parents is right, and when we do so, this points others to the right way of living. If you can’t show love to your parents, then you can’t love others the way you should.

From there, we grow in faith as we continue to walk in our faith. What a blessing this is because, “Without Jesus you can do nothing!”

Scripture

Proverbs 10:7 The memory of the just is blessed: but the name of the wicked shall rot.

Thanks

We live in a country to where great freedom is enjoyed. To show how much you appreciate this freedom is to use it for God. It is certain that people do have the choice to reject the truth! However; to do so would be to seal your own eternal fate for rejecting Jesus Christ! On the other hand, we are free to accept Jesus, trust in Jesus, and to grow in Jesus. Otherwise; the greatest freedom we have is to tell others about Jesus. We came to this great country for spiritual freedom, and many people gave their life so that we can enjoy such liberty. Living in darkness is not what we are here for on this earth. The Word of God is what draws the line on truth and error. Freedom in Christ Jesus is the greatest of all freedoms when it comes to love, joy and peace. Those who do not want this type freedom will one day end up in bondage. Such bondage not repented of will quickly turn into captivity, and captivity will turn into judgment. Many people paid the supreme sacrifice so that we can have a safe country to live in and teach our children about Jesus. For this we say, "Thanks" to all those who did pay with their life for such a wonderful opportunity. As a result, their suffering was not in vain! Memorial day and everyday we should always be thankful for the true freedom we do have. And it’s also right for us to be good citizens, and be a witness to others about this wonderful truth that has been given to us from God. Remember, freedom is free, but it ain’t cheap. It was paid for by someone’s life.

**God bless you and may
God continue to bless America!**

Scripture

John 14:6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

Truth Matters

Getting started with a job is sometimes harder than the job itself. No different when it comes to salvation. Just thinking about accepting Jesus will cause you to put it off till the Day of Judgment. Those who do not take truth seriously will one day realize how wrong they were for putting it off. If truth did not matter then we would not need the Bible, the Church, neither would we need law nor order. People sometimes do not want to hear about truth but to not tell them would make Christians just as wrong for not reaching out to lost. *When a soul cares the least with what really matters the most they end up doing last what needs to be done first.* Don't get me wrong, I hope and pray this does not describe your spiritual condition. And if it this does, all I can say is you need to change your ways or else time could be your worst enemy! You need not be afraid to give into the Word of God, you need to be afraid when you turn your back on God's Holy Word. There is no need to destroy yourself. But there is an urgent need to surrender your heart to Jesus, now! Others who care about you can only throw you a rope to pull you in. It's up to you to take hold. If these were just empty words, then I would be wasting my time. If what I say were true, you would end up losing your soul for turning your back on the Cross of Jesus. Why did Jesus come here? For you and I to get saved from eternal destruction. Grab hold of the rope now and let these words pull you in! Those who are truly saved, it's up to us to carry on while letting others know that Jesus is just a prayer away.

Scripture

John 14:1 Jesus said, "Let not your heart be troubled: ye believe in God, believe also in me. 2: In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. 3: And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also."

Living Water

The Word of God refers to Jesus as a fountain of living water, the solid rock, light of the world, Savior, a friend, as well as our Heavenly Father. To have the love of Jesus is much better than all the riches, all the land, houses, and far better than all the fame, or fortune this world could offer. Jesus is also our good Shepherd, who knows and can meet our every need. We can want to stay here as long as we can, but when it's time to go, God says He has a mansion in heaven waiting for us. In other words, be willing to stay, but ready to go. Then when our time arrives, God says He will come without delay. *What a day of rejoicing that will be when we see Jesus face to face.* It's good to spend time with family and friends while telling them what awaits us when God comes to take us home to glory. We should never be a stranger to the gospel of Jesus Christ so that we will feel right at home when God comes to get us. Remember; keep telling others about the good news of our Saviour. God is with us each day to watch over us as we keep pointing others to the cross of Calvary. Soon and very soon, we're going to see the King!

Scripture

Psalms 34:1 I will bless the LORD at all times: his praise shall continually be in my mouth. :2 My soul shall make her boast in the LORD: the humble shall hear thereof, and be glad. :3 O magnify the LORD with me, and let us exalt his name together. :4 I sought the LORD, and he heard me, and delivered me from all my fears.

First Of All

Everyday is a new day for us to give God praise, give Him our thoughts, and our prayers.

First of all when we give God praise, this shows how thankful we are for what He does for us each moment.

When your thoughts are on God this shows that you want to line up your life with His will. By doing this we are able to overcome any obstacle.

Also, remember this rule of thumb...

“We must first be willing to learn and grow in order to be able to speak and show.”

Praying to God is also essential, because this is being in full communication with Him at all times. Each moment brings us closer to that day when we will be able to see Him face to face.

Some may dread that day; But as a believer... *we look forward to that day.* God is the final judge and that's why He should be first and foremost in our life, daily.

Scripture

2nd Peter 3:9 The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.

Reach The Lost

Never is there a better time to tell others about Jesus. When you do so, not only are we more blessed: But there is hope to see someone come to the saving power of our Saviour.

We have no time to complain because of all that Jesus has done for us. Our attitude should continue to get better by lifting up the name of Jesus. To become bitter is to not care what is going on around us daily.

Some are holding back, and although we warn them.. We must also keep praying that everyone will find this hope before it's everlasting too late! If you don't know Jesus, now is the time to make that urgent decision!

Romans 8:28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

God Still Cares

Pain is not always as much as how you feel but more of a distraction. Once the feelings become greater than the distraction, then the feelings take over. Once the feelings are recognized, then we must do what we can to overcome the distraction. In the final result, we learn how to get help for our condition and from there we press on beyond the pain and the distraction.

This may not seem to work for some folks, but overall, by faith it is designed to work for us all. It doesn't seem easy in the beginning, but as days go by, you will get stronger.

Whereas some folks goes through pain and others never even know it: On the other hand, there are those who are not experiencing as much pain as they think, but they seem to think the worst over the best. The situation there is, some people are looking more inwardly to themselves concerning their symptoms, rather than upwardly toward God as to how to be healed. Either way, there is still a condition there that must be treated. That's why we have doctors.

Whether emotional, or physical, God still cares about everything that we are faced with. Otherwise, getting it together is what we have to learn to deal with, along with keeping it together. That's the real job! Just hang in there, you'll make it! Our God is able!

Even a Christian can feel down on themselves at times and nearly defeated in some cases: However, God is still there to see us through.

It's not the end of the world if you are hurting, but it is a new challenge to trust God, regardless of what we are faced with.

Prayer, encouragement and faith go hand-in-hand when it comes to dealing with any situation. Realizing this, then you can learn what it means when the Bible says, "And we know that all things work together for good to them that love God, to them who are the called according to his purpose."

Revelation 1:7 Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen. :8 I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.

Celebrate Jesus

Everything that God does is in accord with all that is right. God is who He says He is, and that settles it! Whether we understand it all, or not, God is still God!

God has always been and will always be. He is also indestructible and incomprehensible. What we don't know about God we accept by faith. It is impossible for God to do wrong and He is the only One that can forgive us when we are wrong.

He also came to this earth in the person of His son, Jesus Christ. Now that we have the Bible to tell us the truth we are given every reason to want to trust God even more.

The greatest thing that we can do on this earth is never put anything before God. From there we can use what God has provided and enjoy it to the fullest all because He really cares.

Most of all give Him your heart and live for Him daily knowing He will meet our every need.

In other words, praise God from whom all blessings flow. If you don't have time for God, you don't have time for life. And also, you're sure not ready to die.

Get rid of self-pity and doubt and have a celebration of life everyday. Depend on God by doing your part in this life, and get ready to launch off into eternity! There's not a second to delay!

Psalms 118: 24 This *is* the day *which* the LORD hath made; we will rejoice and be glad in it.

Being Ready

It is a blessing to know God is closer than a prayer away. Many a leader will rarely give you the time of day, but God made the day and has time to listen to His child always. It's just we need to realize how wonderful this really is so that we can take time out for Him.

A loving God that gave us life, He also allows us to come to Him concerning our every need. The greatest thing also, He can meet those needs. God wants the best for each of His people.

The bible says, "This is the day which the Lord has made; we will rejoice and be glad in it."

So, what are we waiting for? Our God is a mighty God and has a loving heart, in hopes all will come to His love and truth.

There's no need to pretend, just be who God made you to be and stay on that narrow path. We must keep letting others know about the good news of our Savior.

We should get help for our pain; however, if we were to center more on witnessing rather than just our trials, we would have more time to witness and less time to worry.

Try it and you'll see it really works, then rather than being weaker, you will become stronger. Eyes on Jesus - mind off of self, and have faith that God will see you through.

Psalms 50:10 For every beast of the forest is mine, and the cattle upon a thousand hills. 11: I know all the fowls of the mountains: and the wild beasts of the field are mine. 12: If I were hungry, I would not tell thee: for the world is mine, and the fulness thereof.

Making Life Count

So much is being said about 401(k)'s and investment plans. That may be well and good, but we need to concentrate on meeting Jesus more than trusting in our bank account. The Lord is not going to ask us, how much did you have in stocks and bonds: But, come judgment day, He is going to take into account as to how we use what we have. No, this is not a message on giving to God. This is more about what we're going to do with what God has given to us.

It is for certain that we are called to be good stewards of God's resources. So this is a reminder as to how God does own the cattle upon a thousand hills. Everything belongs to God, whether we agree with this, or not. Again, this is not a matter of my opinion. Otherwise, this still makes it clear that anything that we have, it all goes back to God in the long run. That is why we are to make everything count for God, every day.

We're not here by accident and it's no accident as to where we're going once we leave this planet. The Gospel indeed is the love story of a Savior who gave His all so we can be set free. Anyone that is willing to accept this free gift is also blessed enough to know how to enjoy what God has provided for us.

Time, money and resources all goes together when it comes to using what God has put here to give back to Him, in order to be eternally blessed. Anyone that would get mad at me for telling you these things need to be angrier with yourself for not believing the truth. Better yet, just give your heart completely to Jesus and He will show you how to use what you have to His glory all the days of your life, right into eternity. God loves you and that's far greater than what this world could ever offer!

Matthew 23:12 Jesus said: Whosoever shall exalt himself shall be abased; and he that shall humble himself shall be exalted.

Staying On Track

Someone once told a friend, "Since the world is not the way it should be, they live in it the way they like for it to be."

Well, it's for sure that many things are not going according to God's Word, but only the Word can get it back to where it should be. It's good to make the best of times while here, but are you doing it according to what God would have you to do?

There are situations to where it may seem like things are about to derail, then all of a sudden, things get better and you're back on track. This may sound unusual in a way; however, in God sight, He can straighten things out according to His will. Just give the Lord time, otherwise, keep pressing on while using every opportunity to glorify Jesus Christ with your life!

Most of all, if you don't know Jesus, accept Him while you can before it's too late: You'll be glad you did! Jesus is the answer! What a glorious Savior!

Scripture

Matthew 4:4 But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.

Take Action

Jesus is letting us know that the only way to overcome spiritual warfare is by His Word.

Anytime Satan tries to put something in your mind to make you think the worst; Jesus puts something in your heart to let you know things are better than you realize. In other words, the negative thoughts are telling us that we can't, but the Word of God is telling us that we can.

This warfare may not seem to be totally constant, but it is so obvious that God made it to where you need His Word to overcome it. The less you have of God's Word, the more the power of darkness is going to fight you. This is not something to mess around with, but something to put in to action. It will also help you to overcome a lot of unnecessary pain and heartache.

Don't just take my word on it, take God's Word on it and keep standing on His truth daily. It is a matter of life and death. Once you speak God's Word to the wind and waves, then give God time to calm the storm, and you!

God speaking His Word created everything: And believing it, and using it to God's glory will overcome everything in your life.

Scripture

**Galatians 6:8/ Be not deceived; God is not mocked:
for whatsoever a man sows, that shall he also reap.**

Sowing And Reaping

When being tempted we have a way out by turning our eyes upon Jesus. To not have Jesus is to not have hope.

Sometimes a person may not want a way out from temptation. The sad fact of that is, some will take it to the finish and reject the laws of sowing and reaping. Whether we believe in truth, or not, God is still keeping record of every life on this planet.

This is not to scare us, but to help us realize that God wants the best for us all, however, we must want Him more than our sins.

There is no reason to not trust in a Saviour that paid our price for sin. Jesus is there to see us through anything and everything.

If you are willing to turn from darkness to the light of Jesus, He will receive you as His child and forgive and forget your past sins. If you have never done this, now is the time!

Now to Follow

God is able to protect us and give us safety over all harm. To ignore God's plea to "Come to Jesus" would be to take upon yourself what only God was able to withstand!

We must realize that this is not a game, but very real.
Your soul and your eternal destiny depends upon the
Word of God.

Faith is our only hope and from there we find total victory!
Have you made your preparations? If not, now is that time!

Philippians 3:14 {I press toward the mark for the prize of
the high calling of God in Christ Jesus.}

Pressing On

***We all have a unique purpose on this earth. To try and live
without Jesus is to not know that purpose.***

We are to make the best of this journey while we're here.
When you give life [your best], Jesus is there to give us victory
over the worst.

Even when you give your best, we still need guidance
according to the Word of God.

However, as a Christian, we must go through what everybody
else goes through, but we are to depend on God for strength.

Those who live for self depends on other ways to overcome
their pain and heartaches. They hide from trouble and pretend
they have it together; but inside they are torn apart and undone.

Jesus also went through suffering while on this earth.
When we depend on Christ to see us through, then we learn how
to endure and overcome by the Grace of God.

Our Savior, Jesus Christ, He is there every step of the way to give
us hope, then rather than worrying about what we're faced with,
we received courage to press on, in and beyond every trial.

It's not that we look for trouble, but the victory we have is our
faith in Jesus. If you have this faith, then you learn how to
keep pressing on one day at the time.

What a wonderful Savior to know! Also, be assured, He's
with us every step-of- the- way.

