

# Wisdom Speaks

by  
Donald Franklin Dixon

## Wisdom Speaks

Keep your head above the earth  
Be aware of second birth.  
The day is near - the trump to sound  
Many left - while wondering around.

Being watchful is what God said  
Life is certain - like blood is red.  
Far beyond what we can't see...  
A mighty God – that made eternity.

Empty words should not be received  
Only the truth must be believed.  
To try and ignore what is spoken  
Only God can heal what was broken.

There is a right way we must speak  
To listen and heed - is to ask and seek.  
We are passing this way so fast...  
The Spirit of wisdom shall forever last.

## The Armies Of Heaven

From God's Heaven covering the skies  
Upon white horses the Saints do ride.  
Jesus shall return to the earth again...  
The armies of God will surely win!

Mount up children - get ready for action  
The earth is surrounded - every section.  
Those that wanted to rule without Christ  
For their sins they will pay the price.

Get ready folks - this is not a drill...  
The love of God – your soul to fill.  
Joy unspeakable and full of glory  
We must tell – “the old gospel story!”

To live for what you know is true  
Doing daily what we should do.  
All because God has a plan...  
Love your neighbor – reach out a hand.

**These poems are written to glorify Jesus Christ!**

**My hope and prayer is that you will be encouraged in what you study and read. If you are saved... Then praise God for your life in Christ. Keep pressing on in Jesus!**

\*\*\*\*\*

**Those who are not saved; my prayer and hope is that you will surrender your heart to Jesus right away!  
There is no reason for me to try and complicate the subject. Getting to the point is letting you know the time to get saved is now! Life is precious and there's no time to waste! The blood of Jesus can save you when you give your life to Christ. Please hear my cry! Come to Jesus and repent of sin, and call upon the Lord to forgive you without delay!**

\*\*\*\*\*

(A) **Accept:** John 3:16 *For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

(B) **Believe:** Rom 10:11 *For the scripture saith, Whosoever believeth on him shall not be ashamed.*

(C) **Confess:** Rom 10:9 *That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.*

**If you want to be saved, pray this prayer from your heart...**

**Sinner's prayer:** *"Lord, I'm sorry for my sins and I repent! Please forgive me and come into my heart and save me. I accept you as my only Savior and receive the free-gift of eternal Salvation. I believe you are God, and that you died and arose on the third day Thank you for becoming the sacrifice for my sins In Jesus' name. Amen"*

---

**Yes: I did make the decision to get saved**

*Now find a Bible-Believing Church and grow in your faith daily!  
Pray and read your bible as you tell others of your love for Jesus.*

## Glory Train

The Conductor cries – “All Aboard!”  
The whistle to blow as He pulls the cord.  
The steam engine roars - then it moves!  
Wheels are stable within the grooves.

Then at last a message received...  
“Have you a ticket at this time please!”  
The people search - then a mighty sound...  
“Welcome aboard - we’re leaving this ground!”

For all eternity – our debt has been paid...  
This moment will come - the earth to fade.  
Traveling faster than the speed of light  
Across the great deep beyond human sight.

We’re headed into that terrestrial station...  
Saints with robes are having jubilation!  
This train of mercy because of the gospel story  
Will arrive on time within the portals of glory!

## Get Help Immediately

As they fall into a morbid trance...  
Darkness enters with a hideous dance.  
Sounds of laughter from a bottomless pit  
Confusion strikes - at the soul it hits!  
The mind continues to spin around  
All the sudden no solid ground.  
Feelings are wild and will not stop...  
To roll and tumble - they flip and flop.  
Now out of reach with a known reality...  
Face turns in - eye's blood shot as can be.  
Unable to communicate - so out of touch  
No grip on life - like a burn out clutch.  
Against the spirit the beast will appear...  
Offering peace but consumed by fear!  
An evil conscience with lack of concern  
Without any direction - in lust they burn.  
Hear ye my plea - have faith and win...  
Turn from rebelliousness – repent of sin.  
There is hope for your eternal soul...  
Escape the dungeon - be swift and bold!

