

# **Who's At The Door**

by

Donald Franklin Dixon

## Who's At The Door

Who's at the door? Jesus is a friend,  
Have you taken time to surely let him in?  
Softly and tenderly your heart to fully open,  
Resurrection and life, God now has spoken!

Christ has arisen - Jesus is forever alive  
Kind and so freely, upon a cross He died!  
Then on the third day, up from the grave,  
Surrender to Him then you can be saved!

Jesus is alive: no need to ever doubt,  
Love that is real - never shut him out!  
Open up the door - Urgently let him in,  
Do it right away - be forgiven of your sins.

Who's at the door? Jesus is such a friend,  
God really cares - His love will never end!  
Amen!

### These poems are written to glorify Jesus Christ!

My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!

\*\*\*\*\*

Those who are not saved; my prayer and hope is that you will surrender your heart to Jesus right away!  
There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!

\*\*\*\*\*

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 For the scripture saith, Whosoever believeth on him shall not be ashamed.

(C) **Confess:** Rom 10:9 That if thou shalt *confess* with thy mouth the Lord Jesus, and shalt believe in thine heart that God *hath raised him from the dead, thou shalt be saved.*

**If you want to be saved, pray this prayer from your heart...  
Sinner's prayer:** "Lord, I'm sorry for my sins and I repent!  
Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third day Thank you for becoming the sacrifice for my sins In Jesus' name. Amen"

### **Yes: I did make the decision to get saved**

Now find a Bible-Believing Church and grow in your faith daily!

Pray and read your bible as you tell others of your love for Jesus.

## Echo Canyon

Sounds of voices all around  
Coming back to me.  
Across the mountain back again  
Gently and so free.

The words within this canyon  
Seems to often rhyme.  
Just ask yourself a question  
It happens every time.

Then in a moment of silence  
The echo repeats the same.  
Whatever you say it returns to you  
Careful, this is not a game!

## Waves Of Life

Adversity, hate and doubt,  
*Those enemies are at our feet.*  
At times they may seem small,  
*But they're always out to defeat.*

Adversity longs to scare you,  
*It wants to start a fight.*

To try and drag you down,  
*And keep you from doing right.*

Hate is such an enemy,  
*It knows not where to hide.*

While feeding upon the darkness,  
*Corruption, envy and lies.*

Doubt, it tries to trick you  
*To make you turn away.*

When causing uncertain wonder,  
*Will we make it through the day?*

Children of God please listen,  
*Jesus is Savior and King.*

The World tries to trick you,  
*To tempt us not to sing!*

When these waves are near  
*Remember what Jesus did say.*

"Peace be still, He's with you,"

*And the storms will go away!*

### **A Gift For Sure**

There are many things you can have,  
In one-way or the other, you can choose.  
The question is, what are you looking for:  
Something you can keep or maybe lose?

Whatever we can keep a gift so very sure  
God will always offer only what is pure!  
Love, joy, happiness, with abundant peace  
That which we need and never will it cease!

What are you looking for, each and everyday  
Maybe you're not sure - or just a lot of pay?  
Ask yourself this question, quickly right away:  
After your departure, will it go or shall it stay?

### **Children of God**

Are you a child  
A child of the King?  
Then if you are...  
Let the church bells ring!  
Children of God -  
Special in every way!  
While pressing on ...  
A straight and narrow way!  
Jesus is there to guide us  
By Holy Spirit above!  
Wonderful it is to know  
We serve a God of love!  
Children of our God  
Within His Holy Word!  
Telling truth to others  
How salvation has occurred!  
Help from the Lord  
In faith as we proclaim!  
The best time is now  
Gladly as we sing!  
Isn't it so great...  
Once you have been saved.  
All by God's Grace  
The price has been paid!  
Knowing that the truth  
Is there to set you free...  
Accepting Jesus as your Savior  
God's child you can surely be!  
Are you trusting Jesus  
Washed in the blood?  
Then if you are His child  
You're headed above!

### **Come Unto Jesus**

Come unto Jesus,  
Life is so complete!  
Knowing is also trusting,  
A Spirit tender and sweet!

Sure God can save you,  
Accept Him for His love.  
Have faith in the Lord  
Who watches from above.

The answers are written,  
In words that we can know,  
Open up the Holy Bible  
Study as you grow!

Come unto Jesus...  
Be cleansed of your sins.  
Ask God to forgive you,  
Then Jesus will come in.

### **Learning To Live**

Life is so precious,  
*This we can know.*

Many people to meet  
And places we can go!  
Each and every person  
*Without having to fear!*  
While telling one another  
How much they really care!

Learning daily to live,  
*With hope as we grow.*

Abiding in the truth  
Is the right way to go!

Trusting in the Lord  
*A Savior so very real*

The peace we can have  
And joy we can feel!

How many times...  
*To hear someone say!*

"God loves you so much  
Jesus is the way!"

Well, it's true my friends  
*A gift we can receive.*

Blessed assurance -  
For all who believe!

Never give up...  
*When trials come around.*

Continue to trust and pray  
Then truth shall abound!

God will be there...  
*To meet our every need!*

Now is the time...  
*To rejoice and give heed!*

## **Awake O' Nation**

Listen, please listen, O' nation hear this cry  
Where are we headed, we need not to deny!  
Daily to help others - learning as we give...  
Reaching every nation and praying for the ill!

Warning to the nation, why so much sleeping,  
Many souls are perishing, evil slowly creeping!  
High upon a mountain toward the eastern sky  
War is in the valleys, rockets flying high!

