

Headed Upward

by

Donald Franklin Dixon

Decisions To Make

As we travel to and fro...

Whoever we are and wherever we go.
Abide in love as you open your heart...
Keep living in truth and doing your part.

Many will not follow the narrow path...
Anything they accomplish it will no last!
What we know and much more to learn
Time is fleeting as the earth does turn.

Decisions to make - not just a dream
Even when awake or so it seems.
To do what's right is a great endeavor
We must give account more than ever.

In this poem there is much hope
To be a ship is to stay afloat.
Get on board and make your cry
While headed upward - WE Fly High!

As We Travel

To have it together is to stay in tune
Day after day - from noon till noon.
Surrounded by questions as we seek to win
To accept the truth is to be saved from sin.

The flowers in springtime - peace and love
Let there be light sent down from above.
Joy over sorrow - hope beyond despair
Sunshine over rain and faith over fear!

As we continue our journey season to season
We search and wonder - everything has a reason.
To reap what we sow - a fact of real life...
Spreading compassion or caught up in strife!

Some folks are busy - while doing their part
Sadly there are others with uncaring hearts.
Waste not is to want not - Someone did say
But what matters most is take time to pray!

Achieving the most may get you some fame
Being a cheerful giver is far better than gain.
Taking what is yours and giving it to God...
Blessings are so great when not under the rod!

These poems are written to glorify Jesus Christ!

My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!

Those who are not saved; my prayer and hope is that you will surrender your heart to Jesus right away!

There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 *For the scripture saith, Whosoever believeth on him shall not be ashamed.*

(C) **Confess:** Rom 10:9 *That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.*

If you want to be saved, pray this prayer from your heart...

Sinner's prayer: "Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third day Thank you for becoming the sacrifice for my sins In Jesus' name. Amen"

Yes: I did make the decision to get saved

Now find a Bible-Believing Church and grow in your faith daily! Pray and read your bible as you tell others of your love for Jesus.

God's Holy Cup

There is a way to make the escape
No time to lose but don't hesitate.
Time is fleeting – now or never
From God's throne flows a river!

Come and be saved - live for Christ,
Jesus died and arose to pay the price.
Be sure and safe – rejoice and pray
Jesus could come back even today.

Tell your family and all friends
The love of God has no end.
Live in faith - the time is now
Let the Word show you how.

Get on board this gospel train...
On Heaven's shore there is no pain.
It won't be long – we're going up
Drink Salvation from God's Holy Cup.

Lord

Lord, you are my friend
We need thee every hour.
Without your lovely Spirit
We would have no power!

We give to you our all in all,
On thee, O Lord - we daily call.

Keep me Lord in Thy good will
Your loving Spirit let me feel.

Lord, You are my reason everyday
My life is yours - to you we pray!

My Guide

Lord, you are my guide
In everyday life!
You give me strength
To overcome strife!
There is no other
By Your loving Grace.
Our only hope...
For the human race!
Take my life
And make it Thine,
Purify my heart
And cleanse my mind!
Use me Lord...
For your good will.
By your Spirit
My life is sealed.

A Godly Mother

A godly Mother is a beacon of light...
Standing for truth fighting the good fight!

A true Mother will walk in the way
While being honest from day to day.

A Mother of prayer will take the time
To worship Jesus so humble and kind!

A godly Mother is a gift indeed...
Knowing our Savior - He did bleed.

A caring Mother surrenders to Christ
Jesus our Lord did pay the price!
A Mother of faith will always be strong
Living for truth while warning of wrong.
God gave us hope - this is so true
So we can say to our Mother
"We love you"

Lovely Little Star

Sweet and lovely - O gentle star
Up above so near and far.
What a blessing - to know you are
You can even be seen from my car.

The clouds do try and cover your face
Your light is seen from place to place.
There is joy at the thoughts of such Grace
To not speak this truth would be a waste!

Thank you my friend for being so free
The God that made you also made me.
Now as we ponder the mountains and sea
Within my heart you shall always be.

My Wonderful Father

On this day as we take the time...
To honor our Fathers - they are so kind.
Thank you Lord for blessings of love
A caring Father is a gift from above.

This is a moment to reflect and pause
God gives us purpose with a cause.
Because of Fathers there is a reason
To rejoice in truth - season to season.

God gave His Son - by faith we grow
Jesus is that light - so we can know.
A loving Father will point the way...
While living in hope each and every day.