---

This is a vivid description of a person that is being controlled by drugs and alcohol. This poem is written to warn people and let them know they need to escape this deadly addiction without any hesitation. Only Jesus can give a person the power to come out by His Grace. Pray and ask the Lord to take over your life.

## We're Rich

What a truth - knowing the facts  
Love of Jesus is never slack.  
There is a well to never go dry  
The Word of God tells us why!

We're rich in faith to do God's will  
Power over darkness the Spirit to seal.  
More to do each and every day  
Always take the time to pray.

Free forever to rejoice and sing  
Shouting praises while bells do ring!  
Jesus Christ is Lord indeed...  
He is Holy – to Him give heed!

We need to remain right at His side...  
Upon the chariots - we shall ride!  
Kingdom of God abides within...  
We're rich in love and saved from sin.

## Closer Each Day

Closer each day whether ready or not  
After the rapture things will get hot!  
Why hold back – now is the time...  
Peace in Jesus is so very fine.

Closer and closer – as seconds go by  
Soon the trump – saints will then fly!  
Up in the clouds – Jesus will be there  
To meet our Savior in the air!

Get ready for action – day by day...  
Reach out in love – for others to pray.

Closer and closer – joy all around  
Saints be ready - we're leaving the ground!

No turning back where forward is ahead  
Wave the banner - just like God said  
Tell every nation - our Lord is near  
Jesus can save and deliver from fear.

## Somewhere To Go

When in the valley and can't get up...  
Look to Jesus and receive His cup.  
He will feed you with true peace...  
By His Grace the storms will cease!

Somewhere to go when you're in need  
God will bless the gospel seed.  
Feed on truth - in childlike faith...  
Worship the Lord and behold His face.

Pain and heartache surrounds us all...  
Somewhere to go – on Jesus we call.  
Cast upon Him all of your cares  
God one day will dry all tears.

Confusion is heard within the city streets...  
Somewhere to go – God Word to seek.  
Anytime you ever need a friend...  
Trust in Jesus – His love has no end.

## What More

To do what you can – the time is now  
Waiting till later - you may forget how.  
Learning to grow is the way to live  
What you achieve is wonderful and real.

A life of caring while being so kind...  
Before you speak, use first your mind.  
After the heart then has spoken...  
You keep a soul from being broken.

It's good to smile and be a friend...  
Too much tension could become a sin.  
Calm your thoughts and reflect upon light  
Truth is there to teach us right.

What more could a person ask...  
Upon the waters your bread to cast.  
That which has been shall soon return  
Stay in touch and remain concern.

## Getting Victory

When a battle does come your way...  
Stay very calm and be sure to pray.  
When powers of evil are on the prowl  
Never give up nor throw in the towel!

Survey closely the ongoing situation  
Calm your spirit in spite of the agitation!  
God is getting ready to pull you out...  
Follow your reason –not your doubts!

What to do may not seem easy...  
The forces against us are very sleazy.  
The Lord is aware what we don't know...  
Remain very careful - but continue to go.

When trying to put back what was removed  
Your pain and heartache will be soothed.  
The storms may seem great at times...  
Getting the victory will become a rhyme.

## South Carolina

To be there is something so fine...  
My lovely State – “Sweet Caroline.”  
Foothills that stretching to the open sea.  
South Carolina is the place for me.

Blue Jay’s and sailplanes fill the sky...  
Oat-Trees and Green-Pines reaches up high.  
Ducks and dears - countryside and towns  
Lakes and green pastures are all around.

We are surrounded by friendly smiles...  
Such caring neighbors for miles and miles.  
Not a stranger to meet -- wherever you live  
South Carolina has so much to give.

Interstate and bridges – swamps and streams  
A state with a purpose – like living a dream.  
Much to do - and beyond it all...  
Once you arrive – give us a call!

## The Right Solution

Some will choose to not be glad...  
Others will avoid ever being sad.  
The choice of what we do and say  
Will determine for sure if you pray.

