

Being Sure

by

Being Sure

We are facing many situations...
There is no time for any hesitation.
Finding the way is having a plan
Especially when doing all you can.

Summer to return after winter leaves...
Springtime is when we plant our seeds.
After the ground has been prepared
Wheat will grow along with the tares!

As best we can possibly know...
We should be ready wherever we go.
Staying aware of the latest news...
Keeps us informed of certain views.

When all is said – the chips may fall
Living in faith is to answer the call.
Saying one thing but not doing right
Can keep a soul from seeing the light.

Faith And Knowledge

When we are given something sweet
To make you strong and never weak!
Faith and knowledge works together
When you trust no matter the weather.

We are taught to humbly, ask...
Be calm and pray – for joy to last.
Jesus will help us in His own way
For our souls – He did pay!

Such a gift offers us knowledge
Wherever you go – home or college!
In the streets the bells do ring...
Church now as we preach and sing!

Build in love and live in hope:
There is no other way to cope.
Faith and knowledge is very real
Your soul and spirit – God will fill.

These poems are written to glorify Jesus Christ!

My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!

Those who are not saved; my prayer and hope is that you will surrender your heart to Jesus right away!

There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 For the scripture saith, Whosoever believeth on him shall not be ashamed.

(C) **Confess:** Rom 10:9 That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

If you want to be saved, pray this prayer from your heart...

Sinner's prayer: *"Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third day Thank you for becoming the sacrifice for my sins In Jesus' name. Amen"*

Yes: I did make the decision to get saved

Now find a Bible-Believing Church and grow in your faith daily!

Pray and read your Bible as you tell others of your love for Jesus.

So Wonderful

People with vision – trying to reach out
God gave us life as we search all about.
Over to a neighbor to see how they are
Knowing the way - we can travel afar!

Doing an honest job - the family is fed...
Helping the hurting – just like God said!
Encouraging one another whenever in need
Christian friendship – the Bible we believe!

So wonderful to watch the clouds unfold
This poem is written from heart and soul!
The flowers are blooming all over town...
Springtime is here and such joy is found!

All that we know from what we have learned
What you can't buy – there's no way to earn.
Wonderful and pure - real and free...
Salvation is a gift – throughout eternity!

Fresh Each Day

The trail gets weary from time to time...
Some moments great - others, not so fine!
Although feelings will try and control
Let faith in God have rule in your soul.

Fresh each day - the Spirit renews
Regardless of our earthly views!
We have a source of strength within...
Because of Grace we're saved from sin!

Fresh each day with a new sunrise,
We have no reason for any disguise.
The gift of love to enter your heart
Keeps us all from falling apart!

When someone goes the opposite way...
Their life is confused like hardened clay.
Fresh each day - the comfort of knowing
Plant in hope and continue growing!

Whenever

Whenever you hear the trump to sound
All believers will evacuate this town!
Toward the mountain of the new horizon
Resurrection morn - souls will be rising!

Excitement building most everywhere
God will wipe away our every tear!
Saints should be ready for that day...
Whenever God calls us home to stay!

The front-page news will surely read...
"Millions are missing – to vanish indeed!"
Those who did not respond to this warning
Will not depart that resurrection morning!

Whenever is now – no time to pout...
"Come up hither" will be the shout!
Revelation is certain to head this way...
Get on board for that grand reunion day!

Beware

Even a fish knows when danger is near
They also will avoid uncertain fear!
Though often times they still get struck
We as people need to take a closer look!

Unexpected situation creates a must...
Some folks will even swear and cuss.
Anger is not how we are to get by...
Unto the Lord - be humble and cry!

Beware of causing your own trial...
Ignoring problems will prolong each mile.
Take a step toward the right elevation...
Trust the Lord without hesitation!

Beware of blaming others for your guilt
Backbiting is another form of filth!
Take responsibility for your ways...
Receive good help and seek better days.

For The Good

A victim is someone that gives up
Even though pain can empty the cup.
Getting the wind knocked from the sails
All for the good but, so hard to tell.

Being overwhelmed by sudden trials...
Hurts your plans – can hide many smiles.
Luck has nothing to do with escape...
Search for help and never hesitate.

Whatever happens – there is a reason
Ignoring facts can disrupt any season!
For the good we have real hope...
Reject all vanity then cut the rope!

Hold onto faith and continue doing right
When dawn appears – then comes light.
Give your best effort – God will provide.
For the good – we shall not subside!

Across The Land

To teach someone else, how to be
We ourselves must first be free!
There is a path – once you find...
Gentle the soul with peace of mind.

Great success once you have arrived
To reject evil is to turn from pride.
When you reach that greater plain...
Then for sure your life will change.

Sunshine is bright all across the land
Water is purified with rocks and sand.
Bees are needed to give us honey...
Perfect love is not a matter of money.

