

Moving Forward

by

Donald Franklin Dixon

Moving Forward

Take the time to be a witness
What you do for Jesus can be effective.
Being a Child of the heavenly King...
Saves our soul and makes us clean.
Moving Forward is the right direction
To not treat pain can cause infection.
It's easy in the daylight to see all around
When night then comes it's harder to be
found.
Getting in tune with truth while you can...
Will get you ready across sea and land.
A mountain may appear within your view
Trusting in Jesus is to be faithful and true.
Speak your peace each moment and season
God gives our life purpose with a reason.
Moving forward daily with angels at your
side
Across the galaxies into heaven we shall
ride!

Jesus Gave

When we follow, God is there
Giving us peace while calming our fear.
Living in hope is the only way
To experience joy each and everyday.

There is no light without the Word
Living without Christ is totally absurd.
Help was sent from up above
The Bible is written in God's blood.

Jesus gave us just what we need
In our heart the gospel seed.
When we grow in our belief
From our sins we are released!

Pressing on in hope is a gift
The Spirit of God your burden will lift.
Jesus gave what can't be taken
In his will our life is awakened.

These poems are written to glorify Jesus Christ!

My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!

Those who are not saved; my prayer and hope is that you will surrender your heart to Jesus right away!

There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 *For the scripture saith, Whosoever believeth on him shall not be ashamed.*

(C) **Confess:** Rom 10:9 *That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.*

**If you want to be saved, pray this prayer from your heart...
Sinner's prayer:** *"Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third day Thank you for becoming the sacrifice for my sins In Jesus' name. Amen"*

Yes: I did make the decision to get saved

**Now find a Bible-Believing Church and grow in your faith daily!
Pray and read your bible as you tell others of your love for Jesus.**

Where To

While going nowhere so very fast...
These kinds of ways will not last.
When caught up endlessly within a rut
Clouds to gather as the sky will shut.

To ignore the truth is not so fine
To get in focus is to use the time.

What is offered will be your guide
Come to this place and enter inside.

Where to next will this life lead?
That depends on what you believe.
A reason now is given instead
Surrender to Jesus, then move ahead.

At that moment the door shall open
God will give grace while daily coping.
Whatever you thought that would not matter
Will bring on sunlight as dark clouds scatter.

I Am

Moses wanted to help the people of God
Then one day he was given a rod.
While at the burning bush Moses was told
Now you must go and learn to be bold.
There at the bush the Word was given
The time did come- a message from Heaven.
Go and tell Pharaoh "Let my people go."
This truth was spoken for the world to know.
I Am, that I Am was the sermon to preach
Moses did worship at God's holy feet.
Even though Moses was not a great speaker
One thing for sure - he had the best teacher.
On into Egypt, Moses surely did go...
"I Am has sent me - Let my people go."
Ten plagues were sent before they could leave
Finally at last the Word was given heed.
The people did follow as the exodus took place
The Red Sea did open Pharaoh lost the case.
When the sea closed, the army did drown
By that time the Hebrew children had left town.
To worship in the wilderness no time to lose
Out of bondage with not a second to snooze.
Forty-years before entering the promised land
Ten commandments God gave us by his hand.

Joy Is Real

Where there is joy we have been given strength
Telling to others the height and length.
God has no boundaries when it comes to salvation
He offers true forgiveness to every nation.
Come to this table for a glorious taste...
Feed on this manna without a moment to waste.
Joy unspeakable and so full of glory...
Receive into your soul the old, old story.
Don't let anything cause you to delay
Call upon the Lord and take time to pray.
Always giving thanks for all that he said
Jesus is there to offer us his daily bread.
The blessings are eternal for those who receive
Mountains can be moved when we give heed.
Taking a stand for what is biblically right
We walk by faith and not by sight.
God always cares and his joy is real...
All to thee we surrender and freely give.
No one on earth can take his place...
The lily of the valley- Soon we'll see his face.
The fairest of ten thousand, all should know
His power is great and his love we must show.

Higher We Go

Sudden shock can cause much confusion
The higher we go keeps us from losing.
Looking to the source while getting real help
By God's Spirit - we shall be kept.

As we seek while going the way
Gladness of heart makes for a brighter day!
Where there is comfort great peace is so fine
No need to fret when you can rest your mind.

"Just as I am" is a beautiful hymn...
Like fruit that is growing upon a limb.
When you come to Jesus to answer his call
He delivers his people from the fall.

Jesus loves his children this is for sure
He will be there to give the right cure.
Call on him and let him know...
The more we trust him - the higher we go!

Life

Many to say what they believe
Life is like a mustard seed.
Some to pass the message by...
Others to never even wonder why.

In this world there is much to learn
To sweat while getting what we earn.
Circumstances to try and take us away
Life is a challenge from day to day.

Seasons are certain - life sometimes has pain
There's always Sunshine after the rain.
Storm clouds vanish as the rainbows appear
God shall wipe away each and every tear.

There are things we all must know
Salvation is a gift in faith we grow.
God did come here to pay the supreme price
Life is a journey because of Jesus Christ.

A Miracle

Isn't it astonishing how a helicopter can fly?
Bees can make honey and birds fly high.
So much Awe all over the earth...
The miracle of a woman giving birth.

The mountains and valleys, rocks and sand
You and me walking hand in hand.
Little children crying out for love
God sent his son from up above.

Miracles to come in so many ways
Another Sun rises adding to our days.
The concern of a praying human being
Jesus can wash away all of our sins.

So much to experience in this world
Ladies and gentlemen boys and girls.
Fish in the ocean, planets out in space
The miracle of having a smile on your face.