Jude 1:21

*Keep yourselves in the love of God,
looking for the mercy of our Lord
Jesus Christ unto eternal life.*

Thank You Jesus

God is a loving God and don't want anyone to miss out on Jesus. Eternal life is offered to "Whosoever Will."

Life is not really that complicated, however, that old serpent, *the devil* sure will try and make us think so. God is not the author of confusion, but of peace. Thank you Jesus.

The more Jesus we have, the greater our peace! To come to the truth is to not put off truth - but love and obey the truth. From there the love of God will take over.

Thank God for His mercy and by God's Grace we can be ready when Jesus comes to take us home. Don't get left behind! Say yes to Jesus.

Philippians 4:6

Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.

"Staying Safe"

The best we can do is stay calm, even if something seems to be getting out of hand. Things sometimes try to slip-up and overtake us before we expect it. When you know you're not at fault you have nothing to worry about it. The only other thing is, remove yourself from the situation once it occurs.

Although it could be a test, that does not mean you have to wait around to find out what's going to happen next.

Anytime it looks like something is getting out of hand, then it will, if you don't do something about it. "Be careful for nothing" the Bible tells us. So, be careful what you say, where you go, what you're doing, so on, and so on, etc.

There is nothing like being sure and staying safe. This applies to business, social situations, public events and anywhere else you travel. Like someone once said, "Not only must it be right, it must also look right." If you want to be a testimony you must be aware of the test.

The point is, remain alert constantly, and don't take a chance with your life at any time. There are traps everywhere you turn, so remain on watch always in order to avoid the unexpected.

The ones that accept this will be very aware of what is being said as you apply it to your life. The Bible also says with any temptation, God will also make a way to escape that you may be able to bear it. Thank God for His perfect truth.

Scripture

Amos 4:12/ Therefore thus will I do unto thee, O Israel: *and* because I will do this unto thee, prepare to meet thy God, O Israel.

More Ready Than Ever

Much is being talked about concerning the return of Christ, however, the most important thing about it all, we must believe how real this is. Some people think that we cannot be ready, but if that was the case, then it would be a sad day for them! If we couldn't be ready Jesus would not have told us to "Watch and Pray." When you are praying and staying close to God, this is evidence that you are looking forward to the return of Christ. Matter of fact, the more ready we are – the more excited we become, just thinking about seeing our Saviour face-to-face!

None of us knows the day or hour, however, there will be a day of jubilation, and when that time comes, we should be already doing the will of God. The Bible say's "prepare to meet thy maker."

If this does not make too much sense to you, then take a closer look at your life to be sure that you know where you stand with Christ.

This is really not a matter of argument, but just a matter of resetting your priorities so that you can know what it means to get the best out of life. God loves you so much and to want Him more than self is to deny self of sin and surrender your heart fully to Him. From there, the more you live for Him, the more ready you are going to be when He comes back to get you.

"Even so, come quickly Lord Jesus!"

Scripture

John 15:4/ Jesus said: Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me.

5: I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing.

Beyond This Curtain

Whatever you may be searching for, it's already there.

Whatever you would like to be, you can become.

Whatever we think within reason, you can carry it out.

Whatever effort you put into motion it can come forth.

Whatever you say, or do, truth will find a way.

Whatever you truly believe, you can also achieve.

Whatever, whenever, and however are needful goals: But, if you don't have Jesus, all will end up in failure! To have earthly success and not be saved, it would be like trying to breathe in a closed container. You will suffocate on your own carbon dioxide without oxygen. Jesus is not just a way of life; He is the only way to survive and thrive in life.

There is more to come beyond this curtain: And to miss out on what is to be, would lead your life into a downward spiral. Now is the time to carry out what God has called you to do. Then, shout for glory... because of what Jesus has done, and what He shall continue to do in our lives!

We have much to look forward to, and ever more to live for! Just keep pressing on until what we haven't seen, becomes more of a reality than what we do see!

So Blessed

We have much to thank God for, however, some people have chosen to not be thankful to God for His mercy and Grace.

We all shall meet with the Lord one day and what you believe will determine your outcome. My point to everyone is this; take it seriously what is going on because your soul does weigh in the balance!

You are walking with the Saviour, or, you're in urgent need of salvation!

When you are saved you have a perfect gift to comfort your heart.

We are so blessed to have a caring God. There's no need to fret if you are a true believer!

He died for us and it's time for us to live for Him.

John 11:35 Jesus wept

Look To Jesus

We wonder much what is going on these days and times. Some people seem to not care about the precious lives of the innocent and they try to bring them down. Fact is, a person may try to harm someone else, but they're only destroying themselves. Anytime you try to harm others it only comes back on that person up to a hundredfold. God can still bring an innocent person out of tragedy, even if it means bringing them home to glory, but woe to those who are guilty of such terror! There are two-sides to choose from. The side, which gives peace everlasting, or, the side that leads to all out confusion. It may seem we are caught somewhat in between two of these forces, but as long as you know you're on the side of light, God will deliver you. The side that rejects truth in order to follow error will ultimately create their own demise. It's a sad choice to go the broad road into destruction.

It's the right choice to be on the side of truth regardless of what tries to fight against us. We are not here to patty cake with those that try and make it look like they can't reject truth. We are here to be a good example and want others to come to Jesus Christ who is able to save anyone from their own self-destruction. Hope and peace is a far different cry than those that choose death and destruction. Although at times we must endure, having love in your heart is far greater than hating others. God has given us every reason to carry on, even though at times we might feel tired, weary and even worn out. Jesus is still a care and prayer away. So keep trusting and praising Jesus knowing He will see you through.

Scripture

Matthew 6:33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. (34): Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

Truth over Error

To start a sentence, you must first have a subject. Then comes the paragraph, along with a message. Without a message you end up with no more than useless babble!

Some people say much, but cannot figure out what they really mean. Others say little and can back it with the truth!

There is a correct message that we are to give: But first, we must be willing to receive it. Afterwards, we will be more able to speak it once it changes our way of thinking and living!

Rather than pretending to know what we can't figure out, we need to have faith in what God has already said. From there, the truth will set us free and put us on the course to a better understanding of life:

First, we must be willing to accept this message,

Where Jesus said, in John 3:16

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.”

Romans 6:23 For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.

Come Forth

The force that tears people down is the same power that holds them back from truth. This force is known as “sin” and that power is called “evil.”

Overcoming such a stronghold is to denounce what is wicked and come forth to that which is righteous!

The cross warns of the problem and repentance offers the solution!

To remain where you are is to not change from what you have become. Ignoring what is true is to be brought down by what cannot hold you up!

Life outside of Christ is not a pretty sight, neither in words, or reality! It's my prayer that you will find the path that will bring you to the everlasting truth of Jesus!

Galatians 6:8/ Be not deceived; God is not mocked: for whatsoever a man sows, that shall he also reap.

Sowing And Reaping

When being tempted we have a way out by turning our eyes upon Jesus. To not have Jesus is to not have hope.

Life In Christ

We all have a unique purpose on this earth. To try and live without Jesus is to not know that purpose.

Even when you give your best, we still need guidance according to the Word of God.

What a wonderful Saviour to know! Also, be assured, He's with us every step-of- the- way.

Scripture

Proverbs 27:1 Boast not thyself of to morrow; for thou knowest not what a day may bring forth.

No Time Like Now

Not tomorrow, but today is what we are offered from our Lord. God knows about the future, that is why we are to invest our life into His Kingdom, today. God is able to even work things out that we don't know about. He also gives us hope to carry on and grace to endure every situation.

We also worship our Saviour because; He alone is worthy of such adoration. Everywhere we go, our God is there to bless us to do His will. In the city and country, in our labor and leisure: In our good times, and even in difficult times. God is our hope no matter what others say, or don't say about how we believe.

The main thing is, are you ready to meet this Almighty Saviour face to face? Jesus can get you ready, but there's no time to wait around! This could be your last opportunity!

Scripture

11 Corinthians 5: 21

For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him.

Jesus Christ

The greatest love that has ever been is the greatest love that will ever be. The love of Jesus is so wonderful that we cannot measure it. He gave us His Word that He would come here and do His Father's will, and He loved us so much, He gave us His life. The Bible says that, For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him.

Now that Jesus has come here, we can go directly to God through prayer and faith because of the love of Jesus. It's no accident that we can have joy and peace because of our wonderful loving Saviour. Jesus doeth all things well!

To have such love in your heart is to be given eternal life through the blood of Jesus. Such a gift is so great we cannot comprehend it. This is also a gift that cannot be taken because of the Word of God.

One of the greatest evidence of this love living in your life is you want to tell others about the good news of Jesus . The same thing that God did for you, He would be willing to do for anyone.

Let us as Christians continue to take this truth to the world in hopes that others will be forgiven of their sins and meet this wonderful Saviour.

“All We Need”

Living for Jesus is the greatest gift in this life. We can never praise Jesus enough, no matter who you are or where you go. There's nothing like praising God because, “God inhabits the praises of His people.” There's so much to be thankful for that we cannot count all our blessings. Each one of us has every reason to give God thanks for all that He does for us daily. Also, we're so blessed for the gift of telling others about what a wonderful God we all have. Like the hymn says, “What A Friend We Have In Jesus”

John 17:17

“Sanctify them through thy truth: thy word is truth.”

Trust Always

To be who you are is to stand firm on what you believe. To not lineup what you believe with truth is to still end up living a lie.

All the achievements in this life without Jesus, ends up in failure!

God has made it to where, even if you don't achieve everything; you're still victorious by trusting in His Son, Jesus Christ.

We don't deserve or earn salvation, but that don't keep us from doing our best in the name of our Savior. On the other hand, all the money and riches of this world won't get you one-step into glory.

God made it to where salvation is indeed a free gift. If you do not have this assurance then you can get it right away.

Scripture

Psalms 8:1 O LORD, our Lord, how excellent is thy name in all the earth! who hast set thy glory above the heavens.

Love Of God

The word “love” can be misunderstood in so many ways. Jesus showed us what love is by giving His life so that we can have eternal life. It's hard to understand how some people do not love God after what He has done for us.

Love can also go beyond just feelings and emotions, down into the soul to where you then desire to do what God would have you do. Love is also, at times, fought by some, and even hated by others. However, that is not to stop us from surrendering our heart to the love of God, through His Son, Jesus Christ. If you have never done that, I cry out to you now, and invite you to make that decision!

Psalms 118: 24

This *is* the day *which* the LORD hath made; we will rejoice and
be glad in it.

Being Ready

It is a blessing to know God is closer than a prayer away. Many a leader will rarely give you the time of day, but God made the day and has time to listen to His child always. It's just we need to realize how wonderful this really is so that we can take time out for Him.

A loving God that gave us life, He also allows us to come to Him concerning our every need. The greatest thing also, He can meet those needs. God wants the best for each of His people.

The bible says, "This is the day which the Lord has made; we will rejoice and be glad in it."

So, what are we waiting for? Our God is a mighty God and has a loving heart, in hopes all will come to His love and truth.

There's no need to pretend, just be who God made you to be and stay on that narrow path. We must keep letting others know about the good news of our Saviour.

We should get help for our pain; however, if we were to center more on witnessing rather than just our trials, we would have more time to witness and less time to worry.

Try it and you'll see it really works, then rather than being weaker, you will become stronger. Eyes on Jesus - mind off of self, and have faith that God will see you through.

Scripture

Ephesians 5:8 For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light: 9: (For the fruit of the Spirit is in all goodness and righteousness and truth;) 10: Proving what is acceptable unto the Lord.

Greatest Blessing Of All

The greatest thing that we can remember is to remember the greatest thing that ever happened.

God, that created the earth, came down to earth, in order to save people on this earth.

To not rejoice in this truth is to be lost from the saving Grace that is able to deliver us from all evil.

When time is no more and the curtain is lifted the truth will be known whether a person did, or did not heed this urgent need.

We have no excuse to blame someone else for not accepting what Jesus did so that we can be set free!

As that day approaches, every second also counts so that we may carry out what others have already completed.

It's a sad fact there are those that pretend to believe, yet do not follow, neither do they set a right standard, so that the weak minded can see that faith does make a difference.

Depending on who you are, each one of us has been offered the opportunity of making the greatest decision of a lifetime.

To accept is to never regret what is,
as well as what is to come!

Scripture

Joshua 24:15 And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

Take The Plunge

Some has been known to laugh at the thoughts of heaven and hell. Whether you think it's real or not, God has drawn the line on whether we will make it out of this life saved, or lost!

The decision is left up to each one of us, and the truth is, Jesus has power to remove all doubt! There is hope for those that take the leap into a journey that will land them upon streets of solid gold!

Once you take that plunge, there is no need to turn back, but every reason to carry on.

“By prayer and faith, we meet our Savior face to face.”

Those that have no peace and want to come to this fountain of truth, it's not too late. There's no time like now to be set free from the penalty of sin!

Scripture

James 1:22 But be ye doers of the word, and not hearers only, deceiving your own selves.

Time to Heed

There are some things that we don't understand and other things that we do. We should not let things worry us whenever we don't understand what the situation is. But, we should do accordingly as to whatever needs to be done in order to protect yourselves and others in spite of the circumstances.

Then once we have taken action we can move forward as to what needs to be done next.

Remember this also: Never be afraid of the unknown, but let God handle things which seems to be out of our control. We are only here for a short time, so why mess it up whenever there are so many opportunities to do right. We are not put here to control other people, but let God guide us as to what we should be doing until He calls us home.

The sad thing is that sometimes people just don't seem to learn from their mistakes and they go on repeating them.

What a terrible condition to be in, especially when you're not willing to admit it while not doing anything about it. God can get you back on track if you let Him, but you need to do something about whatever you're faced with before it's everlasting too late. Thanks for taking the time to read this message: Now be sure that you are also heeding it.

Make It Right

It's no doubt that much is going on every day. How much is good – how much is evil: God only knows!

Some have been known to start out a life of faith, but they were tripped up by their own lack of willingness to follow-through!

