

# Starlight Patrol

by

Donald Franklin Dixon

### **Starlight Patrol**

Just came in from starlight patrol  
Peace and love within my soul.  
The moon up high shining bright  
Driving out the darkest of night!

Stars seem close due to clearness...  
Sky up high offered much nearness!  
Sounds of silence became a calm  
Like holding water in your palm.

Owls were moving over my head...  
Spreading their wings and being fed.  
Deer while crossing moonlight field  
Safe from those who would kill!

Echo's are heard within the dark  
Peace is flowing within the heart!  
Safe and secure on starlight patrol  
Back inside while resting my soul!

### **Many A Wonder**

Take me there so we can be...  
Into the vast and majestic sea!  
Open wide these doors of hope...  
Batten the hatches and tighten the ropes!

The roaring sea where waves are strong  
Going there - it cannot be wrong!  
Further across this sea of dreams  
Deeper we get wider the stream.

Someone get the rocket flares  
Send the light up into the air!  
Tell the folks way back yonder...  
Upon the sea is many a wonder!

Birds are gathering near the shore  
Over the sea there's so much more!  
Careful as we enter the port...  
What a journey of another sort!

**These poems are written to glorify Jesus Christ!**

**My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!**

\*\*\*\*\*

**Those who are not saved; my prayer and hope is that you will surrender your heart to Jesus right away!**

**There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!**

\*\*\*\*\*

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 For the scripture saith, Whosoever believeth on him shall not be ashamed.

(C) **Confess:** Rom 10:9 That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

**If you want to be saved, pray this prayer from your heart...**

**Sinner's prayer:** "Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third day Thank you for becoming the sacrifice for my sins In Jesus' name. Amen"

---

**Yes: I did make the decision to get saved**

*Now find a Bible-Believing Church and grow in your faith daily!*

Pray and read your Bible as you tell others of your love for Jesus.

**Jesus Awaits**

When you try to find this place...  
Sweet expressions are on your face!  
We can go to this glorious land...  
Take the time to tell a friend!

This is a place of a majestic kind...  
Many will ignore, only few will find!  
To get to there - you need to be  
Saved from sin and eternally free!

Such a place is found within...  
You're on the path when born-again.  
Joy can flow within your soul...  
We're headed for the streets of gold!

Once we enter this great city...  
No one there will have self-pity!  
A man with scars in feet and hands  
Will welcome you to this perfect land!

### **Gladly**

When we gladly do our best...  
By God's Grace we win the test!  
On this day our Lord has given...  
Gladly thank Him once forgiven!

Never put off what is for sure  
Jesus Christ is the eternal cure!  
No one here can take His place  
Trust His Word and seek His face!

Let this life be a gift to you  
Praise the Lord - all so true!  
Worship God and gladly pray...  
Draw even closer night and day!

Ask in faith to do His will...  
Tell Him humbly how you feel!  
Accept the love He has sent  
Set your face just like a flint!

### **Learning More**

All that's seen is not a mystery  
Much is known even from history.  
Faith for sure had bought us here  
Evolution lies and causes much fear!

Learning more is done in love  
Truth is real from heaven above.  
Here on earth much is said...  
"Give us Lord our daily bread!"

A little child can teach us much...  
Offer to them a caring touch.  
Learning more while pressing on  
From my heart comes this song!

Rejoice ye people for what is heard  
Abiding daily within God's Word!  
A mighty God sent His perfect Son  
On Calvary's cross the work was done!

### **He Knows**

When feeling tired and weakness shows  
God Almighty - He already knows!  
The hope of life is no secret code  
Jesus will lift that heavy load!

Surely He knows our every care  
Call on Him – He will be there!  
Such a Savior and eternal friend  
His perfect love shall never end.

Lean on Him when times are hard  
He is Jesus and He's also Lord!  
Take Him with you in all situations  
Victory is His according to Revelation!

Jesus can take you beyond the fear  
He also understands our every tear!  
He knows our feelings this is sure  
Hold Him close and keep Him near!

### **Freed Forever**

As the curtain opened - light appeared  
Angels watched - the sky then cleared!  
Nature stood still - in total disarray...  
At last the moment of that coming day!

Graves to open as the trump did sound  
Saints then arose up above this ground!  
The ones who were gone out before,  
They were waiting there at the door!

Glorified bodies they all were given  
Freed forever – prepared for heaven!  
The church was taken just like a bride  
Into the clouds - above these skies!

Jesus was there to welcome us in...  
Washed in the blood - saved from sin!  
At last the saints had all gone home,  
Never to suffer from any more wrong!

### **Give To Jesus**

All to Thee our wonderful King  
We give to Jesus as we sing!  
He is worthy of our all in all  
Unto Him we humbly call!

Seek His love and find real peace  
Feed on truth and enjoy the feast!  
Give to Jesus and praise His name  
For our soul - the Savior came!

Hold not back from doing His will  
Within His Grace - we are sealed!  
Upon the battlefield - victory to win  
Give to Jesus and spread His plan!