To care for what is going on...  
Helps us endure while growing strong.  
Staying close to what is to be...  
Gives you hope and sets you free.

The choice is right - when taking time  
Search for truth and you will find.  
Clear your mind and stay involved...  
Never a problem – only solution to solved.

Where we are - is a reason indeed...  
At the crossroads you must give heed.  
No giving up when you are in touch  
Thanks for being there - so very much.

## Getting Started

No need to worry over what is not  
Trees without roots will surely rot.  
Letting thoughts in that shouldn't be  
Could keep a soul from finding the key.

Be always sure in what you do and say  
Live in true faith as you watch and pray.  
Never be troubled by sudden fear...  
Angels of glory - are always very near.

The message we give must be received  
On this journey - plant the good seed.  
All that is done shall surely be known...  
When so weak - Grace makes us strong.

There is so much we can say and do...  
Getting started is an effort so true.  
Avoid putting off – the only way to go  
What we achieve will eternally show.

## The Trail Of Life

What we see here - as we look around...  
The result of creation and all that is found.  
Every particle of sand and all the trees...  
Jesus is creator and He also has the keys.

The trail of life - before our eyes...  
Ocean and mountains along with blue skies.  
God did the work - we can only enjoy  
All is a gift - not for us to destroy.

On this mission of life we should know  
Only Jesus can made a garden to grow.  
When we take part and do our best  
All by Grace - God gives us sweet rest.

The trail of life has bought us thus far  
Some to travel by boat and by car.  
Wherever you go upon this great earth  
Always be sincere - and put Jesus first.

## Feeling So Right

Joys overflows almost like a flood...  
We must tell others about the blood.  
Jesus is the sacrifice for our sins...  
Word of God is where life begins.

Feeling so right because of God's love  
We are headed to a kingdom up above.  
Make the best of while you are here  
Soon for sure we are headed up there.

The cross has spoken - Jesus is the way...  
Our purpose in life - praise God each day.  
Tell a stranger and also a good friend...  
God's perfect love - shall never end.

Feeling so right for what has been done  
Inside our soul lives God's Begotten Son.  
The Spirit to bless us - as He daily leads...  
It's now up to us to trust and give heed.

## Rest In Love

For all that is - as we can perceive...  
There is rest for those who believe.  
No other power known and seen...  
Can keep us from that refreshing stream.

To God be the glory for life itself...  
No need to waste away - upon a shelf.  
Our life in Christ has a reward...  
Rest for the believer from our Lord.

Carry on daily what God has started...  
Don't hold back or become faint hearted.  
We have a calling to carry to the lost...  
Jesus gave His life to pay our cost.

Rejoice in hope while growing in love  
Open your heart and fly like a dove.  
So kind and tender is our King...  
"The Old Rugged Cross" – let us now sing!

## America Moves On

Over the hills and across the plains...  
Moving forward while staking claims.  
Those who have traveled many miles...  
Enduring weather and overcoming trials.

Like the eagle flies - way up high  
America moves on like baking a pie.  
Step by step - they held their ground  
Building their homes - then our towns.

We are here where others did come...  
Visions of truth as the work was done.  
Mountains, rivers, deserts with streams  
We must have faith to be free and clean.

Those who stood for what was right  
God was there - both day and night.  
Much has been said - or written in songs  
Forward in victory as America moves on.

## True

False teachers to offers cures without pain  
They make you think you're in a strain.  
Speaking about truth - but don't know how  
Telling folks to come and see them now.

Such smooth words - telling people what to do  
Deceiving souls while saying," we love you."  
Calling out your name - thinking they know  
Saying they realize everywhere you go.

Taking many away from the real truth...  
Power of darkness - refusing to let loose.  
Wolves in sheep clothing is what they are  
Pretending to care - but are like ants in a jar!

Be ye warned of this vicious, evil clan...  
Trying to tear down across this land.  
Jesus is the only one to set us free  
He gave His life for you and me!