The blame all goes back to sin and self. Regardless of the temptation of giving up, the power to carry on in faith is greater than a life of flimsy excuses.

God will weigh it all out in the long run; however, that may be far sooner than anyone could think. This is not a tickle your ear religion. To reject what cannot be taken is to not accept what has been freely given! Salvation!

John 15:24: Jesus said: If I had not done among them the works which none other man did, they had not had sin: but now have they both seen and hated both me and my Father. 25: But this cometh to pass, that the word might be fulfilled that is written in their law, They hated me without a cause.

God Is Our Refuge

God has blessed this world with His perfect Word. This is telling us that in order for someone to not believe God they would have to think they know more than everyone else.

All of creation magnifies Jesus, however, when people willingly reject Christ, this shows that they don't want to believe in truth. Because of this, they hate Jesus without a cause. This also shows that they could care less about life.

Either way, when a person does not trust in the Lord they will pay the price for their sins. Our lives may not have always been on track, but we have far better things to do than to reject the living God. Someone will answer for His blood!

There's people that don't love others, but that shouldn't keep us from loving them. God loves us all in spite of what we believe, or don't believe. To accept is your decision.

Even greater than that; God is willing to save us regardless of mankind's downfall. Don't waste your time trying to explain away the truth. Trust Jesus and be set free from sin.

By giving into the truth you will find rest for your soul.
From there you can enjoy life for what it is. A Gift!

Eternal Victory

Someone described hope as being what we have left when reality fails. More than that, is this: Hope is what brings us back into reality once you let the Word of God take over, by faith!

The greatest victory we know of came after so many thought defeat was imminent! The cruelest symbol has now given this world more hope than all the material wealth could ever offer, or, give!

Jesus is that peace, even when confusion tries to take over. The cross and the open tomb have now given us more joy than any worldly pleasure could even imagine!

The reason the world seems to be moving so fast is because it is like a mudslide in a rainstorm: Everything is headed down hill.

When you slow down and walk with God, this is when you learn what direction your life is headed! Then comes, "Eternal Victory!"

God Is Good

God only has good to offer to anyone willing to take hold of His blessings. There are pleasures at His right hand for evermore.

All we *need* to do is realize that Jesus is our greatest *need*. In other words, "Don't stop believing." It may and does get tough out there at times, but God don't throw us out, He just holds us even closer when others are trying to walk over us. He's still there and will see you through your darkest hour. When it seems He's not there, He's there the most!

God knows your heart and feels our pain. The point is, God is giving that other person an opportunity to come out from their wicked and careless ways. Just pray a little bit harder, help is already there and victory is at hand.

If you don't have this peace, get it now and rejoice forever more!

.....

Psalm 16: 11

Thou wilt shew me the path of life: in thy presence *is* fulness of joy; at thy right hand *there are* pleasures for evermore.

Proverbs 10:7 The memory of the just is blessed: but the name of the wicked shall rot.

Freedom Is Real

We live in a country to where great freedom is enjoyed. To show how much you appreciate this freedom is to use it for God. It is certain that people do have the choice to reject the truth! However; to do so would be to seal your own eternal fate for rejecting Jesus Christ! On the other hand, we are free to accept Jesus, trust in Jesus, and to grow in Jesus. Otherwise; the greatest freedom we have is to tell others about Jesus. We came to this great country for spiritual freedom, and many people gave their life so that we can enjoy such liberty. Living in darkness is not what we are here for on this earth. The Word of God is what draws the line on truth and error. Freedom in Christ Jesus is the greatest of all freedoms when it comes to love, joy and peace. Those who do not want this type freedom will one day end up in bondage. Such bondage not repented of will quickly turn into captivity, and captivity will turn into judgment. Many people paid the supreme sacrifice so that we can have a safe country to live in and teach our children about Jesus. For this we say, "Thanks" to all those that did pay with their life for such a wonderful opportunity. As a result, their suffering was not in vain! Memorial day and everyday we should always be thankful for the true freedom we do have. And it's also right for us to be good citizens, and be a witness to others about this wonderful truth that has been given to us from God. Remember, freedom is free, but it ain't cheap. It was paid for by someone's life.

God bless you and may God continue to bless America.

Scripture and Message

Matthew 10:32 Jesus said: Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven. 10:33 But whosoever shall deny me before men, him will I also deny before my Father which is in heaven.

A Need To Believe

The most wonderful thing about salvation is, anyone can receive it. That is why it is called a gift, and not of works. Evidence of salvation is another lesson. It's good when you can show it by the way you live, however, those that are not showing it, they are not growing in it the way they should. The more you show it, the more you are going to want to let others know about Jesus. The less you show it makes it clear your faith is not where it should be in Christ. Either way, it is still a gift, and not anything that we deserve, or, earn.

Nothing we do compares to the finished work that was done on Calvary's cross, by Jesus Christ. To love others as yourself is to want to see others saved. Those who could care less about salvation are those who need it most. On the other hand: None of us will enter heaven without going through the blood of Jesus Christ. That is what makes it all a gift, for those that are willing to receive by repenting of sin.

Scripture and Message

2nd Timothy 1:7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

Paid For By Jesus

The simplest thing in this life is repent of sin. The most wonderful thing you can do is giving your heart to Jesus Christ. The greatest achievement that we could obtain is bowing our knees before a Holy God. The most beautiful gift in life is the love of God that has been offered to everyone through His Son, Jesus Christ. The most glorious truth is that, all this is real, and it has been written down in the perfect Word of God.

Another wonderful fact is that - if you're willing to accept this free gift, it will all come true in your life for eternity. If you have already made that decision, then you have truly found out what life is all about. Jesus Christ is the reason for every season and every day, from now, till eternity. If you haven't made that decision, it is urgent to do so now when it comes to the salvation of your eternal soul.

Scripture and Message

James 4:15 For that ye ought to say, If the Lord will, we shall live, and do this, or that.

Theater Of Life

God is able in every situation to carry out what needs to be done to achieve His purpose. We either line up our ways with His Word, or, His Word will judge our ways if we go against His will. This indeed does mean that God has the final say in all things that goes on upon this planet.

Note: Since this is God's creation, He surely has the right to give Himself authority over His own works.

We're either getting in tune with the Bible, or, we end up backstage awaiting the final curtain to fall in order to meet the results of our own ways! Then what?

This is no joke and truth is no game. We wonder why we suffer in a broken world of sin, but, many could care less that Jesus also suffered, yet, He never sinned! Well the answer to that is; Jesus did it for us so that we can find peace and joy over all pain and suffering! Then when this is over, we get to live with Him up in Heaven, forever more.

The good thing about it all, it's a gift. Amen to that! Keep on the narrow path!

Scripture and Message

2nd Peter 3:9 The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.

(Without Delay)

Now is the time for you to ponder what's happening in your life.

It's for sure that a person does have the right to make their own decision when it comes to their destiny. God will not stand in your way of rejecting His love, but He does warn of the consequences of evil and hate.

Rejection is very serious and it's no different than slamming the door in the face of God. We should be more thankful that God has an open door in order that we may drink of the water of life, freely! On the other hand, some folks have chosen a broad road that leads into destruction, rather than life-everlasting with Jesus.

If you have accepted Jesus, then may God continue to bless you for that decision: Otherwise, let us keep praying for others, in hopes that they will come to the knowledge of the truth before it's everlasting too late. Thank you for taking the time to read this, moreover, if you've never accepted Christ as Saviour, please take the time to do so, now!

Scripture

Romans 2:4 Or despisest thou the riches of his goodness and forbearance and longsuffering; not knowing that the goodness of God leadeth thee to repentance?

Time Is Now

The rights that we have been given by God are the same rights that cannot be taken by man.

Christians are not here to just warn a soul if they're lost - but encourage them as to how important it is to be saved. Although the Bible does say,

“knowing therefore the terror of the Lord, we persuade men:” This is telling others, once we're saved, we no longer have to fear torment along with eternal punishment.

Safe in the hands of God – this is where we want to be, now, and for eternity! Although God loves us, He still has a passionate hate for sin. Satan cannot change his ways now, but while upon this earth, you can, and if you don't know Christ, now is the time to come to Him and let Him give you power to repent of sin!

The Bible says “the goodness of God leadeth thee to repentance.”

Let God take over now and rejoice forever more!

Wonderful Gift

There are as many scriptures warning of darkness as it is speaking of light! Now is not the time to argue with others that are trying to tell you the importance of trusting Jesus Christ as your Saviour!

It is much more important to listen and give heed to the truth so that you can make an honest decision between you and God. The Word of God is not up for debate, neither is it a matter of anyone's opinion. The point is, God loves you enough to reach out to you in truth and that is why it's up to us to be willing to follow. The reason it's so important is because it depends upon the salvation of your soul. No one can accept for you, but others can offer truth to you out of love. Jesus is the one that did the finished work on the cross. The best thing that we could do is, give our heart to Him and let Him save us from our sins. Time is running out and there's no looking back once you surrender.

It is our prayer that you will accept this wonderful gift.

Are You Sure

The time is now and there's not a moment to delay! We are on a quest to carry out what needs to be done before the day is gone and darkness arrives!

Those that hold back are the ones who will not finish what God has given us to do before the door is shut. Faith in Jesus is not a passive movement - but a way of life in everything that is taking place.

These are the days of trial and triumph while the enemy is losing ground on every side!

As we proceed there is also a great need to remind people that their soul weighs in the balance of this desperate conflict!

Now is not a reason to ignore what blessings await as we move forward in this ongoing struggle.

Genesis 1:1 In the beginning God created the heaven and the earth. 2: And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. 3: And God said, Let there be light: and there was light. 4: And God saw the light, that it was good: and God divided the light from the darkness.

What If

God makes a way daily for us to go forth and do His will. All that He does is perfect and good. Goes to show, God don't make any mistakes. He has a plan for us all, if we obey His Word

Doesn't it make you wonder,

what if?

What if He held back and didn't carry out His wonderful plan?

What if God let discouragement set in?

What if He just said, "those people are not going to care for what He has done?"

Well, the sad fact is, many don't give God the glory and others just complain rather than pray and ask God for help.

My friends, we need to wake up and taste the cool-aid. One day all of this will be accounted for as to how we live and believe. What God started, He will finish! Go with His program then you can rejoice!

Psalms 90:10

The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength labour and sorrow; for it is soon cut off, and we fly away.

We're On Our Way

My thoughts about truth is this: "The blessings of God's love is what keeps us here: And what awaits us in the hereafter will fly us home to glory!"

We praise God daily for His goodness, but while here, till we do go home above: "We learn from our mistakes, we grow through our trials: We press on beyond our faults and failures... but, we cherish the good times and memories that we have: Then at the end of it all, We fly away."

Whereby some may see a deadly Tsunami, we as Christians should see a gentle wave.

Where some may see a mountain, a believer can see a hill of dust!

Where some may see a dark violent storm, a child of God is able to feel a puff of wind as it emerges into a bright sunny day.

We are not here to dramatize everything, but to simplify. We are not here to embellish, but to speak truth! Not to complain, but be content!

Just keep trusting God while helping others: And never give up, even if there is a major event.

Also: Be attentive, stay humble, and remain excited about what God is doing. Then when all is said and done;

We'll fly away to our heavenly home to be with Jesus!

He Is There

Though we cannot see Him, God is closer than a breath away. One of our more precious gifts is prayer.

God is there in the person of His Holy Spirit. God is there in a song, sermon, or testimony. God is there in the face of a little child. He is there telling others to come to him by faith.

Once we respond to Christ, He will use our faithfulness.

Trust is when we depend on God whether we understand His ways, or not. The good news is, He knows and understands each one of us.

Our God is able because He said there is no one greater!

All we do is believe and follow through with action, by surrendering our life to Jesus, fully!

Thank God for He cares!

Micah 7:19 He will turn again, he will have compassion upon us; he will subdue our iniquities; and thou wilt cast all their sins into the depths of the sea.

Exciting To Be A Part

God is not out to use your life against you. He loves us so much that words cannot fully describe such Mercy and Grace.

We have a calling to go forth while spreading hope and truth to a cruel, lost, and dying world!

God gave us our life as a gift, which is not to be wasted, or abused. Everything matters as to how we respond to this gospel message.

To do your part is to heed God's Word and apply His principals to your daily life. There's no time to turn back knowing that every second is being taken into account. God has given us this time on earth in order to learn more about His purpose.

Without Jesus as your Saviour, a soul will surely fall headlong into a pit of eternal darkness and corruption.

The Gospel is as pure as gold: There is nothing greater than living what you profess.

Because God loves us, He has also made it possible to show His love to others out of Christian faith. Today is that day to use this gift to offer hope to others that are in need!

Scripture

Ephesians 5:8 For ye were sometimes darkness, but now are ye light in the Lord: walk as children of light: 9 (For the fruit of the Spirit is in all goodness and righteousness and truth;)10 Proving what is acceptable unto the Lord.

Life Is To Be Lived

Someone once said, "Many people fear dying so much they never learn to live." This is so true and if you don't know what that means, it could describe your life. Get out of the rut and back on the right path. Life is full of excitement, not boredom.

We all have a song to sing and to leave earth with it left inside would be a loss. Someone else can't live life for you, let Jesus show you how. Faith will see us through. It's not too late, unless you give up.

Sure, there are bumps and bruises, but there is also comfort, joy and healing, by having faith. Sometimes folks wait to enjoy life later and they end up forgetting, life is to be lived everyday, to the fullest.

Someone else may not understand your situation, however, God does. He can deliver us from self-pity.

Giving your cares to the Lord can get you back on the right track. The power of darkness wants to hold you back, but Jesus is there to give us victory!

**Remember: "Beyond all the tears and pain:
There's always sunshine after the rain."**

James 4: 14

Whereas ye know not what *shall be* on the morrow. For what *is* your life? It is even a vapour, that appeareth for a little time, and then vanisheth away.

On That Day

While looking out the window at the snow, it reminds me that every flake is different. God took His time to fashion each delicate flake the way He wanted it to be.

