

The U.S.A

by

Donald Franklin Dixon

The U.S.A.

We have a nation here for all...
Let them know – on Jesus to call.
Offer them life in God's true light...
Warn of wrong and speak what's right.

This Nation here – the U.S.A.
Hear ye, hear ye – the truth to say
Live your life in a Holy way...
Take this moment now to pray.

What a nation from our Savior
Jesus Christ gives life flavor.
He shed His blood loving and free
Open your eyes – He is the key.

Thank you Lord for this place
Soon we're going to see your face.
Until then let us do say
Praise the Lord for the U.S.A.

True Worship

This is the time to rejoice...
Jesus Christ is the right choice.
Lift high His name – everyday
Trust His Word as you pray!

True worship is a style of life...
Helps you always overcome strife.
What we do is who we are...
God to hear us from far!

Those who abide in childlike faith
Love is felt in many a place...
Take the Lord wherever you go
The wicked and lost needs to know!

True worship shows we are in touch
Doing God's will is needed so much.
Without Jesus we lose the path...
This Old World is headed down fast!

These poems are written to glorify Jesus Christ!

My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!

Those who are not saved; my prayer is that you will surrender your heart to Jesus right away!

There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 *For the scripture saith, Whosoever believeth on him shall not be ashamed.*

(C) **Confess:** Rom 10:9 *That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.*

If you want to be saved, pray this prayer from your heart...

Sinner's prayer: "Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third- day. Thank you for becoming the sacrifice for my sins! In Jesus' name. Amen!"

Yes: I did make the decision to get saved

Now find a Bible-Believing Church and grow in your faith daily!

Pray and read your Bible as you tell others of your love for Jesus!

Only Way Out

Being a believer is a blessed life...
Grace to endure all evil and strife!
We are headed the upward path...
This Old World is headed down fast!

We are sure that God is there...
In His Word we learn to care.
Only one way to escape the fire
Name of Jesus can take us higher!

Let us rejoice in what is right
Live by faith and walk in light.
God will show us what to do...
To be sincere is to always be true.

Only way out is keep looking up...
Revelation is written - soon the cup!
Judgment to capture those undone...
Creation will answer to God's Son!

Olympics Of Life

A battle is raging for the soul...
Do not stray or ever grow cold.
Stay in the race with the Lord
Endure all trails that come in hard!

Olympics of life are most everyday
Time to awake and continually pray!
Whatever happens is a crown to gain
Grace is free but not an ounce of pain!

Stay on guard of what all could be
To win the race is to be set free!
Those who enter the narrow path...
Faith in Jesus will overcome each task!

Olympics of life are but a season
Get involved and find the reason!
As we leave to receive our reward
Let God find us in one accord.

Mercy And Grace

The winds blow hard upon the sea
Toward the land the people flee!
A storm approaches near the shore
Only God's truth can offer a cure!

As the rains unleash their floods
Down the hillside tons of mud!
People standing confused and dazed
Lightning flashes with its blades!

Thunder roars and windows shatter...
Only prayer and faith will matter!
Souls cry out with a fearful sigh
Many are not prepared to die!

These words here which are spoken
Call out to Jesus and then be broken!
In spite of what was in your past...
Mercy and Grace will forever last!

Bring Forth Fruit

Bring forth fruit from the heart
By God's Grace - do your part!
Obey the truth as you grow...
Jesus Christ they need to know!

Bring forth change as you pray,
Go in power each and everyday.
Soon the Lord will come back.

Faith is not a matter of wishing...
Stay on course by holy submission.
Bring forth fruit when you trust...
Drawing nigh to God is a must!

The life we have is a gift...
Cross of Jesus we gladly lift!
Pointing folks to the narrow path
Bring forth fruit you know will last

People Are

People are laughing over sin
People are living not to win.
Many are looking the other way
Others refuge to listen and pray.

People are on a wicked road
People are carrying a heavy load.
Some are trying to tear down...
Few are speaking across the town.

People are going what they shouldn't
People are doing what others wouldn't.
They care not that the time is close...
Those with faith overcome their foes!

People hardly ever take time to trust
People often reject what is a must!
Let us follow while giving heed
Those who do can rejoice indeed!

When Christ Returns

Will you be ready living in faith...
Growing in love - abiding in Grace.
When He returns to receive your soul
Will you have trusted what has been told!

When He returns there's no running away
So sad for those that refused to pray!
You are the potter and we are the clay...
Keep us safe, Lord, both night and day!

Take my life, Lord, unto Thee we cling
Draw us all closer as we rejoice and sing!
When He returns we surely can know
It is for certain, He will defeat each foe!

