

God's People

by

Donald Franklin Dixon

God's People

In the cities and towns
People so kind and true
Knowing God is able
To show us what to do!
Enduring persecution
Along the narrow way
Reprobates casting filth
Ignoring what we say.
Faithfully to carry –
The work must be done
To be a special part...
Seek the three-in-one.
Many need to be sure
Side that they are on
Only faith in Jesus :
Can help us carry on!
Total and complete surrender
A heart so caring and tender.
People of God for sure...
To enter Heaven's door.

Being Strong

Not everything in life is just in the mind
Things can also get badly out of rhyme.

Prayer is the victory enduring such a trial
After the battle ends don't forget to smile.

Today is a moment to reflect in hope
Where we are going is how we cope!

We need not worry whatever will be
God has a plan – Jesus is the key!

Do what you must and don't look back
Lessons we learn will keep us on track.

Go in peace and abide in the light...
Accept the Truth – fight the good fight!

Reject all evil turn doubt into a song
How do we do so – by being strong!

These poems are written to glorify Jesus Christ!

My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!

Those who are not saved; my prayer and hope is that you will surrender your heart to Jesus right away!

There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 For the scripture saith, Whosoever believeth on him shall not be ashamed.

(C) **Confess:** Rom 10:9 That if thou shalt *confess* with thy mouth the Lord Jesus, and shalt believe in thine heart that God *hath raised him from the dead, thou shalt be saved.*

If you want to be saved, pray this prayer from your heart...

Sinner's prayer: "Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third day Thank you for becoming the sacrifice for my sins In Jesus' name. Amen"

Yes: I did make the decision to get saved

Now find a Bible-Believing Church and grow in your faith daily!

Pray and read your bible as you tell others of your love for Jesus.

"Get Onboard"

Be happy my friends come and join the crew
Don't be left behind whatever you may do!
There's plenty of room so get ready as we sail...
Now and forever there's much good news to tell.

Be not sad, by Grace we will survive...
Quitters will drown - winners are sure to rise!
Leaders must follow - just open now the door
We're headed to a place on another shore!

The time is now so welcome right on in...
To ignore truth that would sadly be a sin.
Friends are forever when together they stand
Get onboard today - escape the sinking sand!

Do your very best - take time as you live...
Whatever you receive also cheerfully give!
The wind as it guide across the open sea
To find your place in life - Jesus is the key!

"Necessary Backup"

To try and make it without having faith...
That will lead to failure here within the race.
Some folks may win maybe here or there
The fact is they're dangerously unaware.

Necessary backup is not just a game...
Prayer, faith, and hope are our claim to fame!
In the love of Jesus forgiveness is the seed
Repent and be delivered - mercy to receive.

The Lord is able - His Word to show you how
Don't wait around – accepted time is now!

Quick response is needed this is for sure
God can save us and make us very pure!

Finding The Pathway

**Down the road just a little way...
A trail emerges at the light of day!**

**On up the path a friend to meet...
As we travel we continue to seek.**

**Join us now in this place of light...
Beyond the sorrow of the darkest night!**

**To take your position is to find a trail
This Pathway of Truth has done me well.**

**We have no time to give up hope
There is a way so we can cope.**

**On this road of life you will find
Faith is how we finish this climb.**

The Poem

Poems that are written with a message to tell
Vibrates your senses and make you feel so well.
Even when down they can lift you up...
Like an overflowing well or juice within a cup!

To write a poem is something very nice
To enrich a Soul and melt the coldest ice!
As it develops, to search out a reason
A poem is good in most every season!

One a day or maybe even four...
Write it in a book or even on a door.
The more there is the better you can feel
A poem for a heart that's feeling low or ill.

Early in the morning on into the night...
Candle brightly burning as we take our flight!
With pen in hand a message of the soul...
Majestic as sunlight much finer than pure gold!

A gift is wonderful and this is for sure
Writing a poem can offer us a cure!
Thank you for caring - love is perfect key
This poem is for you written here by me.

Victory Over Trials

To seek real truth is to abide in the faith
Living in hope while flowing in God's
Grace.

Being sure is doing whatever is right
Love over hate - by living in the light.

Follow true peace - rejoice every day...
Joy beyond sorrow, humble as you pray.

Victory over trials for a caring believer...
As we carry a cross warning every
deceiver!

We can achieve whatever must be done...
By trusting Jesus - knowing He is the
One.

The Real Plan

Taking time to listen well...
A moment to enjoy for me to tell.
To hope the best shall come to pass
Making a plan that will always last.

This lovely thought to others say...
“It's going to be a very rainbow day!”

Being a child of the Heavenly King
Such a blessing with joy it brings.
On to victory as you ponder this...
Not a second should ever be missed!

As we travel from here to there
The plan for life is all so clear.