So very real is a caring friend...
The wisdom of God has no end!
Surprises are fine – tricks are deceiving
Going to Heaven – Saints will be leaving!

True Dedication

There is always a need to carry on...
Things get rough and can go wrong.
True dedication is the best we give
A Christlike heart will forgive.

Reject lying and all evil ways...
Purer the heart – brighter the days.
The best advice to ever take...
Learn your lesson – not too late!

Never a reason for being lost
Without delay - count the cost!
What is hidden shall be told...
A satisfied mind is a happy soul!

True dedication to a calling...
Can keep you from sadly falling!
Laugh not at someone you don't know
You shall also reap what you sow!

Like A Tall Tower

Priorities are good – more than that
Being very sure of where you're at!
From the distant – a beam of power
We too can be like that tall tower!

There's more than getting all you can
How brave you are, is to take a stand!
Open your heart and receive a shower
Stay sure and firm – like a tall tower!

A message to send for those in tune
Find the channel – don't wait till June.
Never let a second overtake the hour
Reach out in love – like a tall tower!

Going To Where

The crow will alert their own to flee
A deer will hide so we don't see.
All squirrels gather for the winter
Name of the Lord is our defender!

Going to where there is green pasture
We're headed there so much faster!
Thoughts are keen – Spirit overflowing
Greater than gold - very brightly glowing!

Folks will choose what to follow...
Faith is genuine – selfishness is hollow!
Words and action speak for itself...
Complaining can place you on a shelf!

Get in the arena – leave the sidelines
God is love – and that's just fine!
We're going where everything is pure
Beyond the galaxies to a perfect shore!

Out There

When the showers are gushing down
Streams will run across the ground.
Completely wet - from trees to yard...
While on the road - dangerous and hard!

Life can be like a spring-shower...
In love we grow by God's own Power!
Out there in the streets - folks are sliding
Some confused while scared and hiding!

Upon this Earth - here for a short stay
Some refuse to take time to pray.
Others are rejoicing with hearts that care
Soon our journey will take us out there!

Staying ready is being in touch...
God has blessed us - so very much!
Out there the skies are clean and bright
Faith will take us into that light!

Few

Our thoughts are leading a certain way
Allow me to take this moment to say.
"When you direct your mind to seek...
It's then to others - a message to speak."

Not everyone hears the majestic sound
Many are in darkness - few are found.
"Come to the well and drink so free"
This is how life should always be!

Few are accepting the invitation to sing
Hear ye people as Church bells ring!
Preachers, Deacons, Neighbors and Friends
Jesus is the victory - we all can win!

Across the canyon there is a home...
People are happy and staying strong!
Few to visit where others do live...
Spreading God's Word is how we give!

Here And Gone

Getting things right - we sometimes miss...
Seems almost surely – there are certain risks!

The only thing that is always for sure
Mercy and Grace are eternal and pure.

When you feel your strength is weak...

There is a silent place we can seek.
Calm your heart and surrender your mind
The Lord is there - so beautiful and fine!

Here and gone without a solitary trace...
Many will be headed to that glorious place!
Rest in love and get ready to leave...
The rapture is coming God's Word to heed!

Here and gone the Word has spoken...
On every hillside trees will be smoking!
Flames to consume this entire Earth...
Without Jesus – there's no real worth!

He Hears His Child

God the Father - He hears His child
He is with us every single mile!
Abba, Father – He will daily provide
He will punish the sinner's pride!

God our Savior knows our cares
He is there to sooth our fears.
The Lord is just a prayer away...
He stills the night and gives us day!

God is watching over His sheep...
He has promised our soul to keep!
He hears us when we make our cry
We're headed home – like a bird to fly!

All to Thee – our Lord, so dear...
Thank you Father for being near.
He hears us as we make our plea
Jesus is the door – He has the key!

The True Witness

False religions are all over this place
An evil grin is upon their face.
Most of these people are so confused
The Truth of God - they surely misuse!

Well, it's not a joke to mislead a soul
These folks are even sassy and cold!
Their plan is to fight against the Word
They pretend to know what has occurred.

A true witness will live in love...
To let you know Jesus came from above.
A perfect life - our Savior did live...
By His blood He's willing to forgive.

No other way to find real salvation...
Rejecting the Blood leads to revelation!
Add not or remove from the Holy Bible
God will judge upon His next arrival!

It Is Finished

Moses did much to help the nation...
He did it all without any hesitation.
David, the King, went the extra mile...
His victory was known many a mile!

Elijah was willing to hear God's voice
To warn of evil was his greatest choice!
Isaiah took a stand for what was right,
Ezekiel was sure - he saw the light!

Deborah took a stand against the enemy
They ran from her army toward infinity.
Rachael even died - while giving birth...
The truth she lived was a greater worth!

When Jesus came the Word was fulfilled
A Savior would suffer - His life to give!
Evil was defeated and sin was diminished
Upon the Cross, He cried "It Is Finished!"
