

Ways Of Truth

Ways of truth here is given...
Sent to us, a gift from heaven.
Love is light - living inside...
Faith comes in – out goes pride.

When the truth is put in place
A new look is upon your face.
Overflowing joy and eternal gladness
Peace is able to drive out sadness!

Burning the candle is a real need
Abiding in hope is planting a seed.
Spreading kindness - the way to go
There are others who seek to know.

We are here to rejoice, for sure
Ways of truth will keep us pure.
More than ever - wanting to be
Home forever, within eternity.

Ways Of Truth

by

Donald Franklin Dixon

Light

As we grow within the light...
All by Grace we win the fight!
Abiding in faith - kind and real
Spirit of life, our soul to fill!

Light is pure, like a steady stream...
Soul awakened from a deadly dream!
Remaining planted upon a solid rock
In step with Jesus like a ticking clock!

When in light we know the way
Offers the promise of a brighter day!
Leads us down a righteous path
All we need to do is...ask!

Because of light there is hope,
The love of God will help us cope!
Going to where we all should be
The light of Jesus can set us free!

Christians

A people of love moving forth
The Word of God is our source.
Those who care for family and friends
The power of God shall never end!

We as Christians all have a reason
Trusting in Jesus in every season!
Believers are here to teach the cross
Our mighty Savior paid the cost!

Christian folks are on the go
Living in light as we grow.
Letting the Lord show us how
Living for Jesus – the time is now!

Followers of Christ endure the trials
Spreading truth across the miles!
We have the hope to continue on...
Having great peace makes us strong!

These poems are written to glorify Jesus Christ!

My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!

Those who are not saved; my prayer and hope is that you will surrender your heart to Jesus right away!

There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 For the scripture saith, Whosoever believeth on him shall not be ashamed.

(C) **Confess:** Rom 10:9 That if thou shalt *confess* with thy mouth the Lord Jesus, and shalt believe in thine heart that God *hath raised him from the dead, thou shalt be saved.*

If you want to be saved, pray this prayer from your heart...

Sinner's prayer: "Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third day Thank you for becoming the sacrifice for my sins In Jesus' name. Amen"

Yes: I did make the decision to get saved

Now find a Bible-Believing Church and grow in your faith daily!

Pray and read your Bible as you tell others of your love for Jesus.

Whether Or Not

Whether or not, as life moves on
The choice is either right or wrong!
Love over hate – we now must choose
Liars and cheaters are going to lose!

Whether or not you go along...
Be not weak when you can be strong.
Scanning the regions of the mind...
Sad for those who are so unkind!

Often it's said, "We need to know"
Whether or not we come or go.
Standing still will get you lost
You must be aware of the cost!

Information is given upon your call
Whether or not you're short or tall.
A guiding light across this land
Be a soldier and follow the plan!

Keen Senses

Single of heart is such a need...
Soul and spirit is a growing seed.
Understanding life even the more,
Flowing water is refreshing and pure!

Always for certain with keen senses
Fortifying walls, securing the fences!
Oiling the gates upon a solid post...
Words of kindness from hills to coast!

Here to seek while doing your best
Receiving the offer of eternal rest.
Never harming others along the way
Taking the time to bow and pray.

Setting goals we all can follow...
Never selfish – bitter or hollow!
To carry on in all that we do...
Faithful to the finish – keen and true!

Somewhere

Somewhere out there are so many
Folks in need – more than plenty.
Someone crying within the night...
Christian soldiers wounded in the fight!

Somewhere yonder, God already knows
A friend is warning against the foes!
Multitudes are wondering from the path
How much longer can this battle last!

Somewhere out there: you will find
Vicious mobs with corrupted minds!
Things are happening most anywhere...
Parents helping children because they care!

Somewhere a sinner is now getting saved
A saint rises up after having prayed!
Hope is spreading all across the land
Believers are walking hand in hand!

Drakeford Park

Off highway 34 in Lugoff, SC...
Drakeford park was the place to be.
Two-story platform, which was unique
Sixteen-foot dive was somewhat steep!

Keeping in touch was what we knew
Friends met often with much to do!
Getting there was so very unique...
Memories we cherish are treasures to keep!

Year after year, summer was the time
All who arrived felt glad and fine!
Community center was also on the site
Families came together never to fight!

Picnic tables surrounded the park...
Relaxing there was joy to the heart!
Majestic pine trees stood all around,
Drakeford Park was safe and sound!

Miracle Cure

Folks have died because of West Nile
A virus so dangerous and very vile!
Carried by mosquitoes biting a bird
Such a condition seems so absurd!

Suffering by many caught in a trap
Unexpected pain – like a violent slap!
Walking this earth with a condition
Fever arises, and then comes submission!

Help us Lord – we know not why
A little mosquito can make us die.
Although eternity is there for sure...
Please give these folks a miracle cure.

We need deliverance from this disease
Hear this prayer while upon my knees!
Teach us to trust and draw us near...
Give to us urgently a miracle cure.

Never Ending Trail

Gracefully moving across space and time
Never-ending trail of the human mind!
Everybody here – before we go...
Has the right to reach and grow!