Now as we do what we know best
To never give up is surely a test.
Honesty will always be your friend
Trusting Jesus is the greatest plan!

Having Purpose

However we are, whatever we do
Wherever we go the purpose is true.
Wanting the best out of life...
There is a need for being precise.

Waiting and watching time is fleeting...
Trials of our faith - battles are heating!
How we handle where we've been...
Determines whether we will lose or win.

Knowing the purpose in what we're doing
Lights the path for where we are going.
Regardless of what we was done in the past
What we do now is what will forever last.

How to live is the way we believe...
Stick with the truth and continue to heed.
We will win the battle at hand...
By putting our life in the nail scared hands.

Painting With Words

A painting of Truth is coming into view
Life is a canvas like the sky of blue.
My Easel is made in the shape of a Heart
To paint you a picture is doing my part.

Colors of sunlight, yellow and red...
Now and forever, just like someone said.
A stroke of the brush, then just a pause...
A Rose is now forming upon the wall.

My frame of mind is telling me this...
"Life is so precious it shouldn't be missed!"
A Painting is something so good to do
Like eating honey while walking in dew.

Upon a hillside a tree with some birds...
Hand me some paint while writing these words.
Heavenly rainbow across an evening sky...
Awe and grandeur when an eagle does fly!

Because there's a reason for all we do...
Painting expresses what we know is true!
Going places before you ever leave...
Paintings can inspire like words we read.

There Is Direction

To stay on course is to find the way
God sent the light of a brand new day.
Leaving for a trip not planning where to go
Will cause a disaster this we need to know.

Reading a map can help you be sure...
Right ways to travel is like finding a cure.
Knowing how to vote before the election
Shows that you realize there is direction.

Life is a journey toward a certain point...
Like a bone connected to a rotating joint.
To get off the path will lead you astray...
There is direction - read the Bible and pray.

After having arrived now to where we are
A brand new challenge is not very far.
While searching for facts in the right section
Always keep in mind – there is direction.

Right Living

Waking up unharmed
Is a blessing for sure...
No need to waste time
For an unknown cure!

Not having to worry about
Strange unnatural conditions
Right living is the only way
By being in submission.

Finding the correct solution
From all unnecessary pain...
To escape the power of darkness
Call on Jesus' name.

Listen to how many others
Have made that great escape.
Come out while you can
Don't even hesitate.

So Nice

We are reminded of the great redemption
Refusing to accept is a deadly prescription!
So nice to know there is a way...
We are invited to escape the judgment day.

As the world heads down a spiraling trail...
Who is willing to obey surely time will tell.
So nice for those that hears my plea
Soon these things will surely be!

We are caught within space and time...
Rebelling against God is a terrible crime!
The door of mercy now is open...
No place to hide for those eloping.

So nice to find a wonderful haven...
Upon your heart the truth is graven.
A friend to meet and show the path
The love of God will forever last.

Royal Priesthood

A special people here to show
God is with us wherever we go.

A holy nation we are called
For giving Jesus our all in all.

A peculiar people we are to be...
Saved from sin and spiritually free.
No fear of ever losing our soul...
Praising our God so loving and bold.

A royal priesthood carrying the light
Reaching the lost in faith we fight.
A chosen people here to grow...
Peace like a river so mighty the flow.

God Is So Good

We are so blessed beyond it all...
God hears our cry - upon Him we call.
To give us strength that we daily need...
Crying out to others as we urgently plead.

Jesus is the way for finding truth...
Joy unspeakable when sin is let loose.
Doing God's will is a gift for sure...
Salvation for the soul is a miracle cure.

Surely, goodness, and mercy is God's plan
Nails were placed into His feet and hands.
Amazing Grace has now been revealed
Within our spirit His kindness is real.

Be A Follower

Carry the torch of truth and light
Do your best to fight the good fight.
Be a flame not just a flicker...
To clear a goal you must be a kicker.

Jesus is the example to truly believe
First to give, then by Grace to receive!
To cast your cares is to do your part
Trust in the Lord with all your heart.

To be a follower is also to lead...
Once you learn; afterwards you heed.
Giving your best to the right cause
Jesus is able to keep you from a fall.

On to glory when the labor is done
To bow before God's begotten Son.
The way is prepared each day be ready
Stay on course and hold on steady.

The Reason

Sometimes it's easy to be misunderstood
Especially while trying to do something good.
If you've been there to know what it means
Everything is not always the way it seems.

One lesson you learn when doing your best
This can often turn into a genuine test.
On the other hand to say this so clear...
Going on a journey is taking time to be there.

The reason this message is given right now
This may help others that need to know how.
Once you get started no need to look back
The Lord is there to keep you on track.

Give it your all and keep doing things right
There are so very few with a Heavenly sight.
The reward will be to finish this course...
The love of God is greater than any force.