If you relate each snowflake to us, then in some way we would be the same. Each of us is different, and we are designed by the same God. That may not matter to some people, however, it sure does matter to God. Just like the snowflake, it is here for a short time and then it melts away. What is your life, but like a vapor, we are here and then we vanish away. To not make the best of the precious time that God has given us is a waste of life itself. Although we are fearfully and wonderfully made, some people neither fear, or respect the One that made them. God did not put us here by accident and we sure are not to accidentally think that we're going to ignore Him and get through this life. Everyone will still one day stand before God and give an account of each second that they spent on this earth. That should make you very excited and thankful for the God who cared enough to put you here. If it don't then you need to tremble, for one day soon you will answer to Him. We're not trying to scare you; we just encourage you to give it all back to God. Then you'll be ready on that day.

"Come quickly Lord Jesus!"

Scripture

Philippians 4:19 But my God shall supply all your need according to his riches in glory by Christ Jesus.

20: Now unto God and our Father be glory for ever and ever. Amen.

Thank You

Thank you for taking time to read this encouraging message. God loves you so much and what He has done for us is beyond description. He can and will meet your every need. The greatest need we have of all is, salvation. Christ offers this gift to us because of what He was willing to do on the cross. The entire Bible has been written so that we can believe there is a God that is here to see us through. Jesus is that Saviour and He will also draw you closer to Himself by surrendering your heart to Him. Also, when we depend upon His truth, this teaches us what a caring God we have. Once a person accepts Christ, He will reveal His love and truth to you by His Spirit. It is my prayer that you have already given your life to the Lord. Jesus is the answer and He can solve every situation in your life by just having faith in His Holy Word. Thank you for listening.

Scripture

Matthew 6:19 Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: 20: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: 21: For where your treasure is, there will your heart be also.

Gospel Pathway

Part I

We all have a purpose, along with a message. The greatest story ever told is still being told. Sad to say some that are telling it don't take the time to live it. Those living it can't help but want others to know the Word of God.

Part II

Without a reason a person loses hope, as well as direction. When we practice the truth, good habits also follow. The greatest of all habits is when you can't get enough of God's Holy Word. From there we become stronger in faith while overflowing in love. My prayer is that you are walking in the light of Jesus. Everyday matters as each second draws us closer to that day our Lord is coming to take up to glory! Stay on the gospel path while trusting God to see you through!

Romans 6:23 For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.

Forever Saved

The reason that we are being told the importance of trusting in Jesus is because your soul is precious to God. The Lord has made a way that you may come to Him and receive the help you need while upon this earth. The good news is that God will not use your past against you. Just remember, Jesus has made it possible that we can be saved from the ways of the evil one.

It is very obvious that judgment is spoken of throughout the Bible, but that's not the end of the message. Jesus nailed our sins to the cross so that we can be set free from any guilt.

Once you experience this change we learn that it is all because of the love of God we've been given such a perfect gift. To turn down this gift would be the greatest tragedy that could ever happen in your life for eternity. All evil was conquered at the cross of Calvary where Jesus died for the sins of this world. It's up to us to accept this truth and be saved for evermore.

Philippians 4:6 Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. Verse7: And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

Let Faith Take Over

Not everyone is out to give glory to Jesus: But as long as you know that you are, and that you're pointing others to Christ, you need not fret.

More the pressure, greater the peace. There is no victory without a battle. There is no hope without first feeling despair. However, when we take it back to God, His Spirit gives us peace to carry on.

When your mind tries to control how you feel, faith is being pushed back. When faith takes over, the Spirit then moves you forward. That's when the evil one flees, in spite of his meager efforts!

Jesus Christ is to be glorified no matter whether others like what you do, or not. That is what the Bible means when we are being taught to "Keep pressing on in Jesus."

Loving The Truth

There is so much to praise God for, but we must get started by casting our cares upon Jesus. The Bible says, "Perfect love casteth out fear."

If there is something trying to intimidate you, then you need to stay calm and keep praising God anyway. Some people don't like to take medicine, or get a shot, but they do like to get better as a result of it. Things will get better for you if you just keep trusting, even when we don't feel like it. Let God take your worries on His shoulder, as long as you know that you are obeying His Holy Word.

My prayer is that you have found great peace while loving the Lord with your whole heart. Remember this also, "Some hates those that love, but love destroys hate." Are you growing in this love and have you put your trust in Jesus?

Scripture

Matthew 5:13 Ye are the salt of the earth: but if the salt have lost his savour, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men. 14: Ye are the light of the world. A city that is set on an hill cannot be hid. 15: Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. 16: Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.

God's Way

By having faith in Jesus we are able to get victory over our wants and fears. When Jesus takes the place of self, evil and pride must quickly part! As we grow in the Lord, it is then we seek more of Jesus and less of the sinful ways of this world.

Remember, the flesh wants what it wants; the Spirit meets our every need. It is God's way, or else, the broad way. God's way is right and any other way leads into destruction.

We all should want our life to count for truth and the only good in this life is the truth of Jesus Christ. This means that everything outside of the Word of God is indeed headed into judgment. The only safe place is having true peace with a perfect, Holy God!

Give Your All

As we live from day to day we should have a testimony to offer to others. God can use faithfulness and with such ways we have a mission to carry out.

We are not here to just please ourselves, but to glorify a loving Saviour. Jesus came here to give His life so that we can give our life to Him.

When Jesus is being given the praise for your life others are being pointed to His Word in hopes they will find true peace. Without Jesus a soul is bound by sin and darkness, however, because of God's Grace there is hope to come out from darkness into the light of God's love.

To give your all to God is to have all you need in Christ. Being in the will of God is worth more than anything this old world could ever offer, or give.

1st Peter 1:6 Wherein ye greatly rejoice, though now for a season, if need be, ye are in heaviness through manifold temptations: 7: That the trial of your faith, being much more precious than of gold that perisheth, though it be tried with fire, might be found unto praise and honour and glory at the appearing of Jesus Christ:

Beyond The Battles

Do be aware that God will allow us to experience pressure in order to refine us in His Word. If someone is not in the Word, the enemy will try and trip us up until we get our eyes back on Jesus.

To deal with anything on your own will land you under more pressure than the situation itself. Don't fret, be calm, but stay on guard!

There are some that do demise your hurt, however, God will give you peace in spite of the confusion that surrounds you. Take counsel also if necessary.

You may get so up tight at times, but
"Grace under fire is a testimony of faith"

Remember also, God allows such a trial so we can draw closer to His Son, Jesus. Stay on the firing line and don't forget to rejoice!
God is a care, tear, and prayer away!

Scripture

1st John 2:15 Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. 16: For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. 17: And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever.

Carry On Into Light

The world is doing all it can to make it look as though sin is a normal act. At the same time this old world tries and make those that do right, seem to be wrong in every way!

The question is, Which is best... made to look wrong and be right, or made to look right and be wrong? Depending on who you are will give you the answer to such a thought.

Moreover, the saddest fact is, people of this world will write their own set of rules as they go. Truth, along with accepting responsibility has nothing to do with a sinner's decision once pride sets in.

A believer's decision is to be based upon a book many don't even think matters. On top of that, we must continue to love others in spite of them rejecting the Bible.

God's light will ultimately expose all darkness and evil. Deception is a painful thing, but truth will prevail!

Scripture

Joshua 1:9 Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee whithersoever thou goest.

Just Be Happy

It may seem strange, but there are those who would want to make you miserable other than see you happy. They willingly don't know better. On the other hand, there are those that would rather see you saved and serving God, rather than lost and undone.

If someone is trying to make you miserable, be happy anyway. A person can get happy just as easy as being mad if they are willing to repent. A Christian is even told to "*rejoice* when being persecuted for righteousness sake." It doesn't seem pleasant at the time, but you'll get used to it. Just give it all back to Jesus.

Why be sad anyway when someone else refuses to be happy? Circumstances of this nature don't make sense because it is caused by a lack of love and kindness.

So the solution is, be happy anyway and continue to rejoice in hopes others will find the peace of Jesus. Then, once they are changed, they too will want to see everyone else happy. There's hope for us all but don't waste time you can never replace!

Scripture

Joshua 1:8 This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.

Brighter Days

What is an obstacle? As long as we are not the one putting it in the way that means an obstacle is just a temporary barrier.

Such conditions can happen suddenly, or they can come over a period of time. Otherwise, now you see it, then it's gone!

God can move them just as quick as they appear. Sometimes it may take a little longer, but growing pains is a part of it all.

Nothing so great can happen to where God can make it seem very small. Even the hardest of trials can become the greatest victory. It's hard to understand at the time, but in the long run, God will be there to see you through.

The dark clouds will soon go away; afterwards, the fruit will appear. Brighter days are already here. Open your heart and you will feel them.

Scripture

Ecclesiastes 12:10 The preacher sought to find out acceptable words: and that which was written was upright, even words of truth.

Ecclesiastes 12:11 The words of the wise are as goads, and as nails fastened by the masters of assemblies, which are given from one shepherd

More Than Can Be Imagined

We have a God that knows our ever need. Whether we are on the mountain, or in a valley, He is a God that is always near. Everyday is a gift to know we are eternally blessed.

Here on this earth we have been offered to receive a gift that is perfect and free. Jesus paid that price so that our sins can be forgiven. To have such a gift is to receive eternal mercy in the place of Judgment.

God's love is so powerful, it is far more than we can imagine. To give us life and to meet our every need is a blessing within itself. Anyone not wanting such love and hope would be the cause of their own downfall.

Jesus came to give us life, and to give it more abundantly. This old sinful world is doing all it can to take from our life. Once Jesus passes by that is the time to take hold. You never know when that last second is going to arrive.

There will be a day we all must give account of our life to God. Don't waste what God is willing to save, your soul!

A Way To Be Sure

Often as you witness, some will say, “you can’t really know whether you’re going to heaven, or not.” Wrong!

There is a way to be sure. First, you must give your heart to Jesus, willingly. Then, once you accept Salvation as a free gift, God’s Spirit comes to live in your soul forever more! Then grow in the Word, daily and witness.

Know this as well, that if you refuse to repent of sin, this shows you are not interested in the only way your soul can be eternally saved. It’s your decision.

There’s nothing to argue about, neither is it hard to figure out. Jesus came here to set us free from sin and self. If you want to come out from evil, God will give you the choice. To choose staying as you are, you end up condemning yourself. What a waste of life!

You must be willing to take the first step; Afterwards, God will bring you the rest of the way. Reach out to Christ and say, yes! Now is the accepted time...

Matthew 10:32 Jesus said: *Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven. 33: But whosoever shall deny me before men, him will I also deny before my Father which is in heaven.*

Come To The Cross

Lot’s of folks are looking for a so-called escape these days and times. False religions, illegal drugs: Gang violent, pornography, and drunkenness. It goes on and on, but one day it will all come to a sudden end!

The only safety there is in this life is getting ready for the life to come. Although sin and darkness is raging, the light and love of Jesus is growing more stronger the closer we get to that day!

What now is faith will one day be sight! “What a glorious day that will be when Jesus Christ we shall see!”

Come and join us if you really want to have peace and assurance in Christ Jesus!

There’s nothing to be ashamed of except sin, and Jesus took care of that upon “Calvary’s Cross!”

Scripture

“Exodus 20:12 Honour thy father and thy mother: that thy days may be long upon the land which the LORD thy God giveth thee.”

Blessings Of Each Day

To honor your parents is right, and when we do so, this points others to the right way of living. If you can't show love to your parents, then you can't love others the way you should.

From there, we grow in faith as we continue to walk in our faith. What a blessing this is because, “Without Jesus you can do nothing!”

God is also our Heavenly Father and when a Father, or Mother has gone home with Jesus, we can look forward to seeing them again in glory.

They will be missed, but we must honor them while here, then, by us trusting in Jesus, we will one day be together again up in Heaven.

Don't let the circle be broken... live for Christ.

Scripture

2 Corinthians 5: 7 (For we walk by faith, not by sight:))

Know This

Some things we know because of what we have seen:
Other thing we accept by faith because of what we don't see, but hear.

The difference between knowing, or having faith is accepting what the Bible says over what we don't know, but believe.

This is a blessing because this shows we do trust God regardless of our lack of knowledge.

As we grow in Grace and knowledge we receive more understanding as we draw closer to God in faith.

There's no end to what we can learn about our Saviour: And, more we seek Him, the more God reveals Himself to us, through
His Son.

Again, it's what we don't know is what saves us. God raised Jesus from the dead; we don't know how we just simply believe it.

Scripture

John 1:14 And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

A Matter of Eternity

The main difference between false teachings and true belief is the trinity. "God was in Jesus reconciling the world unto Himself."

Many, so-called religions say they trust in Jesus, However, they don't believe He is God in a fleshly body.

God can be everywhere at once: God can see the end as easy as the beginning. On the other hand, He has always been and is the only one that can save us from sin and destruction. God came to earth in His Son, Jesus.

The Bible says, "The Word became flesh and dwelt among us:" John chapter 1:14. To reject what the Bible says is to turn away from truth. To add, or take from it is another way of twisting the Word. Either way, you need to be saved and freed from sin, then you can find true peace in Jesus. This is a matter of eternity.

Scripture

Acts 3: 14 But ye denied the Holy One and the Just, and desired a murderer to be granted unto you;:15: And killed the Prince of life, whom God hath raised from the dead; whereof we are witnesses.

The Way Of Truth

A sad reality is that many are guilty of total disregard of who Jesus is and why He came to this earth!

What took place when Jesus came the first time also applies to the here and now!

A soul can go on blaming God for their downfall, or take action and depend on Jesus to save them from Self-destruction!

If you are waiting on a miracle, then one has already happened! Jesus arose from the grave! Another miracle is when you accept!

They tried to kill Jesus, but His love and power overcame Satan, alone with death and hell. *The only way of truth is, Jesus!*

It's up to us to submit, or else!

Scripture

Romans 8:24 For we are saved by hope: but hope that is seen is not hope: for what a man seeth, why doth he yet hope for? 25: But if we hope for that we see not, then do we with patience wait for it.

