

Living Bread

by

Donald Franklin Dixon

Living Bread

The blessings of a happy life...
Those who surely turn from strife!
In the light of what is done...
Bread of Heaven is Jesus the Son!

For all time once you believe...
Salvation is a gift for all to receive.
Take a taste of bread from within
Jesus saves and forgives of sin.

Living bread is a glorious gift...
The Word of God is for us to lift.
All who repent and come to Christ
Paid in full at such a perfect price!

Living bread is the way to be sure
Power over guilt and very sure!
Richer than any gold reserve...
Believer in Christ forever preserved!

Don't Ignore

My Lord will come in the sky...
Earth to shake as missiles do fly!
The war will end without delay...
Tyrants to fall and they shall pay!

God to rule this entire planet...
Rewards for saints will be granted.
All God's people shall be blessed,
By God's Grace we pass each test.

No one left will be able to ignore,
Receive the Word or out the door!
Those to reject has been told...
They will answer with their soul!

Come my friend, the time to seek
Live in love and always be meek!
Reach the world with Christ like ways
God has promised His sunlight rays!

These poems are written to glorify Jesus Christ!

My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!

Those who are not saved; my prayer is that you will surrender your heart to Jesus right away!

There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 For the scripture saith, Whosoever believeth on him shall not be ashamed.

(C) **Confess:** Rom 10:9 That if thou shalt *confess* with thy mouth the Lord Jesus, and shalt believe in thine heart that God *hath raised him from the dead, thou shalt be saved.*

If you want to be saved, pray this prayer from your heart...

Sinner's prayer: "Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third- day. Thank you for becoming the sacrifice for my sins! In Jesus' name. Amen!"

Yes: I did make the decision to get saved
Now find a Bible-Believing Church and grow in your faith
daily!

Pray and read your Bible as you tell others of your love for Jesus!

Such Ways

So much happened every hour...
Missiles are hitting with such power!
Soldiers are faced with contention
Enemy fire from the opposition!

The fact is - many are warned...
Those who care are often scorned.
Folks who trust in God above...
Giving their best in Christ-like love.

Day by day as we move forth
God is there to set the course!
We are children of the King...
A gift so great - it makes me sing!

Even though we are often opposed
The battle is raging with many foes!
While taking the Word to each city
Many to reject - and what a pity!

Arise And Shine

We have a reason here to serve
God can see around each curve.
All to Jesus we must surrender
Love is real and peace so tender.

Arise and shine - the light is come
Sin and darkness is surely no fun!
Awake to Christ the winds to cease
At God's table is a joyous feast!

Pure and righteous, our God is able
Power of truth will keep us stable.
Arise and shine as a willing saint
Turn from pride and do not faint!

Rejoicing is heard across the town
In true faith our soul is found.
Now is when to arise and shine
Do it now while there's still time!

Glory To Christ

The Lord is always very near
In His Word He will be there!
Take the truth wherever you go
Jesus Christ - they need to know!

Because of truth we now can see
Living for Jesus will set you free!
Tears of sorrow can be healed...
By God's Grace the Spirit to seal!

Ask in faith and follow in love
Angels are watching from above.
Rejoice in hope - all together...
Jesus is close regardless the weather!

Now is when to do God's will...
The peace He offers is very real!
On we go because victory is sure...
Glory to Jesus and His word is pure!

As You Seek

Those who care will go forth
God the Savior is our source.
We shall prevail in true faith
Only Jesus can keep us safe.

As we do what must be done...
Look to Jesus – He is the One!
Go in love to those you reach...
We have a calling to gladly preach!

Here today but soon to leave...
How we trust is what we believe.
Let us drink where the water is pure
Praise the Lord and always be sure.

The flesh will try and hold you back
Not a second to delay or be slack!
The Word we hear is what we speak
Pray to Jesus and His will to seek.

All Who Obey

We are blessed to daily be strong
Christ will help you to carry on.
Sad for those who will turn away

Here we are – a cup to be filled...
Overflowing joy is something real.
Peace is given to those who obey
First of all take the time to pray.

A challenge surely lay out before
Jesus is the key to open the door!
Live in hope and continue to abide
Turn from sin that causes pride.

It is right to keep doing your part...
The Holy Sprit will direct your heart.
Give your life - be careful and bold...
The truth we send is greater than gold!

Get A Life

Some has not yet made the choice
Many are speaking without a voice.
Sad for those that moves on out...
Few are willing to endure and shout

Get a life and come right on in...
Never again to be controlled by sin!
We're here now for a very short time...
Trust in Jesus and rest your weary mind.

Take a look at where you're headed
Get a life and you won't regret it!
A Word of truth drives out fear
Sing a song and say a prayer.

