### **Real Treasure**

What we have is a true blessing  
Victory does come after the testing!  
What we receive is a real treasure  
With true faith there is spiritual pleasure!

Pure in heart is the way to be...  
The blood of Jesus sets us free!  
Real treasure comes when we trust  
To be born-again is an urgent must!

Where we go and whatever we do  
Doing our part is staying true.  
This is the time to daily live...  
Joy of heart is a blessing to feel!

Each real treasure God doth supply  
Home with Jesus we soon shall fly!  
Being a doer is a reason to sing...  
Jesus Christ is our glorious King!

### **Believe**

What we believe can surely be right  
Living for Jesus within God's sight.  
Soon to escape this present life...  
Being a Christian is to overcome strife!

Believe in love - this is so good...  
Believe in truth just like you should.  
Believe in heaven - soon we will see  
Believe in Jesus and you can be free!

The sky above offers a real sign  
God gives us light all in His time!  
The sun and clouds gather around  
Within God's mercy we can be found!

What we believe both here and there  
Trust in Christ then out goes the fear!  
What we accept is how we believe...  
Praise the Lord and daily give heed!

**These poems are written to glorify Jesus Christ!**

**My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!**

\*\*\*\*\*

**Those who are not saved; my prayer is that you will surrender your heart to Jesus right away!**

**There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!**

**Sinner's prayer:** *"Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third- day. Thank you for becoming the sacrifice for my sins! In Jesus' name. Amen!"*

**Yes: I did make the decision to get saved**

*Now find a Bible-Believing Church and grow in your faith daily!*

**Pray and read your Bible as you tell others of your love for Jesus!**

**New**

Faith really matters - our God is able  
This holy calling is not a fable!  
We are upon a righteous path...  
Jesus gives love that surely will last!

The curtain to open with a view  
God does bless the things we do.  
Angels do gather watching so close  
Salvation a gift - of works don't boast!

Power all power - from Almighty God  
He who died - He holds the rod!  
Jesus arose and He shall return  
We're headed home - the earth to burn!

As we seek to live in one accord  
Trust God's word - He is the Lord!  
My heart is glad - all things are new  
God will show us just what to do!

### **Be On Guard**

We are closer than before  
Jesus Christ is at the door.  
Pagans are lost in filth in sin  
Evil ways they cannot win.

Only Jesus can save a soul  
False religion is dead and cold!  
Hope in love by God's Grace  
Live for Jesus and win the race.

From here to yonder and over there  
So much fighting consumed by fear  
Lies are told most everyday...  
Many are forgetting how to pray.

A fall away can now be seen...  
Souls are perishing in a fiery stream!  
Help us Lord to stay on course...  
Judgment to come with a mighty force.

### **Being Content**

Earth has become a battleground  
Victory is given when we are found.  
Trusting God is the only way...  
For our sins Christ Jesus did pay.

The perfect Lamb, He gave His all  
Upon the Lord we need to call.  
Live for Jesus and be precise...  
God gave His love because of Christ.

Being content is how to live...  
Help is offered - God will forgive.  
Tell a friend - God is love  
He sent this gift from above.

Joy is real for all that believe...  
The mercy of God we must receive.  
Carry on and always be steadfast  
Make the best of what will last!

### **Hope For Others**

Many a soul have heard the truth  
Soon the sky will surely let loose!  
Before the curtain is finally pulled  
Hope for others is to not be dull!

Those who care to find the path  
Be not afraid to ever ask.  
Once you find what is the cure  
Hope for others is something sure!

In this daily hustling world  
To live for self is a downward swirl!  
What we do can always be seen  
Let it flow like a mountain stream!

Hope for others is to point the way  
We are headed for a brighter day.  
Who we are and what we learn  
Something free you cannot earn!

### **Joy Of Soul**

For one to have we must receive  
On the cross our Savior did bleed!  
Only God does fully understand,  
Jesus Christ is our greatest friend.

Abundant life with joy of soul...  
Let not your heart ever grow cold.  
What we have we have been given  
This eternal gift was sent from heaven.

As you know now that we believe  
Keep going forth and spreading the seed.  
Be not bitter and do not doubt  
Joy of soul is a reason to shout!

God is there to help us to bear  
Jesus Christ for sure does care.  
Stay in touch and then be bold  
A loving heart gives joy of soul!

### **Peace Of Mind**

We are here to enjoy this life  
Endure the pain and warn of strife.  
Carry the banner of our faith  
Always be humble in this race!

Peace of Christ will flood your mind  
The way to be is loving and kind.  
Help a friend from day to day  
Continue to rejoice, as you pray.

To do your best is all so fine  
Trusting Jesus gives peace of mind.  
To turn away is no way to cope  
Without truth we have no hope!

What we do is who we are  
Out from here we're headed far.  
Best to know just how to live  
Peace of mind is eternal and real.