Few people searching, many living in hate,  
Others are now warning, not a second to wait!  
Awake O' ye nation - awake to God's holy cry  
Awake, right away- the sword is about to fly!

## **Laying It On The Line**

Within this message while searching for  
Those who will understand!  
When someone says, "not right now"  
Holding back is a form of sin!

This world of evil passes away  
Without Jesus, it's out they go!  
My purpose of speaking truth  
Teaching others that want to know.

Grown-ups who think they have it all  
While waiting for Judgment Day!  
Soul consumed by such shame  
Thinking they can delay!

Not trying to be critical  
However, this for sure is true!  
Behold, so quickly! Another is gone  
The next one could be you!

Even if we had one more day...  
What excuse would you find?  
Without Jesus there is no hope  
Just laying it on the line!

### **Tomorrow Can't Wait**

Why are we here, where are we going,  
Where are we from, what are we doing?  
Is life as we know it, illusions and dreams,  
What is it for - and what does it mean?

Why do we laugh - Why do we cry  
How are we living - How must we die?  
Can you perceive this, tell me my friends  
Why so much violence - covered in sin?

Multitudes, multitudes, while jostling about,  
Few who are seeking, many lost and shut out!  
Right now is a moment – yesterday is a fact...  
Tomorrow so unsure, there's no looking back!

Today as you read this, troubles are so great  
Don't wait till it's over, seconds may be too late!  
Prepare all you can, in God's Word to be told  
Peace for the heart when love is in the soul!

Life's no illusion, it's real and so pure...  
Look for the truth and then you can be sure!  
Which way are you headed, as well as to go  
By trusting in Jesus, right now you can know!

### **Beyond The Sky**

Beyond the sky the Space Shuttle goes  
Beneath her wings the power shows.  
On and on - upward above...  
Within her cabin there's seven we love.

Space Shuttle crew we miss you so,  
Beyond these stars your mission to go.  
Each of you to contribute much,  
As you left our hearts were touched!

To never think you would leave us then,  
But we know one day we'll meet again.  
There's more beyond these starry skies,  
Where souls live on - and never dies!

Your lesson to us - sudden and sure,  
We'll meet again on that lovely shore!  
Space Shuttle crew, in memory we say,  
We love you so and to God we pray.

### **Be Aware**

To know what's right and do it not,  
The Bible warns of wrong!  
Judgment Day is coming  
For sure, it won't be long!

Some to make excuses for why  
They don't' come forth.  
Waiting for some occurrence,  
To place them back on course.

While reaching out to others  
This we all must know!  
Be not overtaken:  
In faith we daily grow!

Many are living in lust  
Greed, selfishness and pride!  
What they reap is vanity:  
Emptiness, shame and lies!

We need to set priorities  
Within our daily life!  
Take Jesus as your Savior,  
And turn from sin and strife!

### **Behold**

Rainbow cross the evening sky,  
The morning sun to shine!  
A promise of eternal love...  
To enjoy this precious time!

Jesus Christ, chief corner stone,  
Upon the solid rock!  
The Word of God will never fail,  
What lives on you cannot stop.

To receive such joy and comfort,  
God's only begotten Son!  
You must be born-again,  
Behold the Three-In-One. Amen

### **The Open Mind**

Within the soul of goodness,  
There is a hope and peace.  
Deep in the heart there's a fountain  
Where love will never cease.

When you search for answers,  
From the beauty of an open mind.  
There you'll experience gladness,  
With a Spirit so clean and kind.

### **A New Dawn**

The silent dawn beneath the sky,  
Love and laughter as morning awaits!  
In these moments left to ponder,  
The glimpse of what is yonder!

Don't be late as flowers bloom...  
As eagles journey beyond the moon.  
Majestic beauty of mountains and trees  
The awe and wonder: and the leaves.

Within the silence no more to wait,  
The child is born not a second late.  
Her mother to cry, the pain is gone,  
Thank you God, her name is "Dawn."

### **Resting In Jesus**

Promises of God are never slack  
This we can be aware.  
To have his peace within you,  
Is to feel his presence there.

When so weak and tired,  
Our body needing rest!  
He calms us with His Spirit,  
And keeps us from distress.

Hands of time are moving,  
Closer to that day!  
God shall call our name,  
And take us home to stay.

So listen children, listen  
Don't be troubled please.  
Through Jesus Christ our Savior,  
Let you heart be eased.

### **Living For Truth**

Seeking how to live  
Doing what is right!  
Speaking truth in love!  
Growing in the light!  
Visions and thoughts  
Within the human mind,  
From here to yonder,  
A reason with a rhyme!  
Many to reveal,  
Some not to repeat,  
Once they appear,  
Others to surely seek!  
Walking in the sunshine  
Reaching across this shore.  
To experience in this life  
A real miracle cure!  
Wanting to help others  
Both then and also now...  
A time with a season,  
The truth tells us how.  
Now if you decide...  
To go this narrow way!  
Stick with all the facts  
And don't forget to pray.

### **Receiving The Truth**

While waiting for the moment,  
Power beyond compare!  
Jesus to return in glory,  
Not a second left to spare!  
His angels shall gather the elect  
North, South, East and West.  
For certain, are you ready  
Jesus is the First and Last!  
Those who won't receive,  
Lost and left behind!  
Living within the darkness,  
Destroying soul and mind!  
The warning has been given,  
Jesus, or else you'll die!  
Doubt will cause confusion  
For those who reject this cry!  
Turn from darkness to the Light,  
Repent from all your sins!  
Accept Jesus as your Savior,  
And then be born-again.