The air we breathe from plants and trees
Apples and oranges from a tiny seed.
A miracle is in the making here and now...
To humble your heart - before Jesus we bow.

Great Wonder

Invisible is the sound but can be heard
Faith comes by hearing, hearing by the Word.
Jesus walked on the water and fed so many
Twelve baskets left over which was plenty.

Now and forever is this great wonder...
God sent his son from way up yonder.
So much he did to never be ignored
He spoke with the power of a two-edged sword.

What a great wonder when he was arrested
After healing the sick, his truth was contested.
Scribes and Pharisees to mock at his name
They tried to kill him and put him to shame.

After they stripped him of his garments
A self-righteous hypocrite is an evil varment.
Jesus willingly gave his life for us all...
To eternally be saved on him we must call.

Such a great wonder what was achieved
A God came to earth that was willing to bleed.
Death was defeated with the power of love
Jesus rose victoriously to open heaven above!

Behold The Truth

Coming into view is this vision
Not looking ahead can cause a collision.
Doing what's right without wasting time
Can turn a serious hurt into a rhyme.

Behold the truth and stay involved
All our troubles - God can surely solve.
Speaking one way - but living another...
Never has helped a sister - or brother.

Being uncaring will create a delay...
Can even cause a person to forget to pray.
To behold the truth is staying strong...
Choosing what's right can turn us from wrong.

Paul and Barnabas taught from city to city
For those who ignored, oh, what a pity.
To receive the truth is to be a blessing
Get ready for victory after some testing.

We are here then soon to leave
Be a soldier willing to bleed.
Take a stand and don't let loose...
Live the ways of the gospel truth!

Ask

When you are seeking the right direction
No need to hold back until after the election.
Call out in kindness - make your request
Give it all you've got while doing your best.

To accept the blessing of what will last
Solutions outweigh problems, take time to ask.
Over the mountain there is a stream
With rivers of mercy - life is not a dream.

Every single pain has a certain cure...
Because of the question you need to be sure.
Getting the right advice is a real fact...
Whoever ignores shall become weaker and slack.

Planting a seed is like being a part
As the plant develops so will your heart.
Whatever your situation just keep knowing
Ask, it shall be given - rejoice while growing.

Reach The World

To turn on the light there must be power
This is the day - now is the hour.
Souls are weighing in the balance
God gave us gifts along with talents.

We are called to reach out to the world
Like finding an oyster with a beautiful pearl.
Beginning at home just where we are
No need to seal yourself within a jar.

Blessings are poured upon a willing soul...
Be a caring witness so humble and bold.
Out in the harvest where reaping is done
Open the bible - God gave his begotten son.

Jesus is the answer for every reason...
Stay with the gospel regardless of the season.
You are the one God and cannot loose...
To live for Jesus - the right way to choose.

God Is Good

Upon the solid rock the house will not shift
Whatever we have been given is an eternal gift.
On the shores of hope - peace drives out fear
Where there is power - our God will be there.

God is always right and he's never late
Assurance gives comfort without a mistake.
On track with the Savior we are to stay
To submit to his ways is to take time to pray.

As the heavens are higher above this earth
Knowing you're saved is a second birth.
God is good for giving His Grace
What's in your soul is seen on your face.

Hymns and poems are written to encourage
Draw nigh to God and be not so worried.
We have a friend - closer than a brother
His name is Jesus - there is no other!

To Do So

That which is eternal can be difficult to perceive
The answers are given to those willing to receive.

In the halls of justice you will hear an echo...
You shall surely reap just what you sow.

Pain will be felt where there is sorrow...
Some live in the past, others live for tomorrow.
Many are being taught to go for the gold...
Few who are living with peace in their soul.

Where you find goodness there's no need to hide
Come to the table and find safety inside.
To do so is right, but to leave the narrow way
Will cause a dilemma and lead you astray.

Love is the reason God put us here...
He is always aware of our every tear.
Stay calm when hurting, keep moving ahead
Jesus will be there just like he said.

Come To Life

Some are being told the very bad news
Even after having paid a lifetime of dues.
You need not always be looking down...
It's time to escape a sad only frown.

Sure there is fighting with so much strife
That's why we need to come to life.
Living in confusion has no resting-place
Anguish of mind is an uncertain face.

Learn from the past here in the present...
Even when circumstances are not so pleasant.
There's power in knowing we have been given
The promise of victory - here, and in heaven.

Delete from your mind the idea of turning back
Take your coat down from off the rack.
Head into the storm with a firm grip in place
Find real strength by seeking God's face.

Endure

One day while weak my heart feeling low...
Someone came by to encourage me so.
Way down in a valley there was some light
You will get better by fighting the good fight.

What does it mean to sometimes endure?
God is getting you ready for the real cure.
Hold on in faith, the more difficult it seems
Rivers are started with the smallest of streams.

As we find healing in this great search
People are praying in homes and at church.
Those who are sick needing a hand...
Deliverance is spreading across the land.

Stay on the phone with heaven above...
The lines are open like wings of a dove.
The Spirit is telling us that it won't be long
Your troubles will soon become a lovely song.

The Way It Is

Einstein used numbers to describe stars at night
God gave His Word, and said "Let there be light."
Many a true thinker, artist, preacher and poet...
Describes many events so that all can know it.

When Matthew and Mark picked up a pen...
They spoke of a Savior that can save from sin.
Luke came along with a story indeed...
On Calvary cross Jesus surely did bleed.

John then wrote within the glorious gospel
Our Lord can deliver from forces so hostile.

On into the bible both Old and New Testament
Trusting in Jesus is our greatest investment.

Regardless of your past there's hope for a believer
Living for the Lord overcomes the deceiver.

The way it has been - what is so clear...
No matter your trial - God will always be there.