Within the desert is very intense heat
Children are precious and so meek!
Never-ending trail – depths of the soul
Planes fly high where the air is cold!

Lonely is a person, never to wonder
While on earth it's good to ponder!
Catching the wind with an ocean sail...
Grasping for life on this never-ending trail.

Many refuse to go on this trip...
Timid and afraid to take the dip!
Scared of what others may think
Ungodly fear will make you sink!

Real Power

One billion volts across the sky
Lightning is sharp – no need to deny!
A force so incredibly hard to measure
Unknown dangers without any pleasure!

Real power is great – nothing can compare
The light of truth, love over fear!
Spirit of goodness – an eternal being
God Almighty – He a true friend!

To help a neighbor in the right way
A caring soul will take time to pray!
Real power is found in a good deed
When in faith you plant a seed!

Rain develops with heat from the sun
Vapor collides as the water then runs!
Energy is constant – given in time...
Real power transfers from Spirit to mind!

Tunnel Of Time

Across the regions of where we are
We've traveled near and so very far!
Within the vastness of all spaces,
Tunnel of time has many places!

Matter is formed as continents divide
Rotation takes place – then the ride!
The Earth to circle around the Sun
Creator of life is the Three-In-One!

Tunnel of time will get you there
God is love and Jesus does care!
All for good we live and learn...
Never to waste what can't be earned!

Names can describe what you believe
Faithful are the few to truly give heed!
This tunnel of time soon will tell...
The truth of God will never fail!

Ezra Went Up

From the pits Ezra made an escape
He refused to live in evil and hate!
Never to approve of filth and sin
On God's side, Ezra was able to win!

After captivity Ezra went to a city
Jerusalem was glad to receive the pity!
Their years were rough in Babylon...
Glad for those who were headed home!

The time had come for a great escape
God made a way to rebuild the gates!
Nehemiah the prophet was also there
Many went back with peace over fear!

The Word was preached as folks cried out
Praising the Lord is to sing and shout!
As we move forward we have the love
Give glory to God before going above!

False Doers

A promise made is often broken
Better off if it wasn't even spoken.
Follow the path and stay on course
Live for Jesus and find the source!

False doers will not take the time
Seems their life is out of rhyme.
Getting things done in the right way
Ask in faith whenever you pray!

God can use a person that believes
The best solution is obey and heed!
On this path - power is given...
All by Grace our soul is forgiven!

Let us rejoice along this road
God can lift that heavy load!
Get involved with what is right
To be a doer is live in light!

After All

For the good of what must be...
Things we do and what we say.
Careful thought to where we go
The way we live and daily grow!

After all has been completed...
Death will eternally be defeated!
Be assured it won't be long...
Doubt is weak and love is strong!

Watch the sky and pray for rain
Get needed help when in pain!
After each event has run it's course,
Faith will surpass every single force!

Carry the shield of hope and peace
Feed on truth and enjoy the feast!
Because of Grace it will work out
After all is over – continue to shout!

Then They Came

After the explosion and a fiery rain
Destruction hit, and then they came!
It was too late to safely get in...
Lost in darkness and consumed by sin!

The warning was given – life or death
Repenting of evil offers true rest!
Now or never the message is given...
Calling on Jesus will land us in heaven!

This fact of life still remains
Far too late; and then they came!
Wanting now what was turned down
Many have refused to ever be found!

Before our time down here is over...
Be very sure you're saved and sober!
Life is not a matter of wealth or fame,
Suddenly to vanish; and then they came!

Thunder Arises

There is no place for strange disguises
Awesome is when the thunder arises!
Never in history can this be said...
What wasn't accomplished no one did!

Some may wonder how can this be...
Open your heart and you will see!
Getting to a point from where you are
We must press on to make it very far!

Thunder arises and finally the strike
Jesus is coming in power and might!
Mockers will fall by their own devices
The sword of judgment is very decisive!

Down the mountain a heat that glows
Lava is boiling as the expansion grows!
Sky unfolds with lightning flashes,
Thunder arises and then it crashes!

Sure Win

Having the reason is to enter the race
The next true option is to set the pace!
Getting started is to not look back...
Receiving victory is to never be slack!

The answer to life is a sure win...
Once you're saved and born-again!
Having the will to endure all hate
Living in love offers a happier fate!

Children of God are headed for home
All by Grace we can daily be strong!
Greater than anything to ever conceive
A sure win for those who truly believe!

Get on board upon the narrow path
Keep pressing on and make it last!
Stay on course and turn from sin...
Faith in Jesus is always a sure win!

Riding High

Within the saddle the Ranger rides...
Not afraid when the bullet flies!
Called to defend whatever is right
Riding high both day and night!

If a threat does come their way...
Riding high as they seek and pray.
Keeping strong is a need for life...
Against all evil and fighting strife!

Retreat is not the right word to use...
My Ranger friends to deliver the news
Listen close to the message they speak
“What a person sows, they also will reap!”

Going forth to carry out the task...
Watching carefully, keen and fast!
Upon the ground and ready to fly
Staying humble and riding high!