"All to Jesus - We fully surrender"
Thank you Lord for a Father so tender!

SAUL LOSES AT LIFE

Saul was a man of unsure ways...
Sad was his spirit with darker days.
Saul fought David while angry at heart
David kept rejoicing - Saul fell apart!

A man of confusion - like a troubled sea
Not any peace - like a fire of jealousy!
He hoped his ways would see him through
But without faith - he knew not what to do.

Saul wondered far from God's Grace...
He cried like a baby from place to place!
Unstable was Saul - so all alone...
Like a singer without a pretty song!

Finally at last - Saul paid very well
Upon his own sword - finally he fell!
Even in death he threw in his hand...
He lived, as he died - a very sad man!

Sunday Is Everyday

Sunday has arrived
To me it's everyday.
Praising the name of Jesus
Now - let us bow and pray!

Preaching and singing
What a wonderful joy!
Time for praising Jesus
Man woman girl and boy!

Sunday is a glorious day...
Humbling our hearts together!
Giving God all the glory...
No matter what the weather.

Not a more perfect time...
Being with family and friends.
We must tell all nations...
The love of God has no end!

Obedying truth is a gift
Forgiveness to receive...
Give your heart fully to Jesus
Surrender and give heed!

The Brave And Strong

Those that served - they did their part...
To stand for liberty from within the heart!

We thank our Lord for those that served
They stood for truth within God's Word.

Their memory shall live on day by day
They gave their life - not just for pay.

Their sacrifice of love is a gift indeed
For us to grow - they planted the seed.

Now our churches can spread the Light
For our freedom, they were willing to fight!

In true faith - as we now carry on...
Thank you Lord for those brave and strong.

The Way It Is

The way it is, we can't help but wonder...
Why doesn't God unleash His mighty thunder!
Hustle and bustle with chaos in our streets
Why don't people bow at Jesus' feet!

Some has responded, thank God for that
Others living in pride won't even tilt a hat.
So much sadness, can't someone even smile?
Love one another - and go the extra mile.

The way it is - how can this ever be,
Only Jesus Christ can set you free!
At last, while awake! Or, was this a dream
A lake in the canyon - a river and stream!

Jesus protects His children, tender and sure
He gives sweet peace - Grace is the cure!
The way it is - take a look all around...
Before leaving Earth - will you be found?

True Mercy

Mercy is offered
To all who pray.
A gift for us...
To receive each day!
Mercy is great...
Wonderful and free!
Jesus paid the cost
On Calvary!
Whosoever will
Can have this gift.
To ease a hurt...
With a burden to lift.
Mercy is eternal
And offers a cure.
God is love –
His mercy is pure.

When God Speaks

When God speaks
Souls are changed.
All is made well
As our life is rearranged!

When God speaks
Hearts are blessed.
We endure the trials
And overcome every test.

When God speaks
All is made right.
The Spirit will deliver
Evil flees your sight!

When God speaks
Heaven stands still.
On earth we rejoice...
As broken dreams are healed.

Here In Time

Here in time to say for sure...
Speak in truth - open the door.
Let someone know they are unique
Put on earth to learn and to seek.

Thank you my neighbor for caring so
Your being here helps others to know.
There is hope within this life...
To be a friend is to turn from strife.

Those who arrive upon this ground
Are welcome here without a frown.
Words and actions can speak so well
To live in peace is to never fail.

Here in time we must carry on...
Growing in faith will make you strong.
Over and over - like gold is refined
A will is a way - a reason is a rhyme.

Woe Is Me

On the day you were going to do for self
Forget for a moment and put me on a shelf.
Do something for those that are unable to go
Let love be your reason to live and show.

Don't let self ever hold back a friend
For this condition will lead to a sin!
To live for self is to stand in your way
Do unto others - be humble and pray.

Lend a caring hand - this surely is right
Be friendly and cheerful day and night.
Reach out in love - hear what others must say
Then overcome this person, they call – just me.

True Friends

God gives us friends we can know...
They really care as we also do grow.
Friends are those who truly loves Christ
Jesus our Savior paid the supreme price!

God gives us friends for He is one too
Nation to nation - across the ocean blue!
A friend in need truly is a friend indeed
On the cross of Calvary Jesus did bleed!

Thank you Lord...
For being a true friend!
Closer than a brother -
A love that shall not end!