Eternal Hope

To be the person that God made you is to let His love shine through you. To refuse such a gift is to not reflect His light to others. Then, where is your testimony?

Once someone was told, “ For every need there is a purpose just like for every action, there’s a opposite and equal reaction.

Nothing happens by accident, although we were not aware of what was about to occur. Then what?

God already knows, for He can never be caught off guard.

Otherwise, we should not let what we don’t understand come before our trust in Jesus Christ.

In Christ are all the solutions because faith is our greatest victory! Give everything back to God and don’t let what you don’t understand rob you of your eternal hope.

Scripture

Romans 8:18 For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us.

Pressing On In Faith

There is no trial so great that God will help us to overcome! “Only believe.”

Sometimes people let feelings take control, rather than truth. A trial is only temporary not permanent, but the Word of God is eternal.

The Bible is the way to find direction in your daily life. Any other way causes even more heartache. Keep praying.

To put off what is inevitable is to reject what is needful. A delay in trusting God is a nosedive into all out chaos and confusion.

To be centered on getting help is to put God in charge first of what must ultimately be done.

Our greatest blessings often come in various ways: And one of those ways is learning how to give God time to do His part.

To press on when being hindered is to not give up on what God is getting ready to do!

Scripture

Romans 6:23 For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.

Speak Truth In Love

Just because a person says they don't believe like we do, that sure don't clear them with God. The question is, does a person believe in what, "Thus saith the Lord?" God knows our heart.

When someone is speaking the Bible in accord with God's Word that's what makes that person a true witness. To reject the Word and think truth don't really matter, that makes a person unstable and careless. The Bible says, "Consider your ways."

A true witness, stands on truth, lives it by faith, and speaks it in love. The rest is in the hands of the Lord to judge!

Scripture

Psalms 9:17 The wicked shall be turned into hell, and all the nations that forget God.

True Freedom

There is so much to be thankful for in this life. On Memorial Day we are thankful for those who paid the supreme price for our freedom.

Thanksgiving day we thank God for His bountiful blessing of the harvest.

But when it comes to Easter, we show Jesus how thankful we are for our Salvation.

Sometimes people celebrate freedom and liberty in the wrong way. God never approves of sin, especially considering the consequences.

In other words, sin is a choice which is an intentional disregard of the Word of God.

The truth can set you free from sin and self. However, a person must be willing to put their trust the Lord in order to get victory over sin. Waiting around is a deadly risk!

True Freedom is today!

Scripture

1st Corinthians 10:13

There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it.

Victory Is Yours

Sometimes a person can worry to the point of really becoming endangered. We all should be concerned, but to fret over what may, or may not happen is a time bomb waiting to be lit!

It's one thing to imagine the worst, but to give in makes it even worse than what it is. Either way, hope and faith always prevails over such ways!

To have peace is to look beyond the fear that tries to become more real than what it really is.

We are here to give glory to God; from there God gives us every reason to carry on, in spite of our doubts and fears.

Whatever you are seeking, it will find you if truth is your reason for life. There is a way to get help; otherwise, to give up is worse than whatever is trying to make you afraid. Just don't look back, victory is for certain!

Scripture

Philippines 2:10 That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; 11: And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.

What's In A Name?

A name represents personality. A name can also represent ideas and purpose. That is why the name of Jesus is so wonderful. There's no one like Jesus.

Jesus is the express image of His Father. Jesus has a plan to bless people, use people, but most of all to save people.

Jesus gives purpose, along with fulfillment. Without His Spirit you have no real life in you. Without Jesus your life does not have any direction. With Jesus we have a promise of eternity in Heaven.

God sent His Son to this Earth to give our life an identity. To trust in Jesus is to believe His truth. To live for Jesus is to rejoice in His Word. To tell others about Jesus is to grow in your faith.

The love of God also gives us joy and peace. The Bible says Jesus Christ is the same yesterday, today, and forever. When you give your life to Jesus this will also change your life forever.

Only thing anyone needs to be ashamed of is sin. That's why we need to be forgiven. Faith over self is our victory!

Stay in tune with Jesus and He will give you strength for the journey. Have you made that decision?

Scripture

Philippians 4:19 But my God shall supply all your need according to his riches in glory by Christ Jesus.

God Bless You

There is more to be thankful for than it is to complain about. We have no idea what a gift it is to be used by God. He has so much in store for us, but the time to get started is now.

Jesus is not trying to take from us; He is giving of Himself each day so that our life can be fulfilled. To not trust Jesus is to be your own enemy.

There's more to life than living for self.

The only thing God wants to take from us is sin and evil. Darkness is a horrible force and has nothing worthwhile to offer, but misery.

The Love of God is perfect and pure: It's also something we need everyday.

All power is in the hands of our Saviour, Jesus Christ. Anything outside of God's will is emptiness and confusion.

The after-life will be determined by the here and now. Prepare to meet thy Maker!

All So True

You have heard how folks will say “*All So True.*” when they hear something they agree with.

Such a statement may be in line with what people pretend to believe, or think, but is it in line with the Word of God?

Someone may agree with what a person says in one case and it could be totally untrue what he, or she is agreeing with.

In other situations, one person could be speaking about the truth and another could end up saying they disagree with what the Bible is saying.

Not everything a person is agreeing with is always right. In some cases it could be a two-faced lie. Be not deceived.

Weigh it out first with truth before agreeing with just anything, then you can say, “All So True.”

Like someone once said, “If you don't stand for truth, you'll end up falling for anything.”

Scripture

Hebrews 11:1 Now faith is the substance of things hoped for, the evidence of things not seen.

Special Recipe

For something to hold together it needs the right substance. Without the right ingredients there is no recipe. To build upon a solid foundation you must have the right footing.

All these things are telling us that the Bible is the manufactures handbook for life.

*Faith is the right substance to keep you together.
Love is the right ingredients to give life flavor.
Truth is the solid foundation that keeps you stable.*

From there comes true peace, joy and hope. God is there to give us purpose in whatever we do. We must be willing to obey.

Happy Shopping....

Scripture

1st John 1:6 If we say that we have fellowship with him, and walk in darkness, we lie, and do not the truth: Verse7: But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin.

Respect Is Real

We are either following the truth or sidestepping. To side step truth is to put off what needs to be done now. This is not just a saying but also a matter of eternal life.

For your life to be complete we must practice what is spoken in God's Word daily. This is what it means to "walk in the spirit."

God allows us to have a clear conscience by obeying Jesus. When we wander off from God we bring pain and guilt upon ourselves.

Scripture

Colossians 3:16 Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.

Get To Where

While upon this winding pathway it's obvious that our lives are headed ever upward, or quickly downward. Either one way, or the other, God knows. It's up to us to stay on the right-path.

We are not here to satisfy our own ego, or get credit for ourselves. Jesus is the purpose of life. Giving God all glory is the only reason we can achieve anything in this old world.

Making the best of everyday is also a gift because God don't owe us anything: We owe it all to His Son, Jesus Christ.

As people, we must *get to where* God would have us to be in order to do what needs to be done. This is a calling as well as a mission.

Getting, being, and staying involved, that's our part. Don't ever hold back!

Scripture

Matthew 5:3 Jesus said, Blessed are the poor in spirit: for theirs is the kingdom of heaven.4: Blessed are they that mourn: for they shall be comforted.5: Blessed are the meek: for they shall inherit the earth.

On Course Daily

Whatever troubles us this could also be what's telling us to trust God, even more. God is not looking at our past ways but our present spiritual condition. The world lives in the past and doesn't see its downfall.

After being saved, you realize the danger that was, but, we rejoice in the peace that is. No matter what others may say, or think, it's their life that is in jeopardy each second for rejecting God!

We as believers should use every ounce of faith and strength to keep warning the lost of their serious situation. Time is fleeting – souls are crying out!

Keep surrendering daily to the Saviors will: Then by doing so, not only can we realize that God loves us, but He loves and is willing to save the lost as well.

Let God's peace be known in whatever you do: Also keep speaking the goodness of God to all that will give heed to this message. The best that could happen is a loved one, or a friend could get saved from sin.

It's not too late to be a part of what God has already called us to do. Stay on the path of truth, daily.

If you are doing this already, then praise God!

Psalms 8:9 O LORD our Lord, how excellent is thy name in all the earth!

Psalms 9:1 I will praise thee, O LORD, with my whole heart; I will shew forth all thy marvellous works.

Nothing Better

As we go through life there's nothing better than knowing we are saved from sin. Once you accept this free gift, we learn by faith that Jesus is the reason for life. Everyday is a gift and we thank God for giving us hope where we could have saw devastation and death.

The next best thing to being saved is telling someone else. There's nothing complex about that, you just do it. Otherwise, The best thing that can happen to anybody is they also call out to Jesus for salvation. God loves us all.

Anywhere we go there is someone out there that wants to see their friends and loved ones trusting the Lord as their Saviour. Jesus is the one that gives us that reason to carry on. This world is going down rapidly, but the children of God will soon meet the Lord face to face!

Are you ready for that journey to the great beyond?
There's no time to waste, get ready, or be left.

Waver Not

Sometimes you hear of a person that once lived for God, and then turned back. There is no reason for such ways... let along an excuse. You can't blame someone else, or else, you become no different than they are.

The main thing about faith, is, not that you have it, but that faith has you. Faith can save us, bless and strengthen us: Faith can give us peace while teaching us how to stay honest.

To put on a front is to expose your folly. To mean business with God is to show your sincerely. Time will tell whether you are true to the faith, or whether you are side stepping the truth!

Either way, God knows if you are real when it comes to being true to His Word. Just pretending to be saved could land you in more trouble that you were before you went through the motion. This is a travesty!

Turning away puts a soul in more trouble than they can realize. Be real and stay honest in what God has done for you. Then, never turn back!

Scripture

Colossians 3:16 Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.

Get To Where

While moving down this winding pathway of life it's obvious that we are headed ever upward, or quickly downward. Either one way, or the other, God knows. It's up to us to stay on the right path.

We are not here to satisfy our own ego, or get credit for ourselves. Jesus is the purpose of life.

Giving God all glory is the only reason we can achieve anything in this old world. Making the best of everyday is also a gift because God don't owe us anything: We owe it all to His Son, Jesus.

As people, we must *get to where* God would have us to be in order to do what needs to be done.

This is a calling as well as a mission. *Getting*, being, and staying involved, that's our part. Don't ever hold back!

Scripture

Joshua 4:23 For the LORD your God dried up the waters of Jordan from before you, until ye were passed over, as the LORD your God did to the Red sea, which he dried up from before us, until we were gone over:24: That all the people of the earth might know the hand of the LORD, that it is mighty: that ye might fear the LORD your God for ever.

A True Gift

To take what is not yours to keep is like telling someone, they owe it all to you, rather than it being a gift.

People are doing God the same way. They take what is His while thinking that He owes it all to them.

God is more willing to give to us what can't be taken, rather than us take from Him what we cannot afford.

Eternal life is a gift all because of Jesus: However, to have this gift we must reject what tries to take the place of God's Word. Sin is no friend of anyone, this you can be certain of. Our greatest need is Salvation!
Amen

No doubt there is a decision we all must make. Others can reach out, but only you can accept. Once receiving Jesus, there's no more reason to be ashamed of such a loving Saviour. Now is the time to follow Jesus in faith.

*Psalms 31:15 My times are in thy hand:
deliver me from the hand of mine enemies, and
from them that persecute me.16: Make thy face
to shine upon thy servant: save me for thy
mercies' sake.*

Onward In Love

The precious time we have is not to be wasted fretting over what time has already been lost. God will take care of the past, but the present is within our ability to utilize. There is not a second to delay!

Onward in love by giving glory to Jesus for all that He has done for us. We have more opportunity to lift up His name daily, but soon that time will be over on earth! We are nearing our destination!

When Jesus returns, there will be rewards for the faithful. Otherwise, to exist for just self is a wasted life, with no purpose, or direction. What a disgrace, as well as a terrible shame!

Witnessing Jesus is a true blessing and the reward for that are souls being added to the Kingdom.

All this we just covered is determined by how much of our time and efforts we give back to God. The results are far greater than our worries.

Again, onward in love, then afterwards, it will be worth it all. Glory to God His perfect Truth!

Please Take Time

What we have been told is what God has revealed. The light of Jesus has come so we can now have hope. Everyone is offered this perfect love with a joy beyond description. Only believe, then you can receive.

The need to seek is now, as the last trump gets ready to sound where Christians will soon be going up! The Word of God is being preached for all to know about this amazing event. Jesus Christ is coming soon!

Let us all rejoice for it has been foretold that the return of our Saviour will quickly be! Jesus has made a way for He is the foundation of life. Only Jesus can set you free!

“Come, behold God’s glory forever more!
We shall meet Him on that glorious shore!”

On clouds of glory He shall gather His people. Only those who have made preparation will experience such gladness. The invitation has now been given. People get ready!

Romans 10:17 *So then faith cometh by hearing, and hearing by the word of God. Verse 8: But I say, Have they not heard? Yes verily, their sound went into all the earth, and their words unto the ends of the world.*

God Gave The Choice

We all have a purpose, but some folks are not seeking out what God has put them here to do. As we live from day-to-day, it's our personal responsibility to surrender our heart to Christ.

To begin with, we all should realize that trusting in Jesus is an urgent decision. To ignore that calling would be to put off, or reject the Word of God. Then what? There will be a day of reckoning.

Salvation is a free gift, but it's not cheap. Christ paid the supreme sacrifice so that we can have eternal salvation. A soul is lost without Jesus.

Once we trust Jesus by faith, from there things will fall into line as you follow Jesus daily. Our greatest need is salvation; then as we grow, we can have complete assurance. Afterwards, we learn to serve our Saviour, with a pure and faithful heart.

God gave the choice; surrender your all, then never fret over tomorrow while rejoicing in knowing our debt for sin has been paid! What a blessing. Keep pressing on in Jesus and tell others along the way.

No Guessing

Your life is so important that God came here Himself to make a way. You never need to look back once you find that narrow path. Pressing on is a daily need because souls are searching for a message of hope.