On this road we encounter bumps
Even at times we experience lumps!
God is there to calm our soul.
Get a life and stay caring and bold!

What Shall Be

God is reaching out in truth...
Beware of darkness on the loose.
The road is straight, also narrow!

Be not mad when someone cares
Only Jesus can rest your fears.
Take the message you are given...
Make preparations to go to Heaven!

What shall be is soon to come...
The time is here to trust the Son.
The greatest hope is as you grow
After accepting, the light will show.

Many are living in guilt and shame
All will answer to Jesus' name!
What shall be as the truth is said,
The way to God is paved in red!

Final Judgment

Who we are will ultimately tell...
Make a choice, either Heaven or hell!
Final judgment is nearing so fast
Do what's right and make it last!

We need not fret from this day on
Praising Jesus is a joyous song!
Now is when you can be sure...
Prayer and faith will keep you pure.

Final judgment will come one day
Be ready and willing without delay.
Follow the truth and carry the light
Praise the Lord and fight the fight!

Every soul will one day leave...
All by Grace we must give heed!
Let God's will gladly be done
Worship in love God's holy Son!

Caring And True

Preachers are telling what to do...
The message of Jesus is all so true.
Pray the preachers will do right,
Help them as they teach in light!

Preachers must endure within this life
They also must warn of evil and strife!
Take a look first at who you are...
Then put not the preacher in a jar!

A preacher to study then they preach
Listen carefully to what they teach!
Take the message wherever you go,
Trust in Jesus and continue to grow.

The Lord is there helping us to learn
A preacher to reach in great concern!
God to direct whatever we shall do
Thank you Jesus so caring and true!

The Son To Shine

The day has come at last to rise
Out the door are clear blue skies!
There is a song within my soul...
Good it is, to be humble and bold!

Let the Son shine as you sing...
Rejoice in hope as bells do ring!
Tell the world the time is near,
Jesus is coming this is so clear!

You're either saved or will be lost
Mercy is offered so count the cost!
Take the gift that can be received
Hear the Word - then give heed!

We are told just what to do...
The final choice is up to you.
How to live is caring and kind...
Daily in love let the Son now shine!

True Hope

At our best and sometimes weak
Daily we grow as we also seek.
To not go forth and to not carry on
Be not careless or you end up wrong!

Stay on track with the Lord...
When life is rough and often hard!
Jesus will calm the raging sea...
In His holy will we are set free!

His yoke is easy and burden so light
Keep His message within your sight.
Without vision people do perish...
Take His Word and always cherish.

Eternal confusion for rejecting truth
The ways of evil are vain and loose!
On shaky ground many do trod...
Jesus will return with a mighty rod!

It's Time

Woe to a back-bitter living in guilt
Those to curse are consumed by filth.
You need a change from deep within
The blood of Jesus can save from sin.

It's time to be sure where to stand
It's time to live within God's plan.
It's time point others to the narrow way
It's time to be humble as you pray.

Jesus is forever the Lord and King
Jesus is the reason bells do ring!
Jesus is the hope as we go forth
Jesus is able to keep us on course!

It's time for all to hear His voice
It's time for us to make the choice.
It's time to listen and be aware...
It's time to gladly show we care.

That Is Why

What God gives is a gift each day
Trust His Word as you often pray.
How we believe will be revealed
That is why we need to kneel.

When we seek to do His will...
That is why we can be healed.
The life we live is very good
Let us grow just as we should!

When we go to the place to be
That is why we can be free.
Those who show they really care
Live in faith and do not fear.

We all must do whatever is right
That is why God gave His light.
Seeking God's way is what to do
Live in faith - be humble and true.

Across Time

Where are those that do their best
Who will face and endure the test?
What is your reason in life each day
When will the lost repent and pray!

Here is now, yesterday was then
Putting off Jesus is surely a sin!
All we do is known across time...
Faith and hope can save and refine!

“The best they say is yet to come”
God the Father is the Three In One.
Take the hand of a caring soul...
Come to the light and join the fold!

Safe is the people walking in love
Jesus is willing to take us above.
Find the path straight as an arrow
Across time this road is so narrow!

Everywhere

Things we experience can be unique
Like sailing a boat without a leak.
Being sure is a good thing indeed
The gift of love is a wonderful seed!

Everywhere, there's joy to be found...
Everywhere is shouting across the town.
Everywhere, church bells loudly ring...
Everywhere people rejoice, as they sing!

What don't work is not meant to be...
The sanctified soul is happy and free!
Those who are hurting can get victory
Daily remain calm - Jesus has the key!

-

Quickly for sure the Son will shine...
Everywhere there's peace so divine!
Stay in prayer - move forth in faith...
Jesus gives hope for the human race!