Now we have heard - humble and true
How will you heed – what will you do?
Love is a gift along with great peace...
When He returns all wars will then cease!

He Will

He will listen and do right...
He is truth – He is light!
Jesus is able to meet your need
We must trust and give heed!

He will guide us day by day
He will hear when you pray.
God is able to draw us near...
Jesus is Lord and He does care!

He will feed and also protect...
He will make you his very elect.
Christ is Savior - He is King...
Let your heart rejoice and sing!

He will give you his true peace
He will make anger to cease!
Jesus is redeemer and also friend
Such love and joy shall never end!

He Can

Jesus Christ can save us from sin
Receive His Grace and take his hand.
Follow His way and live in His love
He is the one that came from above.

As we follow what He has spoken
His Holy Spirit can heal the broken!
Call upon Jesus and find true hope...
In his Word we learn daily to cope.

Take His truth wherever you go...
Let the folks His message to know!
Faith is how we surely can tell...
Teach of heaven and warn of hell.

Our Lord cares for each and all...
Upon his name we urgently must call.
Be a doer and endure each trial...
Trust the Lord rejoice each mile!

Who We Are

We are who we are – so very true
Jesus can show us just what to do.
Be a part of His eternal great plan
He is Lord – Spirit, God and Man!

We are here as learn how to live
Unto Jesus our life we must live.
Ignoring the dangerous and sad...
Finding true peace can make us glad!

We are on earth for such a short time
Guard your heart - open your mind.
Do your best in God's holy Grace...
Soon we will see Him face to face.

To be who we are sure and free
Only the Lord has the right key.
When we obey while living His way
He is the potter and we are the clay.

Wanting Truth

To be a part is to live in peace...
Trust in Jesus as you daily feast!
Continue in love while wanting truth
By praising God doubt will let loose!

We are called to willingly obey...
Careful in everything we do and say!
Faith is how we can go forth...
God Almighty is the eternal source.

Wanting truth is what we must do
Be a part of the kind, caring few.
Many are told but few will follow
Living for self is vain and hollow!

Here is where to find the path...
The mercy of god will forever last!
Upon the Lord our cares to cast...
This Old World is headed down fast!

Running Sure

Those to believe from just their head
Living in doubt they're almost dead!
You can't have victory without a fight
Being a doer is to follow the light.

Running sure while pressing on
Faith in Jesus will keep us strong!
We are called to give our best
God is there to give sweet rest!

As we continue whatever we start
Stay in tune and be strong in heart.
Let your mind be always clean...
Running sure is not just a dream!

Turing back is not the right way
Not far ahead is a brighter day!
Running sure to finish the course...
God Almighty is our eternal source!

Hearken And Live

God is near - His love to give...
Day by day He makes us well!
Christ is there to lead the way...
Call on Him, be humble and pray.

Hearken and live for God is able...
Draw nigh in faith and then be stable.
Grow in Grace and always be glad
Trust God's Word and don't be sad!

We are soldiers of a perfect King...
Peace to those who rejoice and sing!
Take the truth of what is right...
Hearken and live – He is the light!

Jesus Christ is also a friend...
Such sweet Joy to never end!
Take the path and move ahead
Jesus is alive and no longer dead!

In His Love

There is a place to go in prayer...
Our greatest victory is as we care.
Helping others to find the way
God has given us this new day.

In His Love there is true peace
Soon His power will be released!
Back to Earth the Lord to come
Be ye ready for He is the one!

Jesus will repay what all is wrong
He will bless us with His new song!
Christ will forgive any that repents
After being saved we then are sent!

In His Love keep telling the news
Warn the sinners it's not our views!
Jesus is the way through Heavens gate...
Christ, His children, He will not forsake!

Those That Will

A word was spoken just in time...
What was said had a gentle rhyme.
Once the message was received...
Within the heart it became a seed!

Those that will can surely rejoice
We all must make a final choice!
Once you accept this path of hope
By God's Grace it's then we cope!

Those that will is forever changed
Our whole entire life is rearranged!
Being a follower of this Glorious King
Makes me want to shout and sing!

Those that refuse are lusting in sin...
What matters most is being born-again!
Those that will pray need not to doubt...
Victory for believers while on this route!

My Loving Lord

We are faced with many things
Wicked ways will try and cling!
We must wear the armor of light
Jesus is forever the perfect light!

My loving Lord – He's always able
This wonderful truth is not a fable.
My loving Lord can bring you out...
Let us continue to sing and shout!

While on earth this is no game
We're not saved by wealth nor fame!
Being humble is the way to be...
My loving Lord can set you free!

We can be blessed by caring so much
God has given us His tender touch.
Turn from evil that causes you pride
Live in faith and you'll not subside!