We are vessels to God's glory as well as "living love letters" for the sake of Christ. Everything is being made ready for what is to come, but we get there one prayer at the time. We have no reason to give up. The finish line is nearing. There's no guessing when it comes to truth

If you have wronged someone, they will forgive you if they are truly a Christian. If they don't then they need to be saved also. When a soul repents of sin, God no longer will hold that sin against us for no reason. Man will, because they look for someone else to blame for their evil ways. God's Grace will see us through.

Everyone must take responsibility for who they are, and what they believe. Get it right now!

Tomorrow can't wait!

Scripture

John 6:40 Jesus said: And this is the will of him that sent me, that every one which seeth the Son, and believeth on him, may have everlasting life: and I will raise him up at the last day.

Decision Time

No matter what anyone thinks, we cannot hold back the inevitable. One day we will meet with our maker. Whether someone believes in God, or not, there will come a day that will determine our eternal destiny. Decision time is now, not afterwards.

It is much better to know that your Maker is also your Saviour before leaving this earth.

Jesus is His name and putting off His purpose will land a soul in a deep pit of confusion. Then what!

This is not here to make you mad, but to reach you: Christ Jesus wants you to have assurance of Salvation before it's everlasting too late.

Not only is the bible a perfect book, but it's a time calander. Because of this, we are told that there is a decision we all must make concerning Jesus

Either we accept God's Word over self, or else destroy self by putting sin over the Saviour.

This is not a game!

Going Places

Within this life we have so much to do, our minds can't take it all in. Folks to meet, places to go, and so on!

We can make the best of life, or a mess of life. It's all in how you put your faith into practice.

Some has waited to find out about Jesus later, some have already surrendered. The sad part is, many have waited too late and they will never get another chance to start over. What a terrible waste!

Wisdom has a lot to do with how you live, from there you grow in truth while seeking how to use what you have learned.

All the knowledge in the world don't get you one step into heaven. We must have faith in the One who is above our understanding!
Jesus Christ.

The time to find this out is now,
God will show you how!

It's Your Decision

We are given only so much time upon this earth. The next stage is far different. Time is at hand, people get ready!

Those that remain are the ones that have every opportunity to live for truth. Those that have gone on, the time to give account have begun. Anyone of us could be next, then what?

To leave this physical body, the soul of a believer goes immediately into the presence of God. On the other hand, outer darkness is where a lost soul will go to receive their just punishment. A Holy God doesn't bless sin.

Some may ask, is there a fiery pit there in all that darkness? Well, the best thing is trust in Jesus and you won't have to find out how hot it is in such a horrible place. The Bible needs no correction. God's Word is the final authority!

It's better to get ready for eternal joy and peace in heaven with Jesus. God offers a perfect gift so no one has to ever fear going into perdition. Our only hope is Jesus Christ.

You can have such peace now, but it only gets better as you prepare to enter your eternal home in glory!

Some may say, a loving God won't send a soul into destruction. Rejection is a personal choice. He gives people reason to repent. Don't blame God if you perish!

Revelation 20:15 And whosoever was not found written in the book of life was cast into the lake of fire.

Revelation 21:1 And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.

Setting Sail

Before heading out to sea, a sailor must plot a course before departure. Afterwards, careful inspection is necessary to determine that their craft is stocked and secure. Once sea worthy, off they go for smooth sailing. What A Journey!

Even when upon the open waters you still can be hit with unknown factors. That's where determination and perseverance comes in.

My friends, we are somewhat like this in life. However, God is aware of even the unforeseen incidents, which could occur within a moments notice. That's where faith comes in.

When we have faith in Jesus, that's how we get help over what we cannot handle on our own.

Then from there, you become ready for anything!

How It's Made

Everything we create has a design along with a purpose. The material we use determines the quality of any product. Nothing that is created puts itself together by accident. It takes a person with the skill to do the job. Then comes achievement!

Same with creation, God had a plan when He created us. He put everything around us for a purpose. It also takes God to keep everything in motion. Life is a gift for all to enjoy. What are your priorities?

To think we can make it without God is trying to take credit over His Mighty works. Wrong move!

Once you come to your senses, this is when we are awakened to what really has happen!

After sin came into this world, God gave us mercy so that we can do things His way, or else you lose your direction in the vastness of this universe.

We cannot make it on our own. Jesus came here on a rescue mission. Christ overcame our darkness with His light. Jesus is our only hope for eternity!

The Word of God is how it's made and it's God Grace that holds us all together!

Hebrews 11:3 *Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.*

Faith Over Science

Nearest star is 25 trillion light-years from earth. Traveling at the speed of a spacecraft, it would take ten-thousand years to reach that star. WOW!

Light travels a million times faster than sound. This means light can travel seven-times around the earth in one-second. What a trip!

Now they have a phone named "Galaxy" Beer named "Light" And a Computer program called, Word. What is the meaning of this?

First of all, there is no way to get a Galaxy in a phone: No light comes out from a can of beer, and "The Word" is what God used to speak creation into existence.

Considering that time is relevant and space has been bent by the Creator: People need to bend their knee to worship this Holy God. Jesus is the Way, Truth and Life.

Best way to get the most out of all this unlimited power and beauty; surrender to Jesus by faith, then put truth over science, knowledge, and over life itself.

Jesus Is Why

God is doing everything possible to encourage others to come to Jesus. God has been good to the undeserving, kind to the unruly: He has been outpouring to the unthankful.

This almost don't make sense, especially when some people don't give God a second thought, let along their entire life.

And that is what God wants, your life. Give Jesus your sin and you receive Salvation. Give Him your hated, then receive His love. Give Christ your brokenness; He will make you whole, by His Grace. What a perfect deal!

Jesus is why we can call on God. Without Jesus, darkness will consume a soul forever.

With Jesus, evil must let go as the light of God overtakes your entire being!

There has been much breakthrough in science and technology lately, but when Jesus breaks through into your heart, life begins forever!

Psalms 31:15 My times are in thy hand: deliver me from the hand of mine enemies, and from them that persecute me.

Scripture

John 15:24: Jesus said: If I had not done among them the works which none other man did, they had not had sin: but now have they both seen and hated both me and my Father. 25: But this cometh to pass, that the word might be fulfilled that is written in their law, They hated me without a cause.

All About Life

God has blessed this world with His perfect Word. This is telling us that in order for someone to not believe God they would have to think they know more than everyone else.

All of creation magnifies Jesus, however, when people willingly reject Christ, this shows that they don't want to believe in truth. Because of this, they hate Jesus without a cause. This also shows that they could care less about life.

Either way, when a person does not trust in the Lord they will pay the price for their sins. Our lives may not have always been on track, but we have far better things to do than to reject the living God. Someone will answer for His blood!

There's people that don't love others, but that shouldn't keep us from loving them. God loves us all in spite of what we believe, or don't believe. To accept is your decision.

Even greater than that; God is willing to save us regardless of mankind's downfall. Don't waste your time trying to explain away the truth. Trust Jesus and be set free from sin.

By giving into the truth you will find rest for your soul. From there you can enjoy life for what it is. A Gift!

God Has A Plan

What's in a name? A name represent personality. A name can also represent ideas and purpose. That is why the name of Jesus is so wonderful. There's no one like Jesus.

Jesus is the express image of His Father. Jesus has a plan to bless people, use people, but most of all to save people.

Jesus gives purpose, along with fulfillment. Without His Spirit you have no real life in you. Without Jesus your life does not have any direction. With Jesus we have a promise of eternity in Heaven.

God sent His Son to this Earth to give our life an identity. To trust in Jesus is to believe His truth. To live for Jesus is to rejoice in His Word. To tell others about Jesus is to grow in your faith.

The love of God also gives us joy and peace. The Bible says Jesus Christ is the same yesterday, today, and forever. When you give your life to Jesus this will also change your life forever.

Only thing anyone need to be ashamed of, is sin. That's why we need to be forgiven. Faith over self is our victory!

Stay in tune with Jesus and He will give you strength for the journey.

All About Jesus

Jesus said Luke 2:49: How is it that ye sought me? wist ye not that I must be about my Father's business?

Jesus came here to help those that are seeking strength and guidance through His Word. The Bible says also that Jesus came to seek and save those that are lost.

For someone to get help they must first be willing to confess to God that they are in a lost condition. Many refused to do such a thing because it's below their level of thinking. Look up the word, "pride."

To remain in such an uncaring condition would be to turn down the perfect Word of God. Being warned is to realize we cannot make it without the truth. To put yourself above the Word is to turn your back on your only hope. From there, quick sand can turn into hot rock!

You did not come here on your own and you will not make it through life on your own. To take a chance with your eternal soul is to turn your back on life itself. Don't wait for the worst; make it right today, without delay!

Scripture: Colossians 1:16 For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him: 17 And he is before all things, and by him all things consist.

.....
Stay With Truth

Jesus really makes life so wonderful. The reason why is because His Father created us. And beyond that, He came here in the person of His Son to redeem our souls. What a gift!

There's no greater feeling than to know that you have Jesus living in your heart. There's first that feeling of peace. Then, when you tell others.. there's that feeling of joy.

Jesus is the perfect example of truth because He is the truth. And again, the greatest thing of all, God is love. Jesus gives comfort to a hurting heart. Then comes healing of the spirit. What a blessing to receive!

Jesus gives fulfillment to a hungry and thirsty soul. He offers assurance for those that are living in doubt: Best of all, He will not leave you or forsake you. Like the old hymn says, "Jesus doeth all things well."

Joshua 1:9 Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee whithersoever thou goest.

Being Who You Are

A sermon spoken recently made it clear to me the truth about humility. "To be like God wants us to be and do what God tells us to do" the preacher said.

We have so little time down here that not a second should be wasted. Foolishness is no game but being wise is a way to get help.

This is the university of life, that is why we must make every second count for Jesus. My recent thought was, "Think right, do right, is to be right, whether anyone else agrees with you, or not!"

The best attitude we can have in this life is, "Love truth, hate sin, then get ready for Christ' return!"

To truly make a difference is having the "courage" to go forth, even if everyone else has turned back. This is a message we all need to apply to our daily lives.

We all need Jesus, so pay attention to your ways while using your gifts and talents to the service of our God.

James 1:5 If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. 6: But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed.

7: For let not that man think that he shall receive any thing of the Lord. 8: A double minded man is unstable in all his ways.

Winning Team

All the earthly riches in this world will one day be gone and forgotten. True faith in Jesus Christ is the only thing that will be forever blessed on that day. Some folks are on the winning side and others will lose it all just for a moment of sinful pleasure.

You can think you have it together, but without Jesus, one day it will all fall apart! Remember the hymn, "Leaning on the everlasting arms?" Well, if that is your way of life, then rejoice in the Lord because you are on the right path.

We are so blessed to have hope in the Christian life. Living for Jesus is a guaranteed success even when everything else fails! In Christ, we have what no power seen, or unseen could never take away, assurance of salvation. That puts us on the winning team!

Ephesians 4:14 That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive; 15: But speaking the truth in love, may grow up into him in all things, which is the head, even Christ:16: From whom the whole body fitly joined together and compacted by that which every joint supplieth, according to the effectual working in the measure of every part, maketh increase of the body unto the edifying of itself in love.

Attitude Is Everything

To say you believe truth and live the opposite is a contradiction. When a person says they love everybody but don't show it, that reveals an unchristian attitude.

There are all kinds of descriptions when it comes to having or not having the right attitude. The Bible says to be double minded is to be unstable in all your ways. That goes to show that "Attitude is everything."

When we are of the same mind one toward the other, this is how to have a caring attitude in every situation. That kind of faith is real and can point everyone to the truth of Jesus Christ.

Remember this, It's not just what you say, but how you say it that matters. To speak truth in love is the best way to have a
(Godly Attitude.)

Proverbs 3:5 Trust in the LORD with all thine heart; and lean not unto thine own understanding.

Proverbs 3:6 In all thy ways acknowledge him, and he shall direct thy paths.

Life Is Wonderful

We are blessed to be so blessed in this Nation. There are so many others that would love the opportunities we have here in America.

With this said, we must also be warned of putting our blessing before God. When a person leaves God out and goes after just the here and now, woe to such a soul on Judgment day.

We owe it all to Jesus. You may think you can put the Lord off and get right with Him at a later time, however, the situation here is; He will be here to forgive, but you may be gone.

The time will come that will tell on every soul as to whether they were in Christ, or guilty of His blood. Yes, it's a free choice, but we must weigh out the options. Take careful note!

Option #1/ Life in Jesus, forgiven, Heaven bound and set free from condemnation.

Option #2/ Life without Christ, headed into a place of outer darkness, forever lost and undone, as the fire unfolds!

We want you to realize that to even be persecuted for your faith is far better than living in guilt not knowing what the next second may bring. It's to our own advantage to get things right with God now, and not later. God is love so give Him your life today!

No Delay

There is only so much time left on this earth before Christ returns. He has already come the first time and so many rejected His Word.

They even crucified God's only Begotten Son. The next time there will be no nailing Jesus to the cross. We must answer to the truth!

God created life and He is the only one that can save it. That's why He came to earth. He loves us all and the time is now to give your life to Jesus.

Once you get saved a good evidence of your salvation is that you really want others to get saved also. To make that decision just take time to call upon Jesus now without delay!

Eternal Destination

Someone made the statement: "To not look back is to keep pointing others up, in the faith."

This is so true: When we press on, instead of giving-up, more folks are encouraged to look-up.

We are indeed on a mission for God, and remember, He also came here on a mission for us.

We need His helping hand!

No one came here by accident, and there will be no accident when we go to our eternal destination.

It's not a matter of what would happen if you get saved, it more of what would happen if you don't. Then What?

God made life to be simple even when a situation seems complex. Give it all back to God and let Jesus free you from worry. From there, we can have total peace!

Scripture

Ephesians 5:15 See then that ye walk circumspectly, not as fools, but as wise, 16: Redeeming the time, because the days are evil.