It's all so great what God has done  
He sent His only begotten Son!  
We need not live in idle defeat  
Just worship at the Saviors feet!

### **Delivering A Message**

Preparing your heart to speak to others  
Friends and foes – sisters and brothers!  
We bring the news of a risen Christ  
We need not reject this perfect price!

Delivering a message, firm and kind  
Seek the truth and you will find!  
Ground beneath and heaven above,  
The Creator of life is a God of love!

Those to accept will surely be blessed  
Those to scoff will become obsessed!  
That which happens out of due season  
Sin no doubt is a form of treason!

All must know God's truth is real  
We must account for how we feel!  
Whether a soul will read and heed  
Upon the cross a Savior did bleed!

### **Hilltop**

Upon a hilltop the light is seen...  
Sending out a glow with majestic beam!  
Reaching out far to the ships on the sea  
Across the countryside lovely as can be!

Saved by Grace – not wealth or fame  
Once being saved we're never the same!  
We as believers before leaving the world  
Consider by Christ like a beautiful pearl

Upon a hilltop a city can't be hid  
Honey leaves a jar by removing the lid!  
A bird is not free until escaping a cage  
True believer need not fear the grave!

Study and pray for help from above  
Seek to live and grow in God's love.  
A hilltop faith will help us to cope...  
Reaching the world with a blessed hope!

### **Riding The Wind**

Sailboats seek to jump the waves  
Riding the wind before it fades.  
Trying to make the moment last  
Across the lake so keen and fast!

Plane on the runway moves ahead  
The engine roars as the fuel is fed!  
Riding the wind while flying high  
Soaring with eagles within the sky!

Into the heavens the balloon arises  
Regardless of it's various sizes!  
Riding the wind above the trees  
Like a prayer upon our knees!

Riding the wind the Spirit will guide  
A Christian is saved from sin and pride!  
God will use us for His love and glory  
Telling the news of the gospel story!

### **Life Emerges**

Within the dimensions of this time,  
Life emerges with reason and rhyme!  
Colors of rainbow yellow and green  
Across the sky with sunlight gleam!

God spoke this earth within creation...  
Darkness will plunge it into Revelation!  
Caught in between are the fears of man  
Mercy is spreading across this land!

Making a choice should not be hard  
Jesus Christ is our Savior and Lord!  
Take the road very least traveled  
Soon the world shall quickly unravel!

Life emerges from earth into heaven  
Truth over error once we're forgiven!  
Keep pressing on beyond it all...  
Jesus will keep us from a fall!

### **Things To Do**

Go to a place where there is rest  
Endure the pressure of daily test!  
Take a moment to breathe and say  
"Thank you Jesus for another day."

Things to do are majestically clear  
Take the Lord from here to there!  
Enjoy the times that we are given  
Within the Word read about heaven!

Smile and listen to the sounds...  
When you're able visit around.  
Encourage someone to live in faith  
There are things to do in every place!

Write a poem or sing a song...  
A good deed is never wrong!  
Being involved is also right...  
Worship God and live in light!

### **On Time**

Waiting too late is never the best...  
Being on time offers peace and rest!  
When we plan to be there first...  
We need not ever fear the worst!

The right example is be in place  
Ready to see God's beautiful face!  
When we leave to go up there  
On time with Jesus shows we care!

Some to wait until the last...  
These ideas will go down fast!  
Come on over and get right in  
Jesus is willing to save from sin!

Being on time is such a need  
Unto others we then can plead!  
Upon Calvary Jesus gave his all  
His love will keep us from a fall!

### **A Lovely Day**

What a day to write and sing  
Unto Jesus to daily cling!  
He has spoken very well  
Like a boat with an open sail.

A lovely day to watch the sky  
We are going to the by and by!  
Jesus to return as a majestic wind  
To take us home away from sin!

As the sun moves here to there  
God is watching so very near.  
A lovely day to gladly say  
Use me Lord without delay!

As the leaves continue to change  
Fall has come and soon the rain!  
Jesus will bless us as we ask,  
Upon the Lord my cares to cast!

### **Needing A Friend**

To have the best is to seek the light  
When we trust and do what's right!  
Needing a friend to point the way  
For one another take time to pray!

Wanting to be a neighbor is good  
Caring to help the way we should!  
Needing a friend is just as nice...  
Be sure you follow the same advice!

When someone wonders off the path  
Offer them hope you know will last!  
Needing a friend to loosen the load  
Point them to the gospel road!

This poem is written all by Grace,  
Such a longing to behold His face!  
Jesus can hold us with a mighty hand  
He's also willing to be your friend!

### **Especially For You**

A Christian friend will help you out  
Unto Jesus we rejoice and shout!  
Especially for you to say right now...  
The love of God will teach us how!

Being careful is the way to go  
First by faith and then we grow!  
All to Jesus we give him glory  
Telling the world the gospel story!

The greatest gift ever to be known  
When so weak God makes us strong!  
Especially for you the Savior came  
Let us forever praise His name!

The Bible is written like a seed...  
Daily we learn by giving heed!  
Spirit of God can live inside...  
Surrender to Jesus and then abide!