### **Taking The Advice**

Not all we hear is for sure  
Take the advice only when pure.  
You never know what one may say  
Faith and hope can set you free.

Take advice you know is right  
Live in love and follow the light.  
What we hear must be the truth  
An evil tongue is on the loose!

Care for others with a praying heart  
Wrong advice will tear you apart!  
Tell the message in such a way  
Many will know what you did say!

Take the advice after searching it out  
Growing in Grace while moving about.  
Showing the path that is so true...  
Humble and Faithful are the caring few!

### **True Messenger**

There is a sound that does go forth  
Such a message to keep us on course!  
As you know we have been told...  
Such good news can free your soul!

In these days of what all we hear  
God true messenger will be there.  
What is spoken is there to guide  
In the light we need not hide.

Thank the Lord that He kind...  
He can help to refresh your mind.  
This is the time to ponder so deep  
In God's Word our soul will keep!

Only by faith can we believe...  
On the truth we daily must feed.  
Because of Grace we have peace  
Come and join this Holy feast!

### **Reason For Names**

A name can tell who you are  
Describe a location near or far.  
As we travel from place to place  
Even the looks on someone face.

Make the most of all you can  
Boy and girl, woman or man.  
What we say and things we do  
Staying honest and being true.

A name can teach us very much  
A caring soul and tender touch.  
Living in love and shining bright,  
Trusting Jesus and walking in light!

What is a name, most everyone knows  
Who we are is what daily shows.  
Doing always what we know best  
Pressing on and enduring each test.

### **Freedom Lives On**

Sad for sure when 911 came...  
Things all over are not the same.  
Some are wondering far and near...  
Many are hurting and living in fear!

False religion is seeking to fight,  
The enemy is hiding in the night.  
Gamblers continue to roll their dice,  
Thieves do kill and don't think twice!

By the Grace of God all is not lost,  
Freedom is free at such a great cost!  
Soon our Savior will make His call  
Those to ignore are certain to fall!

When we accept before we're gone,  
Truth is fought but freedom lives on!  
He we should live is holy and right...  
Victory is now and heaven is in sight!

### **Those Who Care**

We take the time to rest our head  
Up at daybreak and we are fed.  
As we watch we hear the news  
Then we gladly offer our views.

Those who care are on a mission  
Unto Jesus they give submission.  
When it's time to praise the Lord  
Trusting our Savior is not that hard!

When we study what is to be  
In this life we can better see.  
What God has said is what is told  
Let the love of Christ have control.

Everyday is a blessing for sure...  
The Word of God is forever pure.  
Take the message wherever you go...  
Then by faith we will daily grow!

### **Be Not Mistaken**

Evil ways shall suddenly end  
Sin and hate - it cannot win!  
Be not mistaken, this is no game  
We're not saved by wealth or fame!

The world of lust is falling fast  
This present world, it will not last.  
All that is shall soon be gone  
Hurting others is all so wrong.

Believers get ready - this to say  
We're headed for a glorious day!  
God will take us home to stay...  
Humble your heart - continue to pray.

Be not mistaken, pride will end  
Mockers and scoffers to perish in sin!  
The wrath of God to strike the earth  
Now is the time to put Jesus first!

### **Joy Of Heart**

When you pray and do your part  
Then you find joy of heart.  
What a blessing to trust indeed  
Victories for those who give heed.

Living the truth is a great event  
Rewards await for all who went!  
We are on a mission of hope  
Escape the lust of filth and dope!

Now and always there is a reason  
To everything there is a season!  
How we live and where we go...  
Truth is what will ultimately show!

Joy of heart beyond all pain  
Sunshine comes after the rain.  
There is light on the gospel trial  
Tell of heaven and warn of hell!

### **Peace Of Mind**

Those who laugh and mock at sin  
Soon their time will violently end!  
Souls in hate that rejects real love  
They will not make it up above!

Peace of mind for those who pray  
Follow Jesus and do not stray.  
When we help a soul in need...  
This is planting the gospel seed.

Outside the door Jesus does knock  
From the inside we must unlock.  
When you ask the Lord to forgive  
After that, it's for Christ we live.

Peace of mind is a gift to receive  
More we have when we believe.  
Never is never but always is now  
The love of God will teach us how!

### **Let Us**

Let us all be ready to live...  
Kind and true, willing to forgive!  
Set an example of the right...  
Let us all continue living in light.

As we carry the precious truth...  
Reject all evil running so loose!  
Grow in love and stay in the faith.  
Take God's Word to every place.

Let us rejoice as we ponder...  
Soon we're going way up yonder.  
What a day that will forever be  
With our Lord throughout eternity!

Onward we proceed as we go...  
Hope and peace is what we show.  
God has given us gospel power...  
Humble your heat to pray each hour.