Rejoice In The Lord

Regardless of what a person does, if God can't bless it, you could become trapped in your own evil pleasures. Also, to be more excited about things, this too will fail you. Our hope is in Jesus, now and forever!

It's true, we live in a physical world, but what we don't see is what keeps us alive. We breathe the air, and we use electricity. You can't see it, but we enjoy it's benefits. Thank you Jesus!

We can't see God; however, He knows our every need: God is aware of all of our cares. We are indeed surrounded by forces beyond description! The Bible says; We walk by faith and not by sight.

There's so much to be thankful for our minds can't take it all in. Be attentive. Christ is coming back to take us to a better place. Ready or not!

Down here there is crime, suffering, hate and envy. Up there is eternal happiness, and so much more. Just make the best of it while here, then comes glory!

Jesus will go with us and not leave us or forsake us. We just need to get closer to Him each and every day.

John 20:29 Jesus saith unto him, Thomas, because thou hast seen me, thou hast believed: blessed are they that have not seen, and yet have believed.

(Faith Over Opinions)

As we live from day-to-day everything that happens does so in order to bring us closer to Christ. Some people want help from the Lord while others could care less.

There are those that would rather argue that there is no God, but there are others that accept Him for who He is, by faith.

A person is either (a have), or a (have not.) Some have concern for what God put us here to do and there are those that have not any faith when it comes to putting their trust in God.

Those looking for humanistic proof and are skeptics; they really ignore the fact that truth is a matter of faith, not their opinion.

It is your choice to reject, but it is God's will that you come to your senses and be saved. It's not too late, but, for your own sake, it's best to not put it off any longer.

2 Peter 3:7

But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men

An Eternal Decision

We either choose to follow God, or a soul is lead down a wicked path into perdition.

Some may wonder what perdition is. Well, the point is, you don't really want to find out.

The other way of putting it.. to not be found in heaven, would be to remain lost forever in that place called perdition.

The greatest hope for us all is, God will give us a way out from destruction. Our hope is eternal in Jesus Christ.

There's no need to give up your home in glory for a pit of darkness. Some folks have even taken the fire out of hell. Even if you could do that, it still isn't a place you would want to enter. The Bible warns of such a hideous place without watering it down. In other words, it's real!

Come to Jesus, have true peace, and keep rejoicing while telling others about the good news of our Saviour.

Be Real In Faith

While false science is trying to disprove God, the believers of this earth have been given the true message of Jesus Christ.

Some who even claim to be Christians are not living what they profess. They sidestep the truth, or they take from the Word of God.

Either the truth will set you free, but to twist it, the Word will expose you. We are not to be ashamed of the truth, neither are we to be a shame to it.

It's all in who you are when it comes to loving God. There are many that just want to confuse others, and there are others that want to glorify Jesus with their life.

God knows your heart - so if you want what's right, give your all to Jesus and receive the free gift of eternal salvation!

Scripture

John 17:1: These words spake Jesus, and lifted up his eyes to heaven, and said, Father, the hour is come; glorify thy Son, that thy Son also may glorify thee: 2: As thou hast given him power over all flesh, that he should give eternal life to as many as thou hast given him. 3: And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.

Facing The Light

There is only so much time left on this earth before Christ returns. He has already come the first time and so many rejected His Word.

They even crucified God's only Begotten Son. The next time there will be no nailing Jesus to the cross. We must answer to the truth!

God created life and He is the only one that can save it. That's why He came to earth. He loves us all and the time is now to give your life to Jesus.

Once you get saved, a good evidence of your salvation is that you really want others to get saved also. To make that decision just take time to call upon Jesus now without delay!

Scripture

Hebrews 9:27 And as it is appointed unto men once to die, but after this the judgment:

A Need To Be Ready

Not very long ago a father and his son went deep-sea fishing. They planned the trip since his son was a little child three-years old. Fifty-nine years they looked forward to this trip.

The time finally came as they headed out. The Preacher was being photographed while pulling in his first fish from the ocean. One moment he was pulling in a fish then suddenly he was being pulled up into an Emergency Helicopter with a massive heart attack. He went from being with (his son) down here on earth to being with (God's Son) up in heaven.

Thank God for preachers that encourages the Church, thank God for families, but most of all thank God for Jesus.

One second can change everything so be ready to live for eternity with the Lord in heaven.

Joshua 24

23: Now therefore put away, said he, the strange gods which are among you, and incline your heart unto the LORD God of Israel. 24: And the people said unto Joshua, The LORD our God will we serve, and his voice will we obey.

The Way Of Life

So many different groups and originations think they have the answer to every problem. The Word of God says there is no other way to escape this life, except by faith. The Lord is at hand. Choose truth and live. We walk by faith.

Jesus is our only hope and if someone said there was another way it would only be a lie. God cannot lie and He will help you overcome any problem. We must do our part by calling upon the Lord for mercy. Now is that time to trust the Lord.

We are not alone, although we can sometimes feel lonely. Jesus can calm our soul while offering comfort to a broken heart. We all need to experience this love in order to have true peace.

At times a believer may feel sad, or undone. But once prayer and faith takes over, we can go on rejoicing because of our Saviour. Jesus is always just a care and prayer away.

Some folks may treat you like you're nothing, however, to God we are everything. Jesus paid the price for our soul so that we can have worth and purpose in our daily life.

Once you receive this mercy and forgiveness, we can live it, offer it to others, while pressing on in victory, everyday. Thank you Jesus for this perfect gift. Our God is able.

2 Corinthians 5:17 Therefore if any man be in Christ,
he is a new creature: old things are passed away;
behold, all things are become new.

Time For An Upgrade

Do you feel like your life is in need of repair, like a
run down building? This old world can take it's toll
but don't let it take your soul. The Word can set you
free!

God did not give up on us; so don't give up on
yourself. There's more for us in the service of the
Lord, all you need is the determination.

It's not a sin to start over, but to give up is not the
right option. We must be more interested in what is,
rather than what was.

To rebuild what would have been destroyed is to
give what's left, back to God. From there Jesus will
renew what had already been condemned!

There is hope, so tear out what is useless and bring in
what is eternal. Our faith in Jesus is worth more than
all that we could ever pay back to God. It's time for a
change, God makes all things new once you put your
trust in His Son, Jesus Christ!

St. John 19:30 When Jesus therefore had
received the vinegar, he said, It is finished:
and he bowed his head, and gave up the ghost.

The Final Conflict

You are here for a special purpose. God loves
us all and to look at the cross tells us how true
this is. No love is as pure and powerful as the
love Of God.

There was a conflict that took place at
Calvary. The forces of evil were out to destroy
our soul. Jesus is the only one more powerful
than Satan. Once Jesus cried out, "It is
finished" the light of God consumed all
darkness.

The price for our soul has now been paid. The
Word of God cannot lie. We are being offered
to live with Jesus in Heaven, Forever. If you
are Not Saved, now is the time to Come Forth!
Jesus paid the price!

Job 19:29 Be ye afraid of the sword: for wrath bringeth the punishments of the sword, that ye may know there is a judgment.

Don't Be A Washout

In many cases we see the flood coming and still don't prepare for what could be. That goes back to people waiting (after) something happens, then dealing with it.

We are often being warned of the coming storm, but it's when the ground gives way is what we think will pull us down. That's too late to respond to danger.

It's good to be optimistic, but that doesn't always give us assurance. Hope comes with assurance, not just, "maybe things will work out somehow."

Most of the times a calamity comes on a sunny day, not in a violent storm. Either way, a soul needs to be ready to stand before Almighty God. This is to bless you, not to scare you. You should be frightened already if you're lost.

Rather yet, come to Jesus by faith, and have true peace, with assurance. Then you will never have to fret over the expected, or unexpected!

Get Onboard

It would take a 747 Jumbo Jet eighteen-years traveling at six hundred miles an hour to reach the Sun. It would take only a second to call out to Jesus and the Son of God will hear your plea. The Lord is at hand.

The one who made the Sun became the Son on this earth. Jesus came to seek and save the lost. If you have never trusted in Him, Jesus is there to forgive you of any and all your sins. What a glorious blessing!

There is no greater gift than to be forgiven. God will never use your past sins against you. Even if someone else does, it would be against them if they ever were to fight against a child of God. Therefore, be not afraid.

Heaven is real and the pits of hell can never harm a true believer. Jesus wants to use us to keep getting this good news out to others. Are you doing that?

Philippians 4:19 But my God shall supply all your need according to his riches in glory by Christ Jesus.
20: Now unto God and our Father be glory for ever and ever. Amen.

"Greatest Need"

Everyone that has ever tried to make it without Jesus, failed. It's like a fish trying to live without water. All those who have trusted in Christ need not fear failure because Jesus can hold them up.

We may slip and stumbled but God is able to keep us from falling. Otherwise, without Jesus, even to be a success in the world is to be a failure in God's eyes.

Man at his very best cannot compare to who Jesus Christ is. God sees through everyone but more important than that is we surrender our all to Jesus.

The truth of God will be the only thing that will get us through this life into the world to come. Our greatest need is to know that Jesus Christ is our greatest need.

John 10:7 Then said Jesus unto them again, Verily, verily, I say unto you, I am the door of the sheep. 8: All that ever came before me are thieves and robbers: but the sheep did not hear them. 9: I am the door: by me if any man enter in, he shall be saved, and shall go in and out, and find pasture.

Door Of Hope

A door can do many things. The main thing to know is this, a door is there to protect and keep you from harm. It locks out the unwanted and keeps in that which is safe.

A door is opened by a person and also has a lock to secure that person inside. Same when it comes to the Gospel. God can keep danger out of your life if you're willing to open the door and let Him come in and protect you.

On the other hand, to lock Him out is to become unsecured, regardless of who you are, or where you go. It's a simple illustration, but so very true.

Jesus said He stands at the door of your heart, knocking. We must be willing to listen in order to open up and let His Spirit come in and abide there, forevermore.

The question is; have you made that urgent and everlasting decision?

Telling It Right

To hold back what should be carried out is to ignore what needs to be done.

Not moving forward, with what direction you need to follow, is to fall back, while refusing to go forth!

To not listen to what needs to be heard, is to become blinded to what you need to see.

To be bitter toward that which is sweet, is to end up hating what needs to be loved.

To accept what is right is to reject the wrong, then comes victory over what would have caused defeat!

Daniel chapter 12:4: But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.

My 23rd I Phone

Psalms 9:19 Arise, O LORD; let not man prevail: let the heathen be judged in thy sight.

20: Put them in fear, O LORD: that the nations may know themselves to be but men. Selah.

Much To Achieve

There's absolutely no reason for a person to not believe in Jesus. A person doesn't believe because they choose to reject Him rather than love Him.

When you take God at His Word and accept Jesus by faith, He reveals Himself to you.

Before crossing over we can learn so much about God through His Son.

Holding back, or putting God off is no way to get to know Him. Jesus Christ came here because we needed help from above.

There is so much to achieve while on this earth, but without putting Jesus first, you end up far from the truth, and closer to destruction!

Come Home And Live

More and more we are being told that Jesus is the way.

Closer and closer we are getting to that day to where the heavens will be unleashed!

This is not a game and there's no time for fooling around when it comes to your soul. We are precious to God because of His Son, Jesus Christ.

Without Jesus we lose all hope in this life and in the life to come. We have everything to gain by trusting in Jesus and accepting Him by faith into our heart.

If you haven't done that don't hold back any longer. Jesus is tenderly reaching out to you within His Word.

1st John 4:8

He that loveth not knoweth not God; for God is love.

Overflowing Joy

The ways of this world offers only temporary pleasures that will destroy a soul, however, the overflowing joy of Jesus will bless a soul forever.

A true follower of Christ has both, happiness, along with true peace in God's Word. Like water flowing deep within the earth springing up through the rocks, is the everlasting love of God.

Fears will attempt to hold us back, where doubts try to consume us: But the light of the Gospel will give you freedom over all bondage!

We need not try and hide from what is before us. God has made a way to escape that, which is seen, or unseen!

We are "More Than Conquerors" by standing with God in all that we say and do. From there we triumph over every battle by having simple childlike faith!

Those who leave Jesus out shall be cast out when the "Books of Life" are opened! To not be blotted out is to take hold of truth, immediately!

Be Strong

There is so much darkness around us that we need to take hold of the light of Jesus. There is no one greater than Jesus Christ. He can do more for us that we can for ourselves. Just take God at His Word!

God is a great provider, and Jesus is our caring Shepherd! We need God more each moment, as every second brings us closer to that day.

This is our time to shine for Jesus. To not do your part is to become (torn-apart) by your own ways.

Deceit is a deadly force, but peace drives out all confusion! Avoid the conflict and keep watching for any opportunity you can to spread the light of Christ to a world wrecked by sin and strife!

Hebrews Chapter 2: Verse:3

How shall we escape, if we neglect so great salvation; which at the first began to be spoken by the Lord, and was confirmed unto us by them that heard him;

Purpose Of Life

As you study and search, it's possible to find out what is being spoken, you didn't want to hear. Then it becomes a matter of how you are willing to respond, after realizing the truth has been offered.

It's always easier to accept but to resist and go away from truth is to back yourself into a dangerous, dark corner. This is a travesty!

Jesus came here with one purpose in mind; so we can have real freedom, over sin and self.

This is your opportunity to take hold of what is able to set you free, all by the Grace of God.

If you have this freedom, then there's no reason to go around feeling defeated. But if you do, just keep taking God at His Word, by faith.

God will help us through any trial as long as we keep trusting His Son, Jesus Christ.

Keep Pressing On

If we are living for the right purpose, then there's no reason to let anything in life hold us down. If someone refused to bring everything to Jesus, that's when they admit they're drawing back, rather than getting closer to God.

We need Jesus more daily, but some are living for Him less, and, for no reason. We all need encouragement, but after receiving it, we must continue on doing what God has called us to do.

The more we have of Jesus, the less we let the cares of this world tear us down. Either you mean business with God, or else, you don't.

He sure does mean business with us!

1st Peter 2:9 But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light:10 Which in time past were not a people, but are now the people of God: which had not obtained mercy, but now have obtained mercy.

(New Life)

To not take the Bible seriously is to think life is able to work on its own, without God. When a soul becomes that darkened by sin, this is a condition that needs immediate help.

Our God cares for each soul, but when a soul thinks God doesn't matter to them, this is called, "rebelliousness." For someone to turn against the living God, they seal their fate once physical death takes over. Such a condition at that point is irreversible.

It's not too late to accept truth, willingly, and urgently! Your life is precious to God, that is why Jesus came here to this earth. To be set free from sin is to have power to say "No" to evil.

Now is that time to get this eternal victory over satan. New life in Christ is the greatest blessing anyone could ever experience.

(Here And Now)

There's more beyond this life, however, we must make full use of the "here and now." Although the future belongs to God, He has great things we can achieve while here on earth.

There are people to help and so many ways to tell others about Jesus. Everyday is a gift and to hold back is a waste of human energy, time, and resources.

To get the best from life is to put your all into it, from there comes peace like a river. Anything you do for God will last for eternity. Everyday matters!
It's time to go forth!

Jesus shows us how to do this, and the solution to every situation is, love. Perfect peace and joy is knowing you have Jesus at the center of all that you do.

First, you must receive Christ as Saviour, then comes the reason to carry out this great commission. Once saved from sin, the pathway is narrow, but the rest is a gift while giving our all to a loving friend, and Saviour, Jesus Christ.

Psalms 56:2 Mine enemies would daily swallow me up: for they be many that fight against me, O thou most High.
Verse 3: What time I am afraid, I will trust in thee. Verse 4:
In God I will praise his word, in God I have put my trust; I will not fear what flesh can do unto me.

Overflowing Love

We are on a journey across time. Although eternity is our destination, Heaven is a place we call "Home"

While on this journey many obstacles tries to block our path. Satanic attacks are all around. The only escape is our faith in Jesus and prayer.

To try and go it on your own will only lead further away from God and closer to judgment. Those that trust in the Lord has hope in this present life and the hereafter!

This banner of truth has been handed over to us, however, the Spirit of God is there to guide us over every hurdle. There's no time to be afraid!

To follow the light of Jesus is to find your way into glory. When you leave out the Bible, you loose purpose and direction. Only through the cross can anyone find the overflowing love of a caring God and Saviour!

Matthew 19:24: And again I say unto you, It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God. 25: When his disciples heard it, they were exceedingly amazed, saying, Who then can be saved? 26: But Jesus beheld them, and said unto them, With men this is impossible; but with God all things are possible.

There Is

There is a reason for all that occurs. We must learn to deal with such issues by praying. If something is out of our control, then trust God for the answer, in His way, and in His time.

There is no temptation so great to where God will make a way to escape. Any trial here is only temporary so that that we can have peace over all confusion! Then comes patience to deal with it. "Trust in the Lord with all thine heart" the Bible says.

To try and ignore what is inevitable only gets you deeper into a pit. God will take you through what no man can deal with on his own.

There's no need to be afraid because Jesus said all power has been given unto Him. If anything was out of God's control then we would have reason to fret! Otherwise, let the Lord lighten the load as you go forth in faith. "With God, all things are possible."

By God's Holy Spirit, we can have comfort no matter what tries to make us afraid. Could it be God is teaching us how to depend more upon Him, and less upon our fears?

Once you come to the knowledge of truth, this is when we get victory over self - by casting all our cares upon Jesus. There is mercy, along with assurance once you seek help in God's Word. Remember, there's nothing too great for our God!

Redeemed By Grace

We all have our ways, along with likes and dislikes. These habits, whether good or bad must still be confronted by the truth.

Some folks calls sin a mistake; however, God sees it as a transgression. Remember also that it's not our good ways that save us, but the Grace of God.

It 's good to do your best; otherwise, our best don't come near to the righteousness of Christ. We are offered true redemption through the blood of Jesus in order to be able to stand before a Holy God.

After accepting this gift then we can go forth in peace and love while doing what is pleasing to God. What a blessing to know that all this is achieve by faith in a perfect book, called, "The Word Of God"

Psalms 27:3 Though an host should encamp against me, my heart shall not fear: though war should rise against me, in this will I be confident. (Verse 4) One thing have I desired of the LORD, that will I seek after; that I may dwell in the house of the LORD all the days of my life, to behold the beauty of the LORD, and to enquire in his temple. (Verse 5) For in the time of trouble he shall hide me in his pavilion: in the secret of his tabernacle shall he hide me; he shall set me up upon a rock.

"Mighty Stream"

When it seems like no one else cares, God does.

When it seems nothing ever goes right, the Word of God does.

When it seems like you can't find your way out of a situation; truth will set you free.

When you feel like the more you do, the less you achieve, just keep pressing on in Jesus!

When you feel like there's nothing left to do but give up, don't forget to look up!

When it seems like everything is spinning out-of-control, pray without ceasing!

When you feel this old world is trying to fight against you, then praise God; you finally did something right.

Main thing is that you are saved and trusting Jesus as your Saviour and Lord!

Then comes power, like a "Mighty Stream!"

Help Has Arrived

Some People have no fear of evil. They become use to it, although it will still cause them serious harm. This is a result of hardening your heart toward God. They laugh at sin; afterwards, they scoff at Truth.

A person may think this is a game but Satan is laughing also because he wants to destroy every soul he possibly can. The only escape is come to your senses and look to Calvary's Cross. Help has already arrived!

Now and every second depends upon your decision. There is hope for human beings: Jesus came to seek and save that which is lost.

Love and forgiveness will take over once a soul repents of sin. From there comes true peace!

John 10:9 Jesus said: I am the door: by me if any man enter in, he shall be saved, and shall go in and out, and find pasture.

10: The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly. 11: I am the good shepherd: the good shepherd giveth his life for the sheep.

Enjoy The Journey

Because Jesus lives, there's no more wondering how much God cares. A soul either repents willingly or they deliberately blame God when something happens.

No one will ever care for us as much as Jesus. No one has ever suffered like Jesus for the welfare of the human race. This world is not our home, we're just passing through.

To be saved is to know you can't earn salvation, you must surrender to Jesus and ask for forgiveness. That is why we need Jesus more than we could ever imagine. Our sins put Jesus on a cross, but it was the love of God that raised Him from the dead.

The decision is up to us: Hope over despair, peace over confusion. The truth is written with three rusty nails, an old rugged cross and the perfect blood of Jesus! Amen

Now is the time to move forward in faith and accept what we can't fully comprehend when it comes to the Grace of God! From there, we can enjoy this journey, right into glory!

True Eternal Peace

We have every reason to follow the light of Jesus. No one has ever escaped the clutches of sin on their own. You either let Jesus save your soul, or could be in a state of denial.

In the end, God's truth reveals that evil loses, regardless of one's ideology. That is why Satan deceives anyone possible into not trusting in Jesus. Don't be tricked out of your soul! Only Jesus can save us!

Deep down, people know we are telling the truth. All we want is to see you come to the fountain of living water for salvation. From there, Jesus will save your soul from a certain destructive force called hell. You have nothing to lose but everything to gain by receiving the love of God into your life.

It's not anything to be afraid of once you are saved: It's something to be terrified by when a soul is lost and undone.

Be assured that sin is not a game. There is no real joy in this life without being delivered from the penalty of sin. Once you are in God's care then you can experience the peace that passes all understanding. Jesus is our only hope!

John 14:5 Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way?

Verse 6: Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. Verse 7: If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him.

Because Of Truth

If the truth were not necessary, then it would not be necessary to tell others about the truth.

When you pretend something is not real, then everything around you becomes fake.

Knowing that the truth is real while pretending it's not; this is called living in a fantasy. To be consumed by such ways is to follow the wrong path.

Accepting the truth is to face reality while warning of those things that are trying to stand in the way of hope. Then comes victory over destruction!

Without truth there is no hope, and to not have hope is to be condemned. Where there is hope, there is life but without life there's no hope, but death and destruction.

Having Faith

Depending on the direction you take also determines whether you choose truth over a lie.

We have not been put here to try and figure everything out and then believe in truth. This would be impossible.

God expects us to take responsibility by having faith in His Word, from there we grow in His truth daily. Only God knows it all, therefore what we need, He provides daily.

Because of truth, Jesus came to set us free from the power of darkness so we can abide in the light of His truth. It is my prayer you are doing that: If not, repent!

(Real Purpose)

We are not here by accident, neither does things happen by happenstance. Every soul has a purpose and life is a plan that only a loving God could create. And He Did.

Often when we feel God is there the least we seem to hold back trusting Him even more: It's no wonder, "Jesus Wept."

We need God in every situation because we are surely a part of His perfect plan. Sometimes we may not understand what God is going to do next, however He does.

Faith will get us to where we should be and prayer will keep us on course. God is our teacher, leader and provider; most of all, He is our Saviour.

It's not that we have to know it all but we do need to learn from what God has already taught us. You're either moving forward, or backing up in faith. Ponder this Thought:
"To stall is to fall - to live is to rise!"

As a result of sin much is out-of-place because many people are not listening to the Lord: If you are lost, it's pass time to wake-up while giving Jesus glory for coming here to save us from ourselves. Ready or not, Jesus is coming!"

Having a reason is to be involved with truth, not later but now! Don't become a has- been or use-to-be. To do something is to receive God's love, now! Get in or get left!

Thy Will, O Lord

Even before a child is born, wheels start turning while getting things ready for new life. We all have our own unique ways, looks, along with our own identity. This is the university of life.

To find out your purpose for being here is to give God the praise for being our Creator. As we grow in our body and faith, things continue to come into focus concerning our reason on earth.

Whatever we achieve while upon this planted is surely being used to take us to the next level. Otherwise, when something tries to knock us off course, Jesus is there to keep us moving forward in faith. We must not give up, but press on!

It's our job to keep depending on the Lord to show us what to do next. To leave God out of anything is to knock yourself off course for not obeying the Lord. "We walk by faith, not by sight."

We are to look to Jesus in every situation then we can say:
" Not my will, but Thy will be done, O Lord."

Galations 5:22 But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, 23: Meekness, temperance: against such there is no law. 24: And they that are Christ's have crucified the flesh with the affections and lusts.

"Final Outcome"

Our blessings are more than can be numbered because of Jesus. God came here in the person of His Son to break the power of darkness. At the same time, Jesus showed us how much He cares when He gave His life. And now because of Calvary our sin debt can be cancelled. What a perfect gift for "whosoever will"

Those that wallow in sin rather than seek forgiveness are doing just as the enemy wants. Satan offers evil pleasures while telling others that God wants them to have a (so-called) good time. Well, to make it clear, the guilt or suffering isn't worth it when it comes to the final outcome of such ways! Come quickly to the risen Christ!

It is certain a soul will be judged for their so-called fun and games if they commit to evil rather than truth. God is holy and in faith a person can escape sin through Jesus Christ.

Jesus paid the ultimate price so we can have eternal gladness over sin and madness! Only the love of God can bring you out. Don't give up your soul for a lie. Now is the time to escape the clutches of Satan.

Home Free

When we as believers are faced with a trial, it is certain we can say, "Lord, take this condition and turn it around to your glory." Then in some way God will calm your fears and turn your cares into victory. All we have to do is place our trust fully in Jesus Christ.

On the other hand, to take the smallest of situations upon yourself can cause imminent danger! God has made it to where we can't make it without Jesus. Those that tread upon the broad-way will find out one day this is all true. Otherwise you are either for or against Jesus.

God's mercy and Grace is still available, but to wait any longer could become a fatal error for ignoring the truth. It would be a sad condition to leave this earth without being saved!

To find true peace is to surrender your life to Jesus without delay. That would be the greatest decision you could ever make. You too will experience what others have already become,

"Just an old sinner saved by Grace!"

Psalms 46:1 God is our refuge and strength, a very present help in trouble. 2: Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; 3: Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. Selah. 4: There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High. 5: God is in the midst of her; she shall not be moved: God shall help her, and that right early.

"Trust God"

When things don't always happen the way you want, it's possible that something worst could have occurred instead.

When in God's hands, things will surely turn out better once all is said and done. Like Jesus said, "Only believe!"

This is how faith works which goes beyond our understanding of what and how we think things should be.

Otherwise, praying for a soul to get saved is something God also desires to take place and that's where conviction comes in.

When we pray God works in His own way to get people's attention. The Spirit of God reaches out in hopes that lost people will seek His mercy and forgiveness. Prayer is our responsibility! Then give God time to do His part. The Lord is at hand.

The final decision comes once a hurting soul realizes the sin-sick condition their life is in, then repent. From there Jesus can come in and give that person power over sin. Afterwards comes the blessing of witnessing the love of God to others once a soul is saved and brought back into a right relation with God!

"Carry On"

Part 1

Although life can sometimes seem out of tune, pray and carry on.

When things are coming apart all around, trust God and carry on.

Even if someone doesn't like you, love them anyway and carry on.

Prices getting higher and pay is lower, be content and carry on.

In spite of attacks from within or without, endure and carry on.

No matter who or what gets in your way, rejoice and carry on.

Regardless of whatever comes at you, have faith and carry on!

Beyond all that is, has been, or that which could be, carry on.

Once doing your best and conditions seem worst, carry on.

If the job didn't turn out as you hoped, never give up but carry on.

Much to do, little time to get it done, don't fret - carry on.

"Carry On"

Part 11

Undue criticism after doing what's right - forgive and carry on!

Ongoing pain, needing relief, call on Jesus and carry on!

Times are rough, could use a break - relax, then carry on.

Feeling low and outlook is dim, read your Bible, then carry on.

Been knocked down, grief overwhelming, get back up and carry on.

Though the earth trembles and sky is darkening, just carry on.

Lightning while striking as waters are rising - again, carry on.

Confusion everywhere and only few are listening - carry on!

Trump to sound, heaven to open; we're going home, so carry on!

Lost and need to get saved, just repent and in truth, carry on!
